Item 7.01 Regulation FD Disclosure.

As previously announced, on June 1, 2021, James B. Gattoni, President and Chief Executive Officer of Landstar System, Inc. (“Landstar” or the “Company”), will appear at approximately 11:20 a.m. EST on behalf of the Company at KeyBanc Capital Markets’ virtual Industrials & Basic Materials Conference. It is anticipated that Mr. Gattoni will provide an update with respect to the Company’s truckload volumes, truck revenue per load, revenue and diluted earnings per share guidance for the Company’s second fiscal quarter provided in its 2021 first quarter earnings release, a copy of which was furnished as an exhibit to a Current Report on Form 8-K filed with the Securities and Exchange Commission on April 21, 2021.

Mr. Gattoni intends to state during his webcast remarks at the conference that based on overall market conditions and trends in the number of loads and revenue per load on loads hauled via truck through the first seven weeks of the Company’s 2021 second quarter, the Company anticipates both revenue and diluted earnings per share to be slightly above the high end of the Company’s previously issued guidance. The improved guidance reflects truckload volume currently trending above the 2021 first quarter in a low double-digit percentage range, and revenue per load on loads hauled via truck trending above the 2021 first quarter in a high-single-digit percentage range. As such, Mr. Gattoni further intends to state that (i) revenue for the 2021 second quarter is expected to be slightly above the high end of the previous guidance of \$1.45 billion, and (ii) based on that slightly higher revenue estimate and insurance and claims expense anticipated to be approximately 4.3% of BCO Independent Contractor revenue, diluted earnings per share for the 2021 second quarter is expected to be slightly above \$2.30, the high end of the previously issued diluted earnings per share guidance.

The information furnished under Item 7.01 of this Current Report on Form 8-K shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933.
