PROXY STATEMENT

March 24, 2004

INTRODUCTION

This Proxy Statement is furnished to the stockholders of Landstar System, Inc. (the "Company") in connection with the solicitation of proxies on behalf of the Board of Directors of the Company (the "Board") to be voted at the Annual Meeting of Stockholders to be held on Thursday, May 13, 2004 at 10:00 a.m., local time (the "2004 Annual Meeting"). The 2003 Annual Report to Stockholders (which does not form a part of the proxy solicitation material), including the financial statements of the Company for fiscal year 2003, is enclosed herewith. The mailing address of the principal executive offices of the Company is 13410 Sutton Park Drive South, Jacksonville, Florida 32224. This Proxy Statement, accompanying form of proxy, Notice of 2004 Annual Meeting and 2003 Annual Report are being mailed to the stockholders of the Company on or about March 24, 2004.

RECORD DATE

The Board has fixed the close of business on March 19, 2004 as the record date for the 2004 Annual Meeting. Only stockholders of record on that date will be entitled to vote at the meeting in person or by proxy.

PROXIES

Shares cannot be voted at the meeting unless the owner thereof is present in person or by proxy. The proxies named on the enclosed proxy card were appointed by the Board to vote the shares represented by the proxy card. If a stockholder does not return a signed proxy card, his or her shares cannot be voted by proxy. Stockholders are urged to mark the boxes on the proxy card to show how their shares are to be voted. All properly executed and unrevoked proxies in the accompanying form that are received in time for the meeting will be voted at the meeting or any adjournment thereof in accordance with any specification thereon, or if no specification is made, will be voted "FOR" each of the following proposals: (i) the election of the named nominees, (ii) the ratification of KPMG LLP as independent auditors for the Company and (iii) the approval of the amendment to Article IV of the Company's Restated Certificate of Incorporation, as amended, (the "Certificate of Incorporation") to increase the number of authorized shares of Common Stock of the Company. Each of these proposals is more fully described in this Notice of 2004 Annual Meeting. The proxy card also confers discretionary authority on the proxies to vote on any other matter not presently known to management that may properly come before the 2004 Annual Meeting.

Any proxy delivered pursuant to this solicitation is revocable at the option of the person(s) executing the same (i) upon receipt by the Company before the proxy is voted of a duly executed proxy bearing a later date, (ii) by written notice of revocation to the Secretary of the Company received before the proxy is voted or (iii) by such person(s) voting in person at the 2004 Annual Meeting.

The Board has selected The Bank of New York as Inspectors of Election (the "Inspectors") pursuant to Article I of the Company's Bylaws, as amended and restated (the "Bylaws"). The Inspectors shall ascertain the number of shares outstanding, determine the number of shares represented at the 2004 Annual Meeting by proxy or in person and count all votes and ballots. Each stockholder shall be entitled to one vote for each share of Common Stock (as defined hereafter) and such votes may be cast either in person or by written proxy.

PROXY SOLICITATION

The cost of the preparation of proxy materials and the solicitation of proxies will be paid by the Company. The Company has engaged Georgeson Shareholder Communications, Inc. as the proxy solicitor for the meeting for a fee of approximately \$6,500 plus reasonable expenses. In addition to the use of the mails, certain directors, officers or employees of the Company may solicit proxies by telephone or personal contact. Upon request, the Company will reimburse brokers, dealers, banks and trustees, or their nominees, for reasonable expenses incurred by them in forwarding proxy materials to beneficial owners of shares.

STOCKHOLDER COMMUNICATIONS WITH THE BOARD OF DIRECTORS

A description of the procedures as to how stockholders may send communications to the Board of Directors or individual Board members are included on the Company's website at www.landstar.com under corporate governance.

VOTING SECURITIES

Shares of the Company's common stock, par value \$.01 per share (the "Common Stock"), are the only class of voting securities of the Company which are outstanding. On March 19, 2004, _____ shares of Common Stock were outstanding. At the 2004 Annual Meeting, each stockholder of record at the close of business on March 19, 2004 will be entitled to one vote for each share of Common Stock owned on that date as to each matter properly presented to the 2004 Annual Meeting. The holders of a majority of the total number of the issued and outstanding shares of Common Stock shall constitute a quorum for purposes of the 2004 Annual Meeting.

PROPOSAL NUMBER ONE — ELECTION OF DIRECTORS

The Board is divided into three classes (Class I, Class II and Class III), with Directors in each class serving staggered three-year terms. At each Annual Meeting of Stockholders, the terms of Directors in one of these three classes expire. At that Annual Meeting of Stockholders, Directors are elected in a class to succeed the Directors whose terms expire, with the terms of that class of Directors so elected to expire at the third annual meeting of stockholders thereafter. Pursuant to the Company's Bylaws, new Directors elected by the remaining Board members to fill a vacancy on the Board shall hold office for a term expiring at the Annual Meeting of Stockholders at which the term of office of the class of which they have been elected expires and until such Director's successors shall have been duly elected and qualified. There are seven members of the Board of Directors: three Class II Directors to be elected at the 2004 Annual Meeting of Stockholders (whose members' terms will expire at the 2007 Annual Meeting of Stockholders), two Class III Directors whose terms will expire at the 2005 Annual Meeting of Stockholders and two Class I Directors whose terms will expire at the 2006 Annual Meeting of Stockholders.

It is intended that the shares represented by the accompanying form of proxy will be voted at the 2004 Annual Meeting for the election of nominees William S. Elston, Merritt J. Mott and Diana M. Murphy as Class II Directors, unless the proxy specifies otherwise. Each Class II Director's term will expire at the 2007 Annual Meeting of Stockholders. Each nominee has indicated his or her willingness to serve as a member of the Board, if elected.

If, for any reason not presently known, any of William S. Elston, Merritt J. Mott or Diana M. Murphy is not available for election at the time of the 2004 Annual Meeting, the shares represented by the accompanying form of proxy may be voted for the election of one or more substitute nominee(s) designated by the Board or a committee thereof, unless the proxy withholds authority to vote for such substitute nominee(s).

Assuming the presence of a quorum, to be elected, a nominee must receive the affirmative vote of the holders of a majority of the Common Stock, present, in person or by proxy, at the 2004 Annual Meeting. Abstentions from voting and broker non-votes will have no effect on the outcome of this proposal.

THE BOARD RECOMMENDS A VOTE FOR THIS PROPOSAL

INFORMATION REGARDING BOARD OF DIRECTORS AND COMMITTEES

The business of the Company is managed under the direction of the Board. The Board meets on a regularly scheduled basis four times a year to review significant developments affecting the Company and to act on matters requiring Board approval. It also holds special meetings and acts by written consent when important matters require Board action between scheduled meetings.

Attendance at Annual Meetings

Each member of the Board of Directors is required to attend all meetings (whether special or annual) of the stockholders of the Company. In the case where a Company director is unable to attend a special or annual stockholders meeting, such absence shall be publicly disclosed in the immediately proceeding Proxy Statement on Schedule 14A filed with the Securities and Exchange Commission and an explanation for such absence shall be provided to the Company's Nominating and Corporate Governance Committee. Any consideration of additional Company action, as appropriate, with respect to such absence shall be solely within the discretion of the Nominating and Corporate Governance Committee. All Board members attended the Annual Meeting of Stockholders held on May 15, 2003.

Attendance at Board Meetings

During the 2003 fiscal year, the Board held four regularly scheduled meetings, two telephonic meetings and acted twice by unanimous written consent. During such fiscal year, each Director attended 75% or more of the total number of meetings during such periods of the Board and each committee of the Board on which such Director serves.

Independent Directors

Each of David G. Bannister, Ronald W. Drucker, William S. Elston, Merritt J. Mott and Diana M. Murphy is an "independent director", as defined in Rule 4200(a)(15) of the National Association of Securities Dealers ("NASD") listing standards (such Directors are, collectively, the "Independent Directors"). The Independent Directors of the Board held four meetings during fiscal year 2003 without the presence of management or any inside directors.

Committees of the Board

The Board has established an Audit Committee, a Compensation Committee, a Nominating and Corporate Governance Committee, a Safety Committee and a Strategic Planning Committee to devote attention to specific subjects and to assist in the discharge of its responsibilities. The functions of those committees and the number of meetings held during 2003 are described below. The Board does not have an Executive Committee. In addition, the Board has established a Disclosure Committee comprised of members of management, including the two employee members of the Board, to establish and maintain certain disclosure controls and procedures to ensure accurate and timely disclosure in the Company's periodic reports filed with the Securities and Exchange Commission.

Table of Contents

The Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee are each comprised of all of the Independent Directors. The Safety Committee and Strategic Planning Committee are each comprised of all members of the Board of Directors.

Audit Committee

The Audit Committee (i) appoints the independent auditors for the Company and monitors the performance of such firm, (ii) reviews and approves the scope and results of the annual audit, (iii) evaluates with the independent auditors the Company's annual audit and annual consolidated financial statements, (iv) reviews with management the status of internal accounting controls, (v) reviews and maintains procedures for the anonymous submission of complaints concerning accounting and auditing irregularities, and (vi) reviews problem areas having a potential financial impact on the Company which may be brought to its attention by management, the independent auditors or the Board. In addition, the Audit Committee preapproves all non-audit related services provided by the independent auditors and approves the independent auditors' fees for services rendered to the Company. During the 2003 fiscal year, the Audit Committee held ten meetings. The Charter of the Audit Committee is attached as Appendix A hereto and is also available on the Company's website at www.landstar.com under corporate governance.

Compensation Committee

The Compensation Committee functions include (i) reviewing and making determinations with respect to matters having to do with the compensation of executive officers and Directors of the Company and (ii) administering certain plans relating to the compensation of officers and Directors. During the 2003 fiscal year, the Compensation Committee held four meetings and one telephonic meeting.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee functions include identifying persons for future nomination for election to the Board of Directors. During the 2003 fiscal year, the Nominating and Corporate Governance Committee held one meeting. Stockholders who wish to submit names to the Nominating and Corporate Governance Committee for consideration should do so in writing addressed to the Nominating and Corporate Governance Committee, c/o Corporate Secretary, Landstar System, Inc., 13410 Sutton Park Drive South, Jacksonville, Florida 32224. A copy of the Charter of the Nominating and Corporate Governance Committee was approved and adopted by the Board of Directors at the February 27, 2004 board meeting, and is attached as Appendix B hereto. A copy of the Charter of the Nominating and Corporate Governance Committee is included on the Company's website at www.landstar.com under corporate governance. The purposes, membership, duties and responsibilities of the Nominating and Corporate Governance Committee are more fully described in Appendix B.

The Nominating and Corporate Governance Committee considers candidates for Board membership suggested by its members and other Board members, as well as management and stockholders. There are no differences in the manner in which the Nominating and Corporate Governance Committee evaluates nominees for the Board of Directors based on whether or not the nominee is recommended by a stockholder. The Nominating and Corporate Governance Committee evaluates prospective nominees against a number of minimum standards and qualifications, including business experience and financial literacy. The Committee also considers such other factors as it deems appropriate, including the current composition of the Board, the balance of management and independent directors, the need for Audit Committee expertise and the evaluations of other prospective nominees. The Committee then determines whether to interview the prospective nominees, and, if warranted, one or more of the members of the Nominating and Corporate Governance Committee, and others as appropriate, interview such prospective nominees whether in person or by telephone. After completing this evaluation and interview, the Nominating and Corporate Governance Committee makes a recommendation to the full Board of Directors as to the persons who should be nominated by the Board of Directors. The Board of Directors then determines the nominees after considering the recommendation and report of the Nominating and Corporate Governance Committee.

Safety Committee

The Safety Committee functions include the development and implementation of safety goals and strategies to be implemented by the Company. During the 2003 fiscal year, the Safety Committee held two meetings and did not act by written consent.

Strategic Planning Committee

The Strategic Planning Committee functions include the development of strategic objectives and policies and procedures to achieve the strategic objectives of the Company. The Strategic Planning Committee solicits the views of the Company's senior management and determines strategic directions for implementation. During the 2003 fiscal year, the Strategic Planning Committee held two meetings and did not act by written consent.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board is responsible for providing independent, objective oversight of the Company's accounting functions and internal controls. The Audit Committee has the sole authority and responsibility to select, evaluate and, when appropriate, replace the Company's independent auditors. The Audit Committee is comprised of all of the Independent Directors. The Audit Committee operates under a written charter approved by the Board of Directors.

Management is responsible for the Company's internal controls and financial reporting process. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards accepted in the United States of America and to issue a report thereon. The Audit Committee's responsibility is to monitor these processes. The Audit Committee is not, however, professionally engaged in the practice of accounting or auditing and does not provide any expert or other special assurance as to such financial statements concerning compliance with laws, regulations or generally accepted accounting principles or as to auditor independence. The Audit Committee relies, without independent verification, on the information provided to it and on presentations and statements of fact made by management and the independent auditors.

In connection with these responsibilities, as discussed elsewhere in this Proxy, the Audit Committee held ten meetings during 2003. These meetings were designed, among other things, to facilitate and encourage communication among the Audit Committee, management and the independent auditors. The Audit Committee discussed with the independent auditors the overall scope and plans for their audit. The Audit Committee also met with the independent auditors, with and without management present, during 2004 to discuss the December 27, 2003 financial statements and their observations regarding the Company's internal controls. The Audit Committee also reviewed and discussed the December 27, 2003 financial statements with management. The Audit Committee also discussed with the independent auditors the matters required by Statement on Auditing Standards No. 61 (Communication with Audit Committees) and also received written disclosures from the independent auditors required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). The Audit Committee had discussions with the independent auditors concerning the independence of the independent auditors under the rules and regulations governing auditor independence promulgated under the Sarbanes-Oxley Act. The Audit Committee had discussions with management concerning the process used to support certifications by the Company's Chief Executive Officer and Chief Financial Officer that are required by the Securities and Exchange Commission and the Sarbanes-Oxley Act to accompany the Company's periodic filings with the Securities and Exchange Commission.

The Board of Directors has determined that Mr. David Bannister, an independent director as that term is used in Item 7(d)(3)(iv) of Schedule 14A under the Exchange Act, meets the SEC criteria of an "audit committee financial expert" under the standards established by Item 401(h)(2) of Regulations S-K under the Securities Act. Mr. Bannister's extensive background and experience includes serving as the Managing Director of Deutsche Bank Alex. Brown Incorporated and most recently as a General Partner of Grotech

[Table of Contents](#)

Capital Group, where Mr. Bannister participated in dealing with accounting, auditing and internal control and risk management issues.

During 2003, the Audit Committee preapproved the continuation of all non-audit services to be rendered to the Company by the independent auditors in 2003 (which services are disclosed elsewhere in this Proxy Statement) and concluded that these services were compatible with maintaining the independence of these auditors. For each fiscal year commencing with fiscal 2003, the Audit Committee expects to preapprove all non-audit services rendered to the Company by the independent auditors, including all related fee arrangements.

Based upon the Audit Committee's discussions with management and the independent auditors, and the Audit Committee's review of the representations of management and the independent auditors, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 27, 2003, to be filed with the Securities and Exchange Commission. The Audit Committee has also selected KPMG LLP as the Company's independent auditors for the fiscal year ending December 25, 2004 and have recommended to the Board that this selection be presented to the stockholders for ratification.

Indebtedness of Management

In 2001, under an employee stock option loan program, the Company made a loan to Mr. Hertwig in the amount of \$49,250 in connection with the exercise of options to purchase 4,000 shares of the Company's Common Stock at \$12.3125 per share. In 2003, Mr. Hertwig repaid this loan in full.

In accordance with the stock option loan program, interest on the loans was forgiven annually. On May 1, 2002, the Company ceased making loans under the employee stock option loan program and terminated the program with respect to future stock option exercises.

Key Executive Employment Protection Agreements and Other Arrangements

On January 23, 1998, the Board approved the execution of the Key Executive Employment Protection Agreements for Messrs. Crowe, Gerkens, LaRose, Hartter and Hertwig. On August 1, 2002, the Board approved certain amendments to these agreements. Each agreement, as amended, provides certain severance benefits in the event of a Change of Control of the Company (as defined in the agreements). Each agreement, as amended, provides, generally, that if a covered executive's employment is terminated by the Company without "cause" (as defined in the agreements) or by the executive for "good reason" (as so defined), in either such case, in connection with or within the two-year period following the Change of Control or if a covered executive terminates his employment for any reason six months following the Change of Control, such executive will be entitled to severance benefits consisting of a cash amount equal to three times for Messrs. Crowe and Gerkens, two times for Mr. LaRose and one time for Messrs. Hartter and Hertwig of the sum of (A) the executive's annual base salary; and (B) the amount that would have been payable to the executive as a target bonus for the year in which the Change of Control occurs. Each agreement also provides for continuation of medical benefits and for certain tax gross-ups to be made to a covered executive in the event payments to the executive are subject to the excise tax on "parachute payments" imposed under Section 4999 of the Internal Revenue Code of 1986. In addition, in July of 2002, the Compensation Committee of the Board of Directors exercised its discretionary authority under the Company's 1993 Stock Option Plan and its Executive Incentive Compensation Plan to determine that in the event Mr. Gerkens' employment with the Company is or is likely to be terminated for any reason in connection with a Change of Control (as such term is defined in the 1993 Stock Option Plan), (i) each vested and unexercised option granted to Mr. Gerkens prior to such Change of Control will be "cashed out" for an amount equal to the excess of the Change of Control Price (as such term is defined in the 1993 Stock Option Plan) over the exercise price of such option and (ii) Mr. Gerkens will receive, with respect to any Change of Control occurring prior to the end of any calendar year, a pro-rated bonus for such year under the Executive Incentive Compensation Plan based on the bonus he would have received under such plan had he remained an employee of the Company through the end of the year in which such Change of Control occurs.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

Overall Policy

The Company's executive compensation philosophy is designed to attract and retain the best possible executive talent and to motivate these executives to develop and implement the Company's business strategy. These objectives are to be attained by tying a significant portion of each executive's compensation to the Company's success in meeting specified corporate performance goals and, through the grant of stock options, to appreciation in the Company's stock price. Additionally, the Company recognizes individual contributions as well as overall business results.

The executive compensation program is reviewed annually by the Compensation Committee. Periodically, at the Compensation Committee's sole discretion, an independent review of the executive compensation program may be performed by outside consultants.

The Compensation Committee is responsible for decisions regarding executive compensation, including a determination of the compensation awarded to those individuals whose compensation is detailed in this Proxy Statement, subject to review by the Board. The key elements of the Company's executive compensation consist of base salary, annual bonus and stock options. The Compensation Committee's policies with respect to each of these elements, including the basis for the compensation awarded to Mr. Crowe, the Company's chief executive officer, are discussed below.

Base Salaries

Base salaries for newly hired executive officers are initially determined by evaluating the responsibilities of the position held and the experience of the individual. Salary adjustments are determined by evaluating the performance of the Company and of each executive officer, and also take into account new responsibilities. In the case of executive officers with responsibility for an operating subsidiary, the financial results of such operating subsidiary are also considered. The committee approved the salaries of the executive officers for the 2004 fiscal year in an executive session of the committee during which no employee or inside director was present.

Annual Bonus

The Company's executive officers were eligible to receive an annual bonus under the Company's Executive Incentive Compensation Plan (the "EICP"). The EICP provided for bonus payments to be made to eligible Executive Officers upon achievement of a consolidated earnings per share target and to eligible subsidiary presidents upon the achievement of a consolidated earnings per share target or an operating income target or a combination thereof. These performance criteria were established at the beginning of 2003 by the Compensation Committee.

In January 2004, the Executive Officers and subsidiary presidents received bonuses pursuant to the EICP. The Compensation Committee, in awarding these bonus amounts, considered the overall Company's performance and the criteria established at the beginning of the year. The committee approved the payment of these bonuses in an executive session of the committee during which no employee or inside director was present.

Stock Options

Under the Company's 1993 Stock Option Plan (expired in 2003 as it relates to future grants) and the Company's 2002 Stock Option Plan, stock options are granted to the Company's executive officers and certain other key employees. The Compensation Committee determines the number of stock options to be granted pursuant to guidelines it develops based on an officer's, or other key employee's, job responsibilities and individual performance evaluation. Stock options are granted with an exercise price equal to the fair market value of the Common Stock on the date of grant and generally vest over three or five years. This approach is designed to encourage the creation of long-term stockholder value since no benefit can be realized from such options unless the stock price exceeds the exercise price.

[Table of Contents](#)

The Compensation Committee believes that significant equity interests held by management helps to align the interests of stockholders and management and maximizes stockholder returns over the long term.

Policy as to Section 162(m) of the Code

Section 162(m) of the Internal Revenue Code of 1986, as amended, generally denies a publicly traded company a federal income tax deduction for compensation in excess of \$1 million paid to certain of its executive officers unless the amount of such excess is payable based solely upon the attainment of objective performance criteria. The Company has undertaken to qualify substantial components of the incentive compensation it makes available to its executive officers for the performance exception to nondeductibility. Stock option grants under the Company's 1993 Employee Stock Option Plan and the Company's 2002 Employee Stock Option Plan currently meet these requirements. At the 2002 Annual Meeting, the Company received stockholder approval for the EICP so that any annual awards payable thereunder would qualify for the performance exception under Section 162(m). The Compensation Committee believes that tax deductibility of compensation is an important factor, but not the sole factor, to be considered in setting executive compensation policy. Accordingly, the Compensation Committee generally intends to take such reasonable steps as are required to avoid the loss of a tax deduction due to Section 162(m), but reserves the right to pay amounts which are not deductible in appropriate circumstances.

Compensation for the Chief Executive Officer

For fiscal year 2003, Mr. Crowe's base salary was \$436,000 and he was awarded a bonus of \$850,000. In addition, as of March 1, 2004, Mr. Crowe held 192,616 shares of the Company's Common Stock and held options to purchase an additional 539,520 shares.

The Compensation Committee used the executive compensation practices described above to determine Mr. Crowe's fiscal year 2003 base salary compensation.

Mr. Crowe's bonus was awarded pursuant to the EICP described above under "Annual Bonus." He received this bonus because the performance objectives relating to this bonus, which were based on a consolidated earnings per share target established at the beginning of 2003 by the Compensation Committee, were achieved.

In determining the stock option grant for Mr. Crowe, the Compensation Committee evaluated his total direct compensation compared to CEO's of comparable companies and determined that an award of stock options to purchase 60,000 shares of the Company common stock was appropriate to continue to accomplish the objectives set forth above under "Stock Options."

Conclusion

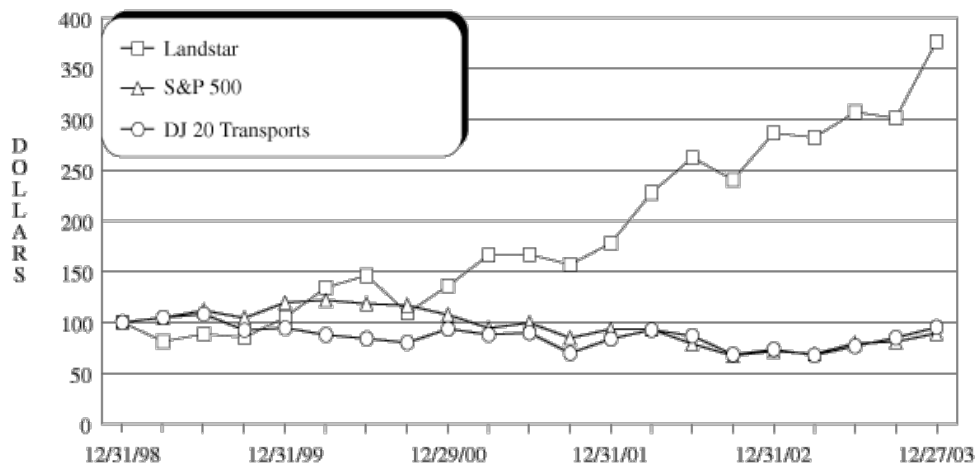

Through the programs described above, a very significant portion of the Company's executive compensation is linked directly to significant thresholds of corporate performance and stock price appreciation. The Company's results did achieve the target criteria established in the EICP. As such, bonuses were paid under the EICP. The Committee will continue to review all executive compensation and benefit matters presented to it and will act based upon the best information available to it and in the best interests of the Company, its stockholders and employees.

PROPOSAL NUMBER TWO —

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The firm of KPMG LLP served as independent auditors for the Company for the fiscal year ended December 27, 2003. In addition to retaining KPMG LLP to audit the consolidated financial statements of the Company and its subsidiaries, KPMG LLP rendered certain tax and employee benefit audit services to the Company in fiscal year 2003 and expects to continue to do so in 2004. The aggregate fees billed for professional services by KPMG LLP in fiscal years 2003 and 2002 for services consisted of the following:

AUDIT FEES: Fees for the audit of financial statements and quarterly reviews were \$508,000 for fiscal 2003 and \$487,000 for fiscal 2002.

AUDIT RELATED FEES: Fees for the audit of employee benefit plans and assistance documenting compliance with Section 404 of the Sarbanes-Oxley Act of 2002 were \$32,000 for fiscal 2003 and \$16,000 for fiscal 2002.

TAX FEES: Fees for assistance with tax compliance and tax audits were \$70,250 for fiscal 2003 and \$138,400 for fiscal 2002.

The Audit Committee has appointed that firm to continue in that capacity for fiscal year 2004, and has recommended to the Board that a resolution be presented to stockholders at the 2004 Annual Meeting to ratify that appointment. A representative of KPMG LLP will be present at the 2004 Annual Meeting and will have an opportunity to make a statement and respond to questions from stockholders as appropriate.

Assuming the presence of a quorum, to be approved, this proposal must receive the affirmative vote of the holders of a majority of the Common Stock, present, in person or by proxy, at the 2004 Annual Meeting. Abstentions from voting and broker non-votes will have no effect on the outcome of this proposal.

THE BOARD RECOMMENDS A VOTE FOR THIS PROPOSAL

**PROPOSAL NUMBER THREE — PROPOSAL TO AMEND COMPANY'S
CERTIFICATE OF INCORPORATION TO INCREASE

The Board of Directors recommends that Article IV, Section I of the Certificate of Incorporation be amended so as to increase the authorized number of shares of Common Stock, par value \$.01 per share, from 50,000,000 to 80,000,000. The main text of the proposed amendment would read as follows:

"The total number of shares of capital stock which the Corporation shall have the authority to issue is eighty-two million (82,000,000), consisting of (a) eighty million (80,000,000) shares of Common Stock, par value \$.01 per share, and (b) two million (2,000,000) shares of Preferred Stock, par value \$1.00 per share."

The Company presently has authority to issue a total number of 52,000,000 shares, consisting of (a) 50,000,000 shares of Common Stock and (b) 2,000,000 shares of Preferred Stock.

Table of Contents

As of the close of business on December 27, 2003, of the 50,000,000 shares of Common Stock presently authorized by the Certificate of Incorporation, 30,006,930 shares were issued and outstanding, 5,293,342 shares were reserved for issuance under the Company's stock option plans and Director's Stock Compensation Plan and 1,809,930 shares were held by the Company as treasury shares. Thus after deducting the shares reserved for issuance upon option exercises under the Company's stock option plans and awards granted under the Director's Stock Compensation Plan from treasury shares and authorized and unissued shares, the Company would have only 16,509,658 shares of Common Stock not reserved for other purposes. The small number of unissued and unreserved shares of Common Stock reflects in part the impact of the Company's two recent two-for-one stock splits, each effected in the form of a 100% stock dividend, distributed on August 12, 2002 and November 13, 2003. Adoption of this proposal would increase the number of authorized and unissued shares of Common Stock by 30,000,000 shares.

The Board of Directors believes that the Company does not have a sufficient number of authorized and unissued shares of Common Stock to give it the ability to react quickly and in the best interests of its stockholders to the various corporate opportunities and other circumstances which might merit the issuance of additional shares of Common Stock in the future. For instance, the additional shares of Common Stock under this proposal would provide the Company with the ability, if it wished to do so, to effect a stock split or a stock dividend, such as the two two-for-one stock splits referred to above. The additional shares would also facilitate the Company's ability to, among other things, structure and consummate financing transactions, mergers and acquisitions, employee stock plans and other corporate transactions in a timely fashion and without the expense and delay associated with calling a special stockholders' meeting to increase the authorized capital of the Company. In this regard, the Company notes that no further action or authorization by the Company's stockholders would be necessary prior to issuance of the additional shares of Common Stock contemplated by this proposal number three except as may be required by applicable law and the rules of the NASDAQ or any stock exchange on which the Company's securities may be listed in the future.

The Company has no current plans for the issuance of any shares of Common Stock, except with respect to issuances under the Company's stock option plans and Directors Stock Compensation Plan. However, since the Company has a sufficient number of existing authorized and unissued shares of Common Stock and treasury shares for purposes of the Company's stock option plans and Directors Stock Compensation Plan, approval of proposal number three is not necessary to effect this use.

The terms of the additional shares of Common Stock will be identical to those of the currently outstanding shares of Common Stock. This amendment will not alter the current number of issued shares. The relative rights and limitations of the shares of Common Stock would remain unchanged under this proposal.

The Company is not proposing to increase its authorized shares of Common Stock in order to impede a change of control of the Company and the Company is not aware of any current efforts to acquire control of the Company. However, under certain circumstances, the additional shares of Common Stock could be issued by the Company to defend against, or otherwise respond to, a hostile takeover bid. For instance, the Company could issue shares of Common Stock to dilute the stock ownership of a person or entity seeking to obtain control of the Company under a "poison pill" or other similar arrangement. The Company could also respond to an unsolicited takeover bid by issuing, in a private placement or otherwise, a significant portion of its securities with purchasers who might align with the Board of Directors in response to a specific change of control transaction affecting the Company. Moreover, the issuance of shares of Common Stock to persons friendly to the Board could make it more difficult to remove incumbent officers and directors from office even if such change could be considered favorable to stockholders generally. The Company also notes that certain provisions of its Certificate of Incorporation and Bylaws, including (i) its ability to issue "blank check" preferred stock, (ii) its staggered board of directors and (iii) provisions in its Bylaws limiting the ability of its stockholders to call special meetings and to propose business for consideration at annual meetings, could also under certain circumstances have the effect of discouraging attempts, or making it more difficult, to gain control of the Company.

Nevertheless, while the issuance of shares of Common Stock may have anti-takeover ramifications, the Board believes that the financial flexibility offered by this proposed amendment to the Certificate of

[Table of Contents](#)

Incorporation outweighs any such disadvantages. To the extent that the amendment may have anti-takeover effects, the amendment may encourage persons seeking to acquire the Company to negotiate directly with the Board enabling the Board to consider the proposed transaction in a manner that best serves the stockholders' interests.

The issuance of the additional shares of Common Stock contemplated by this proposal number three also could have the effect in certain circumstances of, among other things, diluting earnings per share, book value per share or voting power of the currently outstanding shares of Common Stock.

The affirmative vote of holders of a majority of the outstanding shares of Common Stock is required for approval of this proposal. Consequently, any shares not voted (whether by abstention, broker non-vote or otherwise) will have the same effect as votes against the proposed amendment to the Company's Certificate of Incorporation. If the amendment is approved by the stockholders, it will become effective upon the filing of a Certificate of Amendment in accordance with the General Corporation Law of Delaware.

THE BOARD RECOMMENDS A VOTE FOR THIS PROPOSAL

No director may serve as a member of the Committee if such director serves on the audit committee of more than two other public companies, unless the Board determines that such simultaneous service would not impair the ability of such director to effectively serve on that Committee.

The Committee shall use its reasonable best efforts to ensure that each member of the Committee shall be able to read and understand fundamental financial statements, including a company's balance sheet, income statement and cash flow statement at the time the director joins the Committee.
