INTRODUCTION

This Proxy Statement is furnished to the shareholders of Landstar System, Inc. (the "Company") in connection with the solicitation of proxies on behalf of the Board of Directors of the Company (the "Board") to be voted at the Annual Meeting of Shareholders to be held on Wednesday, May 16, 2001 at 10:00 a.m., local time (the "2001 Annual Meeting"). The 2000 Annual Report to Shareholders (which does not form a part of the proxy solicitation material), including the financial statements of the Company for fiscal year 2000, is enclosed herewith. The mailing address of the principal executive offices of the Company is 13410 Sutton Park Drive South, Jacksonville, Florida 32224. This Proxy Statement, accompanying form of proxy, Notice of Meeting and 2000 Annual Report are being mailed to the shareholders of the Company on or about March 23, 2001.

RECORD DATE

The Board has fixed the close of business on March 20, 2001 as the record date for the 2001 Annual Meeting. Only shareholders of record on that date will be entitled to vote at the meeting in person or by proxy.

PROXIES

Shares cannot be voted at the meeting unless the owner thereof is present in person or by proxy. The proxies named on the enclosed proxy card were appointed by the Board to vote the shares represented by the proxy card. If a shareholder does not return a signed proxy card, his or her shares cannot be voted by proxy. Shareholders are urged to mark the boxes on the proxy card to show how their shares are to be voted. All properly executed and unrevoked proxies in the accompanying form that are received in time for the meeting will be voted at the meeting or any adjournment thereof in accordance with any specification thereon, or if no specification is made, will be voted "FOR" the election of the named nominees and ratification of KPMG LLP as independent auditors for the Company as set forth in this Notice of 2001 Annual Meeting. The proxy card also confers discretionary authority on the proxies to vote on any other matter not presently known to management that may properly come before the 2001 Annual Meeting.

Any proxy delivered pursuant to this solicitation is revocable at the option of the person(s) executing the same (i) upon receipt by the Company before the proxy is voted of a duly executed proxy bearing a later date, (ii) by written notice of revocation to the Secretary of the Company received before the proxy is voted, or (iii) by such person(s) voting in person at the 2001 Annual Meeting.

The Board has selected Mellon Investor Services, L.L.C. as Inspectors of Election (the "Inspectors") pursuant to the Company's Bylaws, as amended. The Inspectors shall ascertain the number of shares outstanding, determine the number of shares represented at the 2001 Annual Meeting by proxy or in person and count all votes and ballots. Each shareholder shall be entitled to one vote for each share of Common Stock (as defined hereafter) and such votes may be cast either in person or by written proxy.

VOTING SECURITIES

The Company has only one class of voting securities, its common stock, par value \$.01 per share (the "Common Stock") outstanding. On March 20, 2001, 8,518,533 shares of Common Stock were outstanding. At the 2001 Annual Meeting, each shareholder of record at the close of business on March 20, 2001 will be entitled to one vote for each share of Common Stock owned on that date as to each matter properly presented

1

to the 2001 Annual Meeting. The holders of a majority of the total number of the issued and outstanding shares of Common Stock shall constitute a quorum for purposes of the 2001 Annual Meeting.

ELECTION OF DIRECTORS

The Board is divided into three classes, with Directors in each class serving staggered three-year terms. At each annual meeting of shareholders, the terms of Directors in one of the three classes expire. At that annual meeting of shareholders, Directors are elected in a class to succeed the Directors whose terms expire, with the terms of the Directors so elected to expire at the third annual meeting of shareholders thereafter. Pursuant to the Company's Bylaws, new Directors elected by the remaining Board members to fill a vacancy on the Board shall hold office for a term expiring at the annual meeting of shareholders at which the term of office of the class of which they have been elected expires and until such Director's successors shall have been duly elected and qualified. There are seven members of the Board of Directors; three Class II Directors to be elected at the 2001 Annual Meeting of Shareholders (whose members' terms will expire at the 2004 Annual Meeting of Shareholders), two Class III Directors whose terms will expire at the 2002 Annual Meeting of Shareholders, and two Class I Directors whose terms will expire at the 2003 Annual Meeting of Shareholders.

It is intended that the shares represented by the accompanying form of proxy will be voted at the 2001 Annual Meeting for the election of nominees Merritt J. Mott, William S. Elston and Diana M. Murphy as the Directors comprising Class II whose members' terms will expire at the 2004 Annual Meeting of Shareholders, unless the proxy specifies otherwise. Each nominee has indicated his or her willingness to serve as a member of the Board, if elected.

If, for any reason not presently known, Merritt J. Mott, William S. Elston or Diana M. Murphy are not available for election at the time of the 2001 Annual Meeting, the shares represented by the accompanying form of proxy may be voted for the election in his/her/their stead of substitute nominee(s) designated by the Board or a committee thereof, unless the proxy withholds authority to vote for all nominees.

Assuming the presence of a quorum, to be elected, a nominee must receive the affirmative vote of the holders of a majority of the Common Stock, present, in person or by proxy, at the 2001 Annual Meeting. Abstentions from voting and broker non-votes will have no effect on the outcome of this proposal.

THE BOARD RECOMMENDS A VOTE FOR THIS PROPOSAL

Indebtedness of Management

In connection with the relocation of the Company's corporate headquarters from Shelton, Connecticut to Jacksonville, Florida, the Company made loans to Messrs. Crowe, Gerkens and LaRose, in 1997, and to Messrs. Luminati and Harvey in 1998, in the amounts of \$200,000, \$100,000, \$80,000, \$80,000 and \$40,000, respectively, to assist them in their individual relocations to the Jacksonville area. Each loan made bears interest at a rate of 7.5% and is repayable annually over a five year period. On each anniversary date of such loan, the principal and interest amounts then due will be forgiven provided the executive is still employed by the Company.

In 1998, the Company made loans to Messrs. Crowe, Gerkens and LaRose in the amounts of \$925,000, \$277,500 and \$92,500, in connection with the exercise of options to purchase 50,000, 15,000 and 5,000 shares of the Company's Common Stock at \$18.50 per share, respectively. In 1999, the Company made loans to Messrs. Crowe, Gerkens and LaRose in the amounts of \$242,833, \$71,249 and \$28,323, respectively, to assist them with the income tax liability incurred as a result of the exercise of stock options. In 2000, Messrs. Crowe, Gerkens and LaRose repaid \$51,047, \$48,782 and \$23,000 of their income tax liability loans.

In 1999, the Company made loans to Messrs. Interest on the loans will be forgiven annually if the executives are still employed by the Company. Principal is repayable in a single lump sum on the fifth anniversary of the loan, or sooner under certain circumstances.

Key Executive Employment Protection Agreements

On January 23, 1998, the Board approved the execution of the Key Executive Employment Protection Agreements for Messrs. Crowe, Gerken, LaRose, Luminati, Hartter and Harvey. Each agreement provides certain severance benefits in the event of a change of control of the Company (as defined in the agreements). Each agreement provides, generally, that if a covered executive's employment is terminated by the Company without "cause" (as defined in the agreements) or by the executive for good reason (as so defined), in either such case, in connection with or within the two year period following the change in control or if a covered executive terminates his employment for any reason six months following the change in control, such executive will be entitled to severance benefits consisting of a cash amount equal to three times for Mr. Crowe, two times for Mr. Gerken and one time for Messrs. LaRose, Luminati, Hartter and Harvey of the sum of (A) the executive's annual base salary; and (B) the amount that would have been payable to the executive as a target bonus for the year in which the change of control occurs. Each agreement also provides for continuation of medical benefits and for certain tax gross-ups to be made to a covered executive in the event payments to the executive are subject to the excise tax on "parachute payments" imposed under Section 4999 of the Internal Revenue Code of 1986.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

Overall Policy

The Company's executive compensation philosophy is designed to attract and retain the best possible executive talent and to motivate these executives to develop and implement the Company's business strategy. These objectives are to be attained by tying a significant portion of each executive's compensation to the Company's success in meeting specified corporate performance goals and, through the grant of stock options, to appreciation in the Company's stock price. Additionally, the Company also recognizes individual contributions as well as overall business results.

The executive compensation program is reviewed annually by the Compensation Committee. Periodically, at the Compensation Committee's sole discretion, an independent review of the executive compensation program may be performed by outside consultants.

The Compensation Committee is responsible for decisions regarding executive compensation, including a determination of the compensation awarded to those individuals whose compensation is detailed in this proxy statement, subject to review by the Board. The key elements of the Company's executive compensation consist of base salary, annual bonus and stock options. The Compensation Committee's policies with respect to each of these elements, including the basis for the compensation awarded to Mr. Crowe, the Company's chief executive officer, are discussed below.

Base Salaries

Base salaries for newly hired executive officers are initially determined by evaluating the responsibilities of the position held and the experience of the individual. Salary adjustments are determined by evaluating the performance of the Company and of each executive officer, and also take into account new responsibilities. In the case of executive officers with responsibility for an operating subsidiary, the financial results of such operating subsidiary are also considered.

Annual Bonus

The Company's executive officers were eligible to receive an annual bonus under the Company's 2000 Incentive Compensation Plan (the "2000 ICP"). The 2000 ICP provided for bonus payments to be made to eligible executive officers upon achievement of a consolidated earnings per share target. The 2000 ICP provided for bonus payments to be made to eligible corporate and operating subsidiary employees upon the achievement of a consolidated earnings per share target or an operating income target or a combination thereof. These performance criteria were established at the beginning of 2000 by the Compensation Committee.

In February 2001, all executive officers, including the Named Executives, received bonuses pursuant to the 2000 ICP. The Compensation Committee, in awarding these bonus amounts, considered the overall Company's performance and the criteria established at the beginning of the year.

Stock Options

Under the Company's 1993 Stock Option Plan, stock options are granted to the Company's executive officers and certain other key employees. The Compensation Committee determines the number of stock options to be granted pursuant to guidelines it develops based on an officer's, or other key employee's, job responsibilities and individual performance evaluation. Stock options are granted with an exercise price equal to the fair market value of the Common Stock on the date of grant and generally vest over five years. This approach is designed to encourage the creation of long-term shareholder value since no benefit can be realized from such options unless the stock price exceeds the exercise price.

As of March 6, 2001, Mr. Crowe held 160,176 shares of the Company's Common Stock and held options to purchase an additional 74,100 shares. The Compensation Committee believes that significant equity interests in the Company held by the Company's management helps to align the interests of shareholders and management and maximize shareholder returns over the long term.

Policy as to Section 162(m) of the Code

Section 162(m) of the Internal Revenue Code of 1986, as amended, generally denies a publicly traded company a federal income tax deduction for compensation in excess of \$1 million paid to certain of its executive officers unless the amount of such excess is payable based solely upon the attainment of objective performance criteria. The Company has undertaken to qualify substantial components of the incentive compensation it makes available to its executive officers for the performance exception to nondeductibility. Stock option grants under the Company's 1993 Employee Stock Option Plan currently meet these requirements. In 1995, the Company received shareholder approval for the Management Incentive Compensation Plan so that annual awards payable thereunder would qualify for the performance exception under Section 162(m). The Compensation Committee believes that tax deductibility of compensation is an important factor, but not the sole factor, to be considered in setting executive compensation policy. Accordingly, the Compensation Committee generally intends to take such reasonable steps as are required to avoid the loss of a tax deduction due to Section 162(m) but reserves the right to pay amounts which are not deductible in appropriate circumstances.

Conclusion

Through the programs described above, a very significant portion of the Company's executive compensation is linked directly to significant thresholds of corporate performance and stock price appreciation. The Company's results achieved the target criteria established in the 2000 ICP. As such, bonuses were paid under the 2000 ICP. The Committee will continue to review all executive compensation and benefit matters

13

presented to it and will act based upon the best information available to it and in the best interests of the Company, its shareholders and employees.

APPENDIX A

LANDSTAR SYSTEM, INC. AUDIT COMMITTEE OF THE BOARD OF DIRECTORS CHARTER

I. PURPOSE

The primary function of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities by reviewing: the financial reports and other financial information provided by the Corporation to any governmental body or the public; the Corporation's systems of internal controls regarding finance, accounting, legal compliance and ethics that management and the Board have established; and the Corporation's auditing, accounting and financial reporting processes generally. Consistent with this function, the Audit Committee should encourage continuous improvement of, and should foster adherence to, the Corporation's policies, procedures and practices at all levels. The Audit Committee's primary duties and responsibilities are to:

Serve as an independent and objective party to monitor the Corporation's financial reporting process and internal control system.

Review and appraise the audit efforts of the Corporation's independent accountants.

Provide an open avenue of communication among the independent accountants, financial and senior management, and the Board of Directors.

The Audit Committee will primarily fulfill these responsibilities by carrying out the activities enumerated in Section IV of this Charter.

II. COMPOSITION

The Audit Committee shall be comprised of three or more directors as determined by the Board, each of whom shall be independent directors, and free from any relationship that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Committee. A director will not be considered "independent" if, among other things, he or she has:

- been employed by the corporation or its affiliates in the current or past three years;
- accepted any compensation from the corporation or its affiliates in excess of \$60,000 during the previous fiscal year (except for board service, retirement plan benefits, or non-discretionary compensation);
- an immediate family member who is, or has been in the past three years, employed by the corporation or its affiliates as an executive officer;
- been a partner, controlling shareholder or an executive officer of any for-profit business to which the corporation made, or from which it received, payments (other than those which arise solely from investments in the corporation's securities) that exceed five percent of the

organization's consolidated gross revenues for that year, or \$200,000, whichever is more in any of the past three years; or

- been employed as an executive of another entity where any of the company's executives serve on that entity's compensation committee.

All members of the Committee shall have a working familiarity with basic finance and accounting practices, and at least one member of the Committee members may enhance their familiarity with finance and accounting by participating in educational programs conducted by the Corporation or an outside consultant.

The members of the Committee shall be elected by the Board at the annual organizational meeting of the Board or until their successors shall be duly elected and qualified. Unless a Chair is elected by the full Board, the members of the Committee may designate a Chair by majority vote of the full committee membership.

III. MEETINGS

The Committee shall meet at least twice annually, or more frequently as circumstances dictate. As part of its job to foster open communication, the Committee should meet at least annually with management, the independent accountants in separate executive sessions to discuss any matters that the Committee or each of
