**LANDSTAR EXPANDS MEXICO OPERATIONS
WITH OPENING OF LANDSTAR METRO**

Landstar Metro Provides Intra-Mexico Transportation Logistics Services

Jacksonville, Fla. - Landstar System, Inc. (NASDAQ:LSTR), a worldwide, asset-light provider of integrated transportation management solutions delivering safe, specialized transportation logistics services, today announced it has opened **Landstar Metro** in Mexico City, Mexico as part of its expanded Mexico services.

The new operation provides Mexico freight and logistics services within the country of Mexico and in conjunction with Landstar's U.S. / Mexico cross-border services at 11 border-crossing points. Landstar Metro is a full-service transportation logistics provider with access to truckload, less-than-truckload and expedite third-party capacity, with the benefits of Landstar's North American freight transportation network and management services.

"With Landstar Metro, we have added the final piece – in-country freight management services — to our cross-border and Mexico freight transportation operations," said Landstar Transportation Logistics Executive Vice President of Operations Eric Meyer. "Opening a location in Mexico enables Landstar to seamlessly serve the needs of our customers throughout North America."

Landstar has provided Mexico cross-border services for more than 20 years. In January 2017, the company opened its state-of-the-art Landstar U.S./Mexico Logistics Service Center in Laredo, Texas. This 31,000-square-foot logistics facility is on a highly secured, 50-acre C-TPAT certified site that includes a 30-bay cross-dock and transload facility, and a custom-designed 120-ton, stand-alone bridge crane for heavy/specialized freight.

Landstar's complete Mexico service offerings include truckload, rail, LTL, transload and customs brokerage. Manufacturers and shippers that want more information about Landstar's intra-Mexico and cross-border services can email mexicosales@landstar.com or call 1-800-872-9474.
