PROXY STATEMENT

March 22, 2002

#### INTRODUCTION

This Proxy Statement is furnished to the shareholders of Landstar System, Inc. (the "Company") in connection with the solicitation of proxies on behalf of the Board of Directors of the Company (the "Board") to be voted at the Annual Meeting of Shareholders to be held on Wednesday, May 15, 2002 at 10:00 a.m., local time (the "2002 Annual Meeting"). The 2001 Annual Report to Shareholders (which does not form a part of the proxy solicitation material), including the financial statements of the Company for fiscal year 2001, is enclosed herewith. The mailing address of the principal executive offices of the Company is 13410 Sutton Park Drive South, Jacksonville, Florida 32224. This Proxy Statement, accompanying form of proxy, Notice of Meeting and 2001 Annual Report are being mailed to the shareholders of the Company on or about March 22, 2002.

#### RECORD DATE

The Board has fixed the close of business on March 18, 2002 as the record date for the 2002 Annual Meeting. Only shareholders of record on that date will be entitled to vote at the meeting in person or by proxy.

#### PROXIES

Shares cannot be voted at the meeting unless the owner thereof is present in person or by proxy. The proxies named on the enclosed proxy card were appointed by the Board to vote the shares represented by the proxy card. If a shareholder does not return a signed proxy card, his or her shares cannot be voted by proxy. Shareholders are urged to mark the boxes on the proxy card to show how their shares are to be voted. All properly executed and unrevoked proxies in the accompanying form that are received in time for the meeting will be voted at the meeting or any adjournment thereof in accordance with any specification thereon, or if no specification is made, will be voted "FOR" the election of the named nominees, the ratification of KPMG LLP as independent auditors for the Company, and the proposals to approve the Company's 2002 Employee Stock Option Plan and the Company's Executive Incentive Compensation Plan as set forth in this Notice of 2002 Annual Meeting. The proxy card also confers discretionary authority on the proxies to vote on any other matter not presently known to management that may properly come before the 2002 Annual Meeting.

Any proxy delivered pursuant to this solicitation is revocable at the option of the person(s) executing the same (i) upon receipt by the Company before the proxy is voted of a duly executed proxy bearing a later date, (ii) by written notice of revocation to the Secretary of the Company received before the proxy is voted, or (iii) by such person(s) voting in person at the 2002 Annual Meeting.

The Board has selected The Bank of New York as Inspectors of Election (the

"Inspectors") pursuant to the Company's Bylaws, as amended. The Inspectors shall ascertain the number of shares outstanding, determine the number of shares represented at the 2002 Annual Meeting by proxy or in person and count all votes and ballots. Each shareholder shall be entitled to one vote for each share of Common Stock (as defined hereafter) and such votes may be cast either in person or by written proxy.

#### PROXY SOLICITATION

The cost of the preparation of proxy materials and the solicitation of proxies will be paid by the Company. The Company has engaged Georgeson Shareholder Communications, Inc. as the proxy solicitor for the 2002 Annual Meeting for a fee of approximately \$6,000 plus reasonable expenses. In addition to the use of the mails, certain directors, officers or employees of the Company may solicit proxies by telephone or personal contact. Upon request, the Company will reimburse brokers, dealers, banks and trustees, or their nominees, for reasonable expenses incurred by them in forwarding proxy materials to beneficial owners of shares.

1

#### VOTING SECURITIES

The Company has only one class of voting securities, its common stock, par value \$.01 per share (the "Common Stock") outstanding. On March 18, 2002, 8,105,753 shares of Common Stock were outstanding. At the 2002 Annual Meeting, each shareholder of record at the close of business on March 18, 2002 will be entitled to one vote for each share of Common Stock owned on that date as to each matter properly presented to the 2002 Annual Meeting. The holders of a majority of the total number of the issued and outstanding shares of Common Stock shall constitute a quorum for purposes of the 2002 Annual Meeting.

#### PROPOSAL NUMBER ONE -- ELECTION OF DIRECTORS

The Board is divided into three classes, with Directors in each class serving staggered three-year terms. At each annual meeting of shareholders, the terms of Directors in one of the three classes expire. At that annual meeting of shareholders, Directors are elected in a class to succeed the Directors whose terms expire, with the terms of the Directors so elected to expire at the third annual meeting of shareholders thereafter. Pursuant to the Company's Bylaws, new Directors elected by the remaining Board members to fill a vacancy on the Board shall hold office for a term expiring at the annual meeting of shareholders at which the term of office of the class of which they have been elected expires and until such Director's successors shall have been duly elected and qualified. There are seven members of the Board of Directors; two Class III Directors to be elected at the 2002 Annual Meeting of Shareholders (whose members' terms will expire at the 2005 Annual Meeting of Shareholders), two Class I Directors whose terms will expire at the 2003 Annual Meeting of Shareholders, and three Class II Directors whose terms will expire at the 2004 Annual Meeting of Shareholders.

It is intended that the shares represented by the accompanying form of proxy will be voted at the 2002 Annual Meeting for the election of nominees David G. Bannister and Jeffrey C. Crowe as the Directors comprising Class III whose members' terms will expire at the 2005 Annual Meeting of Shareholders, unless the proxy specifies otherwise. Each nominee has indicated his willingness to serve as a member of the Board, if elected.

If, for any reason not presently known, David G. Bannister or Jeffrey C. Crowe are not available for election at the time of the 2002 Annual Meeting, the shares represented by the accompanying form of proxy may be voted for the election in his/their stead of substitute nominee(s) designated by the Board or a committee thereof, unless the proxy withholds authority to vote for all nominees.

Assuming the presence of a quorum, to be elected, a nominee must receive the affirmative vote of the holders of a majority of the Common Stock, present, in person or by proxy, at the 2002 Annual Meeting. Abstentions from voting and broker non-votes will have no effect on the outcome of this proposal.

THE BOARD RECOMMENDS A VOTE FOR THIS PROPOSAL

The Audit Committee of the Board is responsible for providing independent, objective oversight of the Company's accounting functions and internal controls. The Audit Committee is composed of three directors, each of whom is independent as defined by the National Association of Securities Dealers' listing standards. The Audit Committee operates under a written charter approved by the Board of Directors.

Management is responsible for the Company's internal controls and financial reporting process. The independent accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards accepted in the United States of America and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In connection with these responsibilities, the Audit Committee met with management and the independent accountants to review and discuss the December 29, 2001 financial statements. The Audit Committee also discussed with the independent accountants the matters required by Statement on Auditing Standards No. 61 (Communication with Audit Committees). The Audit Committee also received written disclosures from the independent accountants required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent accountants that firm's independence. Based upon the Audit Committee's discussions with management and the independent accountants, and the Audit Committee's review of the representations of management and the independent accountants, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 29, 2001, to be filed with the Securities and Exchange Commission.

Also, pursuant to the Company's 1994 Directors Stock Option Plan, commencing in 1996, on the first business day after each annual meeting of shareholders of the Company, each Eligible Director who was elected or re-elected as a Director at such annual meeting received an award of options (a "Term Award") to purchase an additional 12,000 shares of the Company's Common Stock.

#### Key Executive Employment Protection Agreements

On January 23, 1998, the Board approved the execution of the Key Executive Employment Protection Agreements for Messrs. Crowe, Gerkens, LaRose, Hartter and Hertwig. Each agreement provides certain severance benefits in the event of a change of control of the Company (as defined in the agreements). Each agreement provides, generally, that if a covered executive's employment is terminated by the Company without "cause" (as defined in the agreements) or by the executive for good reason (as so defined), in either such case, in connection with or within the two year period following the change in control or if a covered executive terminates his employment for any reason six months following the change in control, such executive will be entitled to severance benefits consisting of a cash amount equal to three times for Mr. Crowe, two times for Mr. Gerkens and one time for Messrs. LaRose, Hartter and Hertwig of the sum of (A) the executive's annual base salary; and (B) the amount that would have been payable to the executive as a target bonus for the year in which the change of control occurs. Each agreement also provides for continuation of medical benefits and for certain tax gross-ups to be made to a covered executive in the event payments to the executive are subject to the excise tax on "parachute payments" imposed under Section 4999 of the Internal Revenue Code of 1986.

#### REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

#### Overall Policy

The Company's executive compensation philosophy is designed to attract and retain the best possible executive talent and to motivate these executives to develop and implement the Company's business strategy. These objectives are to be attained by tying a significant portion of each executive's compensation to the Company's success in meeting specified corporate performance goals and, through the grant of stock options, to appreciation in the Company's stock price. Additionally, the Company also recognizes individual contributions as well as overall business results.

The executive compensation program is reviewed annually by the Compensation Committee. Periodically, at the Compensation Committee's sole discretion, an independent review of the executive compensation program may be performed by outside consultants.

The Compensation Committee is responsible for decisions regarding executive compensation, including a determination of the compensation awarded to those individuals whose compensation is detailed in this proxy statement, subject to review by the Board. The key elements of the Company's executive compensation consist of base salary, annual bonus and stock options. The Compensation Committee's policies with respect to each of these elements, including the basis for the compensation awarded to Mr. Crowe, the Company's chief executive officer, are discussed below.

#### Base Salaries

Base salaries for newly hired executive officers are initially determined by evaluating the responsibilities of the position held and the experience of the individual. Salary adjustments are determined by evaluating the performance of the Company and of each executive officer, and also take into account new responsibilities. In the case of executive officers with responsibility for an operating subsidiary, the financial results of such operating subsidiary are also considered.

#### Annual Bonus

The Company's executive officers were eligible to receive an annual bonus

under the Company's 2001 Incentive Compensation Plan (the "2001 ICP"). The 2001 ICP provided for bonus payments to be made to eligible executive officers upon achievement of a consolidated earnings per share target and to eligible corporate and operating subsidiary employees upon the achievement of a consolidated earnings per share target or an operating income target or a combination thereof. These performance criteria were established at the beginning of 2001 by the Compensation Committee.

The Company did not achieve the targets established under the 2001 ICP and, as a result, no executive officer or any Named Executive received bonuses pursuant to the 2001 ICP.

#### Stock Options

Under the Company's 1993 Stock Option Plan, stock options are granted to the Company's executive officers and certain other key employees. The Compensation Committee determines the number of stock options to be granted pursuant to guidelines it develops based on an officer's, or other key employee's, job responsibilities and individual performance evaluation. Stock options are granted with an exercise price equal to the fair market value of the Common Stock on the date of grant and vest over three to five years. This approach is designed to encourage the creation of long-term shareholder value since no benefit can be realized from such options unless the stock price exceeds the exercise price.

As of March 1, 2002, Mr. Crowe held 40,000 shares of the Company's Common Stock and held options to purchase an additional 134,100 shares, including 60,000 options granted January 2, 2002. The Compensation Committee believes that significant equity interests in the Company held by the Company's management helps to align the interests of shareholders and management and maximize shareholder returns over the long term.

#### Policy as to Section 162(m) of the Code

Section 162(m) of the Internal Revenue Code of 1986, as amended, generally denies a publicly traded company a federal income tax deduction for compensation in excess of \$1 million paid to certain of its executive officers unless the amount of such excess is payable based solely upon the attainment of objective performance criteria. The Company has undertaken to qualify substantial components of the incentive compensation it makes available to its executive officers for the performance exception to nondeductibility. Stock option grants under the Company's 1993 Employee Stock Option Plan currently meet these requirements. At the 2002 Annual Meeting, the Company will seek shareholder approval for the Executive Incentive Compensation Plan (described below) so that any annual awards payable thereunder would qualify for the performance exception under Section 162(m). The Compensation Committee believes that tax deductibility of compensation is an important factor, but not the sole factor, to be considered in setting executive compensation policy. Accordingly, the Compensation Committee generally intends to take such reasonable steps as are required to avoid the loss of a tax deduction due to Section 162(m) but reserves the right to pay amounts which are not deductible in appropriate circumstances.

#### Conclusion

Through the programs described above, a very significant portion of the Company's executive compensation is linked directly to significant thresholds of corporate performance and stock price appreciation. The Company's results did not achieve the target criteria established in the 2001 ICP. As such, bonuses were not paid under the 2001 ICP. The Committee will continue to review all executive compensation and benefit matters presented to it and will act based upon the best information available to it and in the best interests of the Company, its shareholders and employees.

17

with the exception of tax consulting may continue to do so in the future. The aggregate fees billed for professional services by KPMG LLP in fiscal year 2001 for services consisted of the following:

AUDIT FEES: Fees for the audit of financial statements and quarterly reviews, \$482,000.

ALL OTHER FEES: Fees for assistance with tax compliance and tax audits \$155,815, fees for tax consulting \$126,734 and fees for the audit of employee benefit plans \$15,000.

THE BOARD RECOMMENDS A VOTE FOR THIS PROPOSAL

PROPOSAL NUMBER THREE -- PROPOSAL TO APPROVE  
THE LANDSTAR SYSTEM, INC. 2002 EMPLOYEE STOCK OPTION PLAN

To further its policy of encouraging the creation of long-term shareholder value, the Board has adopted the Landstar System, Inc. 2002 Employee Stock Option Plan (the "2002 Employee Stock Option Plan"), subject to stockholder approval. The 2002 Employee Stock Option Plan will replace the Company's 1993 Employee Stock Option Plan which, by its terms, expires on January 18, 2003.

At the annual meeting, the shareholders are being asked to approve the 2002 Employee Stock Option Plan and the reservation of shares for issuance thereunder for the purpose of qualifying such shares for special tax treatment under Section 421 of the Internal Revenue Code of 1986, as amended (the "Code").

The proposed 2002 Employee Stock Option Plan is set forth in Exhibit A. A summary of the 2002 Employee Stock Option Plan is set forth below and is qualified in its entirety by reference to the full text of the 2002 Employee Stock Option Plan.

SUMMARY OF THE 2002 EMPLOYEE STOCK OPTION PLAN

GENERAL. The purpose of the 2002 Employee Stock Option Plan is to foster and promote the long-term financial success of the Company and to materially increase shareholder value. Options to purchase shares of Common Stock may be granted under the 2002 Employee Stock Option Plan, which may be either "incentive stock options" within the meaning of Section 422 of the Code or "nonstatutory stock options." The grant of options to a participant are evidenced by a stock option agreement between the Company and the participant.

ADMINISTRATION. The 2002 Employee Stock Option Plan will be administered by the Compensation Committee, which shall be comprised of two or more "outside directors" within the meaning of Section 1.162-27(e) of the Treasury Regulations issued pursuant to Section 162(m) of the Code.

ELIGIBILITY. Options may be granted under the 2002 Employee Stock Option Plan to any officer or other key executive and management employee of the Company or any of its subsidiaries. The Compensation Committee, in its discretion, selects the officers or key executive or management employees to whom options may be granted, the time or times at which such options are granted and the number of shares subject to, and terms and conditions of, each grant. No officer or key executive or management employee may receive grants under the 2002 Employee Stock Option Plan during any fiscal year of the Company which, singly or in the aggregate, cover more than 50,000 shares of Common Stock.

SHARES SUBJECT TO THE 2002 EMPLOYEE STOCK OPTION PLAN. The number of shares of Common Stock that may be issued under the 2002 Employee Stock Option Plan may not exceed 800,000 shares, which may include authorized but unissued shares or treasury shares. If there is a stock split, stock dividend, recapitalization, or other relevant change affecting the Company's shares, appropriate adjustments will be made in the number of shares that may be issued in the future and in the number of shares and price under all outstanding options granted before the event. If shares subject to an option are cancelled, terminated or otherwise settled without the issuance of shares, those shares will again be available for inclusion in future option grants.

18

EXERCISE PRICE. All options granted under the 2002 Employee Stock Option Plan will have an exercise price per share equal to the Fair Market Value (as defined in the 2002 Employee Stock Option Plan) of one share of Common Stock on the date of grant.

EXERCISABILITY; FORM OF CONSIDERATION. Options awarded to a participant under the 2002 Employee Stock Option Plan will become exercisable at such times and shall be subject to such restrictions and conditions including the performance of a minimum period of service or the satisfaction of performance goals, as the Compensation Committee may impose either at or after the time of grant of such options, subject to the Compensation Committee's right to accelerate the exercisability of such option in its discretion. The Compensation Committee will establish procedures governing the exercise of options, which will require that written notice of exercise be given and that the exercise price be paid in full in cash or cash equivalents, including by personal check, at the time of exercise. The Compensation Committee may, in its discretion, permit a participant to make payment in shares of Common Stock already owned by him or her, valued at its Fair Market Value on the date of exercise, as partial or full payment of the exercise price.

OPTION TERM. If not previously exercised, each option will expire on the tenth anniversary of the date of the grant thereof or, upon the earlier termination of the participant's employment with the Company as described below.

NONTRANSFERABILITY OF OPTIONS. No options granted under the 2002 Employee Stock Option Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution.

TERMINATION OF EMPLOYMENT. Unless otherwise determined by the Compensation Committee at or after the time of grant, in the event a participant's employment with the Company is terminated for any reason (other than due to the participant's death, Disability, Retirement or by the Company for Cause (as each such term is defined in the 2002 Employee Stock Option Plan) as described below), any options granted to such participant that are exercisable at the date of the participant's termination of employment shall be exercisable at any time prior to the expiration of the term of such options or the thirtieth day following the participant's termination of employment, whichever period is shorter. Unless otherwise determined by the Compensation Committee at the time of grant, in the event a participant's employment terminates by reason of death, Disability or Retirement, any options granted to such participant which are then outstanding (whether or not exercisable prior to the date of such termination) may be exercised by the participant (or the participant's designated beneficiary in the event of his or her death) at any time prior to the expiration of the term of the options or within one (1) year (or such other period as the Compensation Committee shall determine at the time of grant) following the participant's termination of employment, whichever period is shorter. Unless otherwise determined by the Compensation Committee at the time of grant, in the event a participant's employment is terminated for Cause (as defined in the 2002 Employee Stock Option Plan), any options granted to such participant which are then outstanding (whether or not exercisable prior to the date of such termination) shall be forfeited.

CHANGE IN CONTROL PROVISIONS. In the event of a Change in Control (as defined in the 2002 Employee Stock Option Plan), each option shall be, at the discretion of the Compensation Committee, either cancelled in exchange for a payment in cash of an amount equal to the excess of the Change in Control Price (as defined in the 2002 Employee Stock Option Plan) over the exercise price for such option, or fully exercisable regardless of the exercise schedule otherwise applicable to such option.

However, no cancellation, acceleration of exercisability or vesting or cash settlement or other payment shall occur with respect to any option if the Compensation Committee reasonably determines in good faith prior to the occurrence of a Change in Control that such option shall be honored or assumed, or new rights substituted therefore (such honored, assumed or substituted award hereinafter called an "Alternative Award"), by a participant's employer (or the parent or a subsidiary of such employer) immediately following the Change in Control, provided that any such Alternative Award must: (i) be based on stock which is traded on an established securities market, or which will be so traded within 60 days of the Change in Control; (ii) provide such participant (or each participant in a class of participants) with rights and entitlements substantially equivalent to or better than the rights, terms and conditions applicable under such award, including, but not limited to, an identical or better exercise or vesting schedule and identical or better timing

19

and methods of payment; (iii) have substantially equivalent economic value to such award (determined at the time of the Change in Control); and (iv) have terms and conditions which provide that in the event that the participant's employment is involuntarily terminated or constructively terminated (as defined in the 2002 Employee Stock Option Plan), any conditions on a participant's rights under, or any restrictions on transfer or exercisability applicable to, each such Alternative Award shall be waived or shall lapse, as the case may be.

AMENDMENT, MODIFICATION AND TERMINATION OF THE 2002 EMPLOYEE STOCK OPTION PLAN. The Board may terminate or suspend the 2002 Employee Stock Option Plan at any time, and from time to time may amend or modify the 2002 Employee Stock Option Plan, provided that without the approval by a majority of the votes cast at a meeting of shareholders at which a quorum representing a majority of the shares of Common Stock is present in person or by proxy, no amendment or modification to the 2002 Employee Stock Option Plan may (i) materially increase the benefits accruing to participants under the 2002 Employee Stock Option Plan, (ii) except as otherwise expressly provided in the "Adjustment in Capitalization" provisions of the 2002 Employee Stock Option Plan, materially increase the number of shares of Common Stock subject to options under the 2002 Employee Stock Option Plan or the number of options that may be granted to a participant in a single calendar year under the 2002 Employee Stock Option Plan, or (iii) materially modify the requirements for participation in the 2002 Employee Stock Option Plan. No amendment, modification, or termination of the 2002 Employee Stock Option Plan shall in any manner adversely affect any option previously granted under the 2002 Employee Stock Option Plan, without the consent of the participant. The 2002 Employee Stock Option Plan shall continue in effect, unless sooner terminated by the Board, until the tenth anniversary of the date on which it is adopted by the Board.

#### FEDERAL INCOME TAX ASPECTS

The following is a brief summary of the Federal income tax consequences of options granted under the 2002 Employee Stock Option Plan based upon the Federal income tax laws in effect on the date hereof. This summary is not intended to be exhaustive, and does not describe state, local or foreign tax consequences.

The grant of an incentive stock option or a nonqualified stock option would not result in income for the participant or in a deduction for the Company. Generally, upon exercise of an incentive stock option, the participant would not recognize income if the participant (i) does not dispose of the shares within two years after the date of grant or one year after the transfer of shares upon exercise, and (ii) is an employee of the Company or a subsidiary thereof from the date of grant and through and until three months before the exercise date. If these requirements were satisfied, the basis of the shares upon later disposition would be the exercise price. Any gain would be taxed to the participant as long-term capital gain and the Company would not be entitled to a deduction. Net capital gains on shares held more than 12 months may be taxed at a maximum federal rate of 20% (lower rates may apply depending upon when the stock is acquired and the applicable income tax bracket of the taxpayer). Capital losses are generally allowed in full against capital gains and up to \$3,000 against other income. The excess of the market value on the exercise date over the exercise price is an item of tax preference, potentially subject to the alternative minimum tax.

If the grantee disposes of the shares prior to the expiration of either of the holding periods, the grantee would recognize ordinary income and the Company would be entitled to a deduction equal to the lesser of the fair market value of

the shares on the exercise date minus the exercise price or the amount realized on disposition minus the option price. Any gain in excess of the ordinary income portion would be taxable as long-term or short-term capital gain.

Generally, upon exercise of a non-qualified stock option, the participant will realize ordinary income in an amount equal to the difference between the price paid for the shares and the fair market value of the shares on the date of exercise. The Company would be entitled to a tax deduction in the same amount. Any appreciation (or depreciation) after date of exercise will be either short-term or long-term capital gain or loss, depending upon the length of time that the participant has held the shares.

#### NEW PLAN BENEFITS

Because benefits under the 2002 Employee Stock Option Plan will depend on the Compensation Committee's actions and the fair market value of the Common Stock at various future dates, it is not possible

20

to determine the benefits that would be received by participants in the 2002 Employee Stock Option Plan if such plan is approved by shareholders.

#### APPROVAL

To be approved, this proposal requires the affirmative vote of the holders of a majority of the shares of Common Stock present in person or represented by proxy at the 2002 Annual Meeting and entitled to vote thereon. Abstentions from voting on this proposal will have the same effect as voting against this proposal. Broker non-votes will have no effect on the outcome of this proposal.

It is intended that the shares represented by the accompanying form of proxy will be voted at the 2002 Annual Meeting for the approval of the 2002 Employee Stock Option Plan, unless the proxy specifies otherwise.

THE BOARD RECOMMENDS A VOTE FOR THIS PROPOSAL

PROPOSAL NUMBER FOUR -- PROPOSAL TO APPROVE  
THE LANDSTAR SYSTEM, INC. EXECUTIVE INCENTIVE COMPENSATION PLAN

#### INTRODUCTION

To further its policy of providing the Company's key employees the opportunity to earn competitive levels of incentive compensation based primarily on the performance of the Company, the Board has adopted the Landstar System, Inc. Executive Incentive Compensation Plan (the "EICP"), effective January 1, 2002, but subject to the approval of the Company's shareholders. The EICP has been designed to assure that any amounts paid to executive officers will not fail to be deductible by the Company for federal income tax purposes because of the limitations imposed by Section 162(m) of the Internal Revenue Code of 1986, as amended ("Section 162(m)").

The proposed EICP is set forth in Exhibit B. A summary of the EICP is set forth below and is qualified in its entirety by reference to the full text of the EICP.

#### EXECUTIVE INCENTIVE COMPENSATION PLAN

**ELIGIBILITY.** The EICP authorizes the Compensation Committee of the Board or any subcommittee thereof (the "Committee") to award annual incentive compensation to officers and other key employees of the Company and its subsidiaries, including all of the Company's executive officers. The number of eligible participants in the EICP will vary from year to year at the discretion of the Committee. It is expected that approximately 6 employees (including all of the Company's current executive officers) will be eligible to receive incentive compensation under the EICP in 2002.

**PERFORMANCE CRITERIA.** On or before April 1 of each year (or such other date as may be required or permitted under Section 162(m)), the Committee will establish performance objectives that must be attained in order for the Company to pay bonuses under the EICP. The performance objectives will be based upon one or more of the following criteria: (i) actual earnings per share on the Common Stock, (ii) budgeted earnings per share on the Common Stock, (iii) the Company's consolidated earnings before income taxes, (iv) the Company's consolidated

operating income, (v) individual subsidiary operating income, (vi) total return to the Company's shareholders, assuming the reinvestment of dividends, and/or (vii) return on shareholders' equity.

**PAYMENT OF ANNUAL AWARDS.** If any of the performance criteria established by the Committee is satisfied, the Committee may award an annual bonus to an eligible participant in an amount equal to a maximum of \$2,000,000. The Committee has the discretion to pay amounts which are less than the maximum amount payable under the EICP based on individual performance or such other criteria as the Committee shall deem relevant and may establish annually rules or procedures that will limit the amounts payable to each participant to a level which is below the maximum amount authorized. The Committee, in its discretion, may pay up to 50% of a bonus award in Common Stock, the number of shares of Common Stock so paid to be determined by dividing the dollar value of the portion of the award to be paid in Common Stock by the Fair Market Value (as defined in the EICP) of a share of Common Stock on the date of grant. In no event shall the aggregate market value of the Common Stock awarded under the EICP with respect to any calendar year

21

exceed \$1,000,000. The distribution of Common Stock shall be subject to such terms and conditions as the Committee shall determine, including such requirements as continued services for the vesting of such award. A participant who is not an employee of the Company or one of its subsidiaries on the last day of the calendar year for which the award is payable shall receive a pro-rated award, based on the full year's performance, unless the Committee determines that the participant will not receive such an award.

Notwithstanding anything else in the EICP to the contrary, the Committee shall also have the authority, in its discretion, (i) to pay annual bonuses for any calendar year to eligible participants whose compensation is not subject to the restrictions of Section 162(m) for that calendar year and (ii) to provide for a minimum bonus amount for any calendar year in connection with the hiring of any person who is or becomes subject to the restrictions of Section 162(m).

**ADMINISTRATION.** The Committee, which shall at all times be comprised of at least two directors, each of whom is an "outside director" for purposes of Section 162(m), shall administer and interpret the EICP. In all events, the EICP shall be interpreted in a manner which is consistent with the requirements to qualify the payments made thereunder as performance based compensation under Section 162(m). Subject to the express provisions of the EICP, the Committee shall have the authority to select officers and key employees eligible to participate in the EICP, to establish the performance objectives for each calendar year, and to reduce the amount that may be paid to any participant from the maximum amount otherwise payable pursuant to the EICP. Prior to making any payment to any executive officer pursuant to the EICP, the Committee shall be required to certify that the performance objectives have been attained and the amount payable to such executive officer.

**AMENDMENT AND TERMINATION.** The Board or the Committee may at any time amend, terminate or suspend the EICP, except that (i) no such action shall, without the consent of such participant, adversely affect the rights of any participant with respect to any award with respect to any calendar year which already commenced and (ii) no such action shall be effective without approval by shareholders of the Company to the extent that such approval is required to continue to qualify the payments under the EICP for treatment as performance based compensation under Section 162(m). Notwithstanding anything else in the EICP to the contrary, the EICP will not be effective with respect to calendar years ending after December 31, 2006, unless otherwise extended by action of the Board.

#### FEDERAL INCOME TAX CONSEQUENCES

Cash payments made under the EICP will be taxable to the recipients thereof when paid and the Company will generally be entitled to a federal income tax deduction in the calendar year for which the amount is paid. Any portion of a bonus award which is to be paid in Common Stock will be taxable to the recipient in an amount equal to the fair market value of such Common Stock on the date when such Common Stock is no longer subject to any restrictions. The Company will generally be entitled to a deduction in the calendar year in which the participant recognizes such income.

#### NEW PLAN AWARDS

Because payment of any award will be contingent on the attainment of performance objectives established for such year by the Committee, the amounts payable to eligible participants under the EICP for any calendar year during which the EICP is in effect cannot be determined. The Company expects that in operation the EICP, as it relates to the Company's current executive officers, will produce results substantially similar to the predecessor plan that was adopted by shareholders in 1995.

#### APPROVAL

To be approved, this proposal requires the affirmative vote of the holders of a majority of the shares of Common Stock present in person or represented by proxy at the 2002 Annual Meeting and entitled to vote thereon. Abstentions from voting on this proposal will have the same effect as voting against this proposal. Broker non-votes will have no effect on the outcome of this proposal.

THE BOARD RECOMMENDS A VOTE FOR THIS PROPOSAL.

### SECTION 4. POWERS OF THE COMMITTEE

4.1. Power to Grant. The Committee shall determine the Participants to whom Options shall be granted and the terms and conditions of any and all such Options. The Chairman of the Board may suggest to

26

the Committee the Participants who should receive Options under the Plan. The terms and conditions of each Option shall be determined by the Committee at the time of grant, and such terms and conditions shall not be subsequently changed in a manner which would be adverse to participants without the consent of the Participant to whom such Option has been granted. The Committee may establish different terms and conditions for different Participants receiving Options and for the same Participant for each Option such Participant may receive, whether or not granted at different times.

4.2. Administration. The Committee shall be responsible for the administration of the Plan. The Committee, by majority action thereof, is authorized to prescribe, amend and rescind rules and regulations relating to the Plan, to provide for conditions deemed necessary or advisable to protect the interests of the Company, and to make all other determinations necessary or advisable for the administration and interpretation of the Plan in order to carry out its provisions and purposes. Determinations, interpretations, or other actions made or taken by the Committee pursuant to the provisions of the Plan shall be final, binding, and conclusive for all purposes and upon all persons.

### SECTION 5. STOCK SUBJECT TO PLAN

5.1. Number. Subject to the provisions of Section 5.3, the number of shares of Stock subject to Options under the Plan may not exceed 800,000 shares of Stock. The shares to be delivered under the Plan may consist, in whole or in part, of treasury Stock or authorized but unissued Stock, not reserved for any other purpose.

5.2. Cancelled, Terminated, or Forfeited Options. Any shares of Stock

subject to an Option which for any reason is cancelled, terminated or otherwise settled without the issuance of any Stock shall again be available under the Plan.

5.3. Adjustment in Capitalization. In the event of any Stock dividend or Stock split, recapitalization (including, without limitation, the payment of an extraordinary dividend), merger, consolidation, combination, spin-off, distribution of assets to stockholders, exchange of shares, or other similar corporate change, the aggregate number of shares of Stock available for Options under Section 5.1 or subject to outstanding Options, the limitations under Section 6.1 on the number of Options that may be granted to any Participant during any fiscal year of the Company, and the respective prices and/or performance criteria applicable to outstanding Options may be appropriately adjusted by the Committee, whose determination shall be conclusive.

#### SECTION 6. STOCK OPTIONS

6.1. Grant of Options. Options may be granted to Participants at such time or times as shall be determined by the Committee. Options granted under the Plan may be of two types: (i) Incentive Stock Options and (ii) Nonstatutory Stock Options. The Committee shall have complete discretion in determining the number of Options, if any, to be granted to a Participant, provided that no Participant shall receive more than 50,000 Options during any fiscal year of the Company. Each Option shall be evidenced by an Option agreement that shall specify the type of Option granted, the exercise price, the duration of the Option, the number of shares of Stock to which the Option pertains, and such other terms and conditions not inconsistent with the Plan as the Committee shall determine.

6.2. Option Price. Nonstatutory Stock Options and Incentive Stock Options granted pursuant to the Plan shall have an exercise price which is not less than the Fair Market Value on the date the Option is granted.

6.3. Exercise of Options. Options awarded to a Participant under the Plan shall be exercisable at such times and shall be subject to such restrictions and conditions including the performance of a minimum period of service or the satisfaction of performance goals, as the Committee may impose either at or after the time of grant of such Options, subject to the Committee's right to accelerate the exercisability of such Option in its

27

discretion. Notwithstanding the foregoing, no Option shall be exercisable more than 10 years after the date on which it is granted.

6.4. Payment. The Committee shall establish procedures governing the exercise of Options, which shall require that written notice of exercise be given and that the Option price be paid in full in cash or cash equivalents, including by personal check, at the time of exercise. The Committee may, in its discretion, permit a Participant to make payment in Stock already owned by him or her, valued at its Fair Market Value on the date of exercise, as partial or full payment of the exercise price. As soon as practicable after receipt of a written exercise notice and full payment of the exercise price, the Company shall deliver to the Participant a certificate or certificates representing the acquired shares of Stock.

6.5. Incentive Stock Options. Notwithstanding anything in the Plan to the contrary, no term of the Plan relating to Incentive Stock Options shall be interpreted, amended or altered, nor shall any discretion or authority granted under the Plan be so exercised, so as to disqualify the Plan under Section 422 of the Code, or, without the consent of any Participant affected thereby, to cause any Incentive Stock Option previously granted to fail to qualify for the Federal income tax treatment afforded under Section 421 of the Code.

#### SECTION 7. TERMINATION OF EMPLOYMENT

7.1. Termination of Employment Due to Retirement. Unless otherwise determined by the Committee at the time of grant, in the event a Participant's employment terminates by reason of Retirement, any Options granted to such Participant which are then outstanding (whether or not exercisable prior to the date of such termination) may be exercised at any time prior to the expiration of the term of the Options or within one (1) year (or such other period as the

Committee shall determine at the time of grant) following the Participant's termination of employment, whichever period is shorter.

7.2. Termination of Employment Due to Death or Disability. Unless otherwise determined by the Committee at the time of grant, in the event a Participant's employment terminates by reason of death or Disability, any Options granted to such Participant which are then outstanding (whether or not exercisable prior to the date of such termination) may be exercised by the Participant or the Participant's designated beneficiary, and if none is named, in accordance with Section 10.2, at any time prior to the expiration date of the term of the options or within one (1) year (or such other period as the Committee shall determine at the time of grant) following the Participant's termination of employment, whichever period is shorter.

7.3. Termination of Employment For Cause. Unless otherwise determined by the Committee at the time of grant, in the event a Participant's employment is terminated for Cause, any Options granted to such Participant which are then outstanding (whether or not exercisable prior to the date of such termination) shall be forfeited.

7.4. Termination of Employment for Any Other Reason. Unless otherwise determined by the Committee at or after the time of grant, in the event the employment of the Participant shall terminate for any reason other than one described in Section 7.1, 7.2 or 7.3, any Options granted to such Participant which are exercisable at the date of the Participant's termination of employment shall be exercisable at any time prior to the expiration of the term of such Options or the thirtieth day following the Participant's termination of employment, whichever period is shorter.

#### SECTION 8. CHANGE IN CONTROL

8.1. Accelerated Vesting and Payment. Subject to the provisions of Section 8.2 below, in the event of a Change in Control, each Option shall be, at the discretion of the Committee, either cancelled in exchange for a payment in cash of an amount equal to the excess of the Change in Control Price over the exercise price for such Option, or fully exercisable regardless of the exercise schedule otherwise applicable to such Option.

28

8.2. Alternative Awards. Notwithstanding Section 8.1, no cancellation, acceleration of exercisability or vesting or cash settlement or other payment shall occur with respect to any Option if the Committee reasonably determines in good faith prior to the occurrence of a Change in Control that such Option shall be honored or assumed, or new rights substituted therefore (such honored, assumed or substituted award hereinafter called an "Alternative Award"), by a Participant's employer (or the parent or a subsidiary of such employer) immediately following the Change in Control, provided that any such Alternative Award must:

(i) be based on stock which is traded on an established securities market, or which will be so traded within 60 days of the Change in Control;

(ii) provide such Participant (or each Participant in a class of Participants) with rights and entitlements substantially equivalent to or better than the rights, terms and conditions applicable under such Award, including, but not limited to, an identical or better exercise or vesting schedule and identical or better timing and methods of payment;

(iii) have substantially equivalent economic value to such Award (determined at the time of the Change in Control);

(iv) have terms and conditions which provide that in the event that the Participant's employment is involuntarily terminated or constructively terminated, any conditions on a Participant's rights under, or any restrictions on transfer or exercisability applicable to, each such Alternative Award shall be waived or shall lapse, as the case may be.

For this purpose, a constructive termination shall mean a termination by a Participant following a material reduction in the Participant's compensation or a material reduction in the Participant's responsibilities, in each case without the Participant's written consent.

SECTION 9.  
AMENDMENT, MODIFICATION AND TERMINATION OF PLAN

The Board may at any time terminate or suspend the Plan, and from time to time may amend or modify the Plan, provided that without the approval by a majority of the votes cast at a meeting of shareholders at which a quorum representing a majority of the shares of Stock is present in person or by proxy, no amendment or modification to the Plan may (i) materially increase the benefits accruing to participants under the Plan, (ii) except as otherwise expressly provided in Section 5.3, materially increase the number of shares of Stock subject to Options under the Plan or the number of Options that may be granted to a participant in a single calendar year under the Plan, or (iii) materially modify the requirements for participation in the Plan. No amendment, modification, or termination of the Plan shall in any manner adversely affect any Option theretofore granted under the Plan, without the consent of the Participant.

SECTION 10.  
MISCELLANEOUS PROVISIONS

10.1. Nontransferability of Options. No Options granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution. All rights with respect to Options granted to a Participant under the Plan shall be exercisable during his lifetime only by such Participant.

10.2. Beneficiary Designation. Each Participant under the Plan may from time to time name any beneficiary or beneficiaries (who may be named contingently or successively) to whom any benefit under the Plan is to be paid or by whom any right under the Plan is to be exercised in case of his death. Each designation will revoke all prior designations by the same Participant, shall be in a form prescribed by the Committee, and will be effective only when filed by the Participant in writing with the Committee during his lifetime. In the absence of any such designation, benefits remaining unpaid at the Participant's death shall be paid to or exercised by the Participant's surviving spouse, if any, or otherwise to or by his estate.

10.3. No Guarantee of Employment or Participation. Nothing in the Plan shall interfere with or limit in any way the right of the Company or any Subsidiary to terminate any Participant's employment at any time, nor confer upon any Participant any right to continue in the employ of the Company or any Subsidiary or

29

affiliate. No Employee shall have a right to be selected as a Participant, or, having been so selected, to receive any future Options.

10.4. Tax Withholding. The Company shall have the power to withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy federal, state and local withholding tax requirements on any Option under the Plan, and the Company may defer payment of cash or issuance of Stock until such requirements are satisfied.

10.5. Indemnification. Each person who is or shall have been a member of the Committee or of the Board shall be indemnified and held harmless by the Company against and from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by him in connection with or resulting from any claim, action, suit, or proceeding to which he may be made a party or in which he may be involved by reason of any action taken or failure to act under the Plan and against and from any and all amounts paid by him in settlement thereof, with the Company's approval, or paid by him in satisfaction of any judgment in any such action, suit, or proceeding against him, provided he shall give the Company an opportunity, at its own expense, to handle and defend the same before he undertakes to handle and defend it on his own behalf. The foregoing right of indemnification shall not be exclusive and shall be independent of any other rights of indemnification to which such persons may be entitled under the Company's Articles of Incorporation or Bylaws, by contract, as a matter of law, or otherwise.

10.6. No Limitation on Compensation. Nothing in the Plan shall be construed to limit the right of the Company to establish other plans or to pay compensation to its employees in cash or property, in a manner which is not expressly authorized under the Plan.

10.7. Requirements of Law. The granting of Options and the issuance of shares of Stock shall be subject to all applicable laws, rules and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.

10.8. Term of Plan. The Plan shall be effective upon its adoption by the Board and approval by a majority of the shareholders of the Company. The Plan shall continue in effect, unless sooner terminated pursuant to Section 9, until the tenth anniversary of the date on which it is adopted by the Board.

10.9. Governing Law. The Plan, and all agreements hereunder, shall be construed in accordance with and governed by the laws of the State of Delaware.

10.10. No Impact On Benefits. Options granted under the Plan are not compensation for purposes of calculating an Employee's rights under any employee benefit plan.

10.11. Freedom of Action. Subject to Section 9, nothing in the Plan or any Option agreement shall be construed as limiting or preventing the Company or any subsidiary thereof from taking any action with respect to the operation or conduct of its business that it deems appropriate or in its best interest.

10.12. Headings and Captions. The headings and captions herein are provided for reference and convenience only, shall not be considered part of the Plan and shall not be employed in the construction of the Plan.

10.13. No Rights as Stockholder. No Participant shall have any voting or other rights as a stockholder of the Company with respect to any Stock covered by any Option until the issuance of a certificate or certificates to the Participant for such Stock. No adjustment shall be made for dividends or other rights for which the record date is prior to the issuance of such certificate or certificates.

EXHIBIT B

EXECUTIVE INCENTIVE COMPENSATION PLAN  
(EFFECTIVE AS OF JANUARY 1, 2002)

1. PURPOSE.

The purposes of the Plan are to enable the Company and its Subsidiaries to attract, retain, motivate and reward the best qualified executive officers and key employees by providing them with the opportunity to earn competitive compensation directly linked to the Company's performance. The Plan is designed to assure that amounts paid to certain executive officers of the Company will not fail to be deductible by the Company for Federal income tax purposes because of the limitations imposed by Section 162(m).

31

### 3. ADMINISTRATION.

The Committee shall administer and interpret the Plan, provided that, in no event, shall the Plan be interpreted in a manner which would cause any amount payable under the Plan to any Covered Employee to fail to qualify as performance-based compensation under Section 162(m). The Committee shall establish the performance objectives for any calendar year in accordance with Section 4 and certify whether such performance objectives have been obtained. Any determination made by the Committee under the Plan shall be final and conclusive. The Committee may employ such legal counsel, consultants and agents (including counsel or agents who are employees of the Company or a Subsidiary) as it may deem desirable for the administration of the Plan and may rely upon any opinion received from any such counsel or consultant or agent and any computation received from such consultant or agent. All expenses incurred in the administration of the Plan, including, without limitation, for the engagement of any counsel, consultant or agent, shall be paid by the Company. No member or former member of the Board or the Committee shall be liable for any act, omission, interpretation, construction or determination made in connection with the Plan other than as a result of such individual's willful misconduct.

### 4. BONUSES.

(a) Performance Criteria. On or before April 1 of each year (or such other date as may be required or permitted under Section 162(m)), the Committee shall establish the performance objective or objectives that must be satisfied in order for a Participant to receive a bonus for such year. Any such performance objectives will be based upon the relative or comparative achievement of one or more of the following criteria, as determined by the Committee: (i) actual earnings per share on the Common Stock; (ii) budgeted earnings per share on the Common Stock; (iii) the Company's consolidated earnings before income taxes; (iv) the Company's consolidated operating income; (v) individual Subsidiary's operating income; (vi) total return to the Company's shareholders, assuming the reinvestment of dividends; and (vii) return on shareholders equity.

(b) Maximum Amount Payable. If the Committee certifies in writing that any of the performance objectives established for the relevant year under Section 4(a) has been satisfied, each Participant who is employed by the Company or one of its Subsidiaries on the last day of the calendar year for which the bonus is payable shall be entitled to receive an annual bonus equal to a maximum of \$2,000,000. Unless the Committee shall otherwise determine, if a Participant's employment terminates for any reason (including, without limitation, his death, disability or retirement under the terms of any retirement plan maintained by the Company or a Subsidiary) prior to the last day of the calendar year for

which the bonus is payable, such Participant shall receive an annual bonus equal to the amount the Participant would have received as an annual bonus award if such Participant had remained an employee through the end of the year multiplied by a fraction, the numerator of which is the number of days that elapsed during the calendar year in which the termination occurs prior to and including the date of the Participant's termination of employment and the denominator of which is 365.

(c) Negative Discretion. Notwithstanding anything else contained in Section 4(b) to the contrary, the Committee shall have the right, in its absolute discretion, (i) to reduce or eliminate the amount otherwise payable to any Participant under Section 4(b) based on individual performance or any other factors that the Committee, in its discretion, shall deem appropriate and (ii) to establish rules or procedures that have the effect of limiting the amount payable to each Participant to an amount that is less than the maximum amount otherwise authorized under Section 4(b).

(d) Affirmative Discretion. Notwithstanding any other provision in the Plan to the contrary, (i) the Committee shall have the right, in its discretion, to pay to any Participant who is not a Covered Employee an annual bonus for such year in an amount up to the maximum bonus payable under Section 4(b), based on individual performance or any other criteria that the Committee deems appropriate and (ii) in connection with the hiring of any person who is or becomes a Covered Employee, the Committee may provide for a minimum bonus amount in any calendar year, regardless of whether performance objectives are attained.

(e) Awards of Common Stock. The Committee in its discretion may determine that up to 50% of a Participant's bonus shall be payable in Common Stock. The number of shares of Common Stock to be

32

awarded shall be determined by dividing the dollar value of the portion of a Participant's bonus which is payable in Common Stock by the Fair Market Value of a share of Common Stock on the Grant Date, provided, however, that in no event shall the aggregate Fair Market Value of Common Stock awarded under the Plan with respect to any calendar year exceed \$1,000,000. The distribution of Common Stock shall be subject to such terms and conditions as the Committee shall determine, including such requirements as continued services for the vesting of such award.

## 5. PAYMENT.

Except as may be determined pursuant to the terms of Section 4(e) or as otherwise provided hereunder, payment of any bonus amount determined under Section 4 shall be made to each Participant as soon as practicable after the Committee certifies that one or more of the applicable performance objectives have been attained (or, in the case of any bonus payable under the provisions of Section 4(d), after the Committee determines the amount of any such bonus).

## 6. GENERAL PROVISIONS.

(a) Effectiveness of the Plan. Subject to the approval by the holders of the Common Stock at the 2002 Annual Meeting of Shareholders, the Plan shall be effective with respect to calendar years beginning on or after January 1, 2002 and ending on or before December 31, 2006, unless the term hereof is extended by action of the Board.

(b) Amendment and Termination. Notwithstanding Section 6(a), the Board or the Committee may at any time amend, suspend, discontinue or terminate the Plan; provided, however, that no such amendment, suspension, discontinuance or termination shall adversely affect the rights of any Participant in respect of any calendar year which has already commenced and no such action shall be effective without approval by the shareholders of the Company to the extent necessary to continue to qualify the amounts payable hereunder to Covered Employees as performance-based compensation under Section 162(m).

(c) Designation of Beneficiary. Each Participant may designate a beneficiary or beneficiaries (which beneficiary may be an entity other than a natural person) to receive any payments which may be made following the Participant's death. Such designation may be changed or canceled at any time without the consent of any such beneficiary. Any such designation, change or cancellation must be made in a form approved by the Committee and shall not be effective until received by the Committee. If no beneficiary has been named, or the designated beneficiary or beneficiaries shall have predeceased the

Participant, the beneficiary shall be the Participant's spouse or, if no spouse survives the Participant, the Participant's estate. If a Participant designates more than one beneficiary, the rights of such beneficiaries shall be payable in equal shares, unless the Participant has designated otherwise.

(d) No Right of Continued Employment. Nothing in this Plan shall be construed as conferring upon any Participant any right to continue in the employment of the Company or any of its Subsidiaries.

(e) No Limitation on Corporate Actions. Nothing contained in the Plan shall be construed to prevent the Company or any Subsidiary from taking any corporate action which is deemed by it to be appropriate or in its best interest, whether or not such action would have an adverse effect on any awards made under the Plan. No employee, beneficiary or other person shall have any claim against the Company or any Subsidiary as a result of any such action.

(f) Nonalienation of Benefits. Except as expressly provided herein, no Participant or beneficiary shall have the power or right to transfer, anticipate, or otherwise encumber the Participant's interest under the Plan. The Company's obligations under this Plan are not assignable or transferable except to (i) a corporation which acquires all or substantially all of the Company's assets or (ii) any corporation into which the Company may be merged or consolidated. The provisions of the Plan shall inure to the benefit of each Participant and the Participant's beneficiaries, heirs, executors, administrators or successors in interest.

33

(g) Withholding. Any amount payable to a Participant or a beneficiary under this Plan shall be subject to any applicable federal, state and local income and employment taxes and any other amounts that the Company or a Subsidiary is required at law to deduct and withhold from such payment.

(h) Severability. If any provision of this Plan is held unenforceable, the remainder of the Plan shall continue in full force and effect without regard to such unenforceable provision and shall be applied as though the unenforceable provision were not contained in the Plan.

(i) Governing Law. The Plan shall be construed in accordance with and governed by the laws of the State of Delaware, without reference to the principles of conflict of laws.

(j) Headings. Headings are inserted in this Plan for convenience of reference only and are to be ignored in a construction of the provisions of the Plan.
