PROXY STATEMENT

April 12, 2012

INTRODUCTION

This Proxy Statement is furnished to the stockholders of Landstar System, Inc. (the "Company") in connection with the solicitation of proxies on behalf of the Board of Directors of the Company (the "Board") to be voted at the Annual Meeting of Stockholders to be held on Thursday, May 24, 2012 at 9:00 a.m., local time (the "2012 Annual Meeting"). The 2011 Annual Report to Stockholders (which does not form a part of the proxy solicitation material relating to this Proxy Statement), including the financial statements of the Company for fiscal year 2011, is enclosed herewith (the "2011 Annual Report"). The mailing address of the principal executive offices of the Company is 13410 Sutton Park Drive South, Jacksonville, Florida 32224. This Proxy Statement, accompanying form of proxy, Notice of 2012 Annual Meeting and 2011 Annual Report are being mailed to the stockholders of the Company on or about April 12, 2012.

RECORD DATE

The Board has fixed the close of business on March 29, 2012 as the record date for the 2012 Annual Meeting. Only stockholders of record on that date will be entitled to vote at the 2012 Annual Meeting in person or by proxy.

PROXIES

Shares cannot be voted at the 2012 Annual Meeting unless the owner thereof is present in person or by proxy. The proxies named on the enclosed proxy card were appointed by the Board to vote the shares of Common Stock of the Company, par value \$0.01 per share ("Common Stock"), represented by the proxy card. If a stockholder does not return a signed proxy card, his or her shares cannot be voted by proxy. Stockholders are urged to mark the boxes on the proxy card to show how his or her shares are to be voted. All properly executed and unrevoked proxies in the accompanying form that are received in time for the meeting will be voted at the meeting or any adjournment thereof in accordance with any specification thereon, or if no specification is made, will be voted as follows: (i) "FOR" the election of the two Class I Directors nominated by our Board of Directors and named in this proxy statement; (ii) "FOR" the ratification of KPMG LLP as the independent registered public accounting firm for the Company; (iii) "FOR" the proposal regarding an advisory vote on executive compensation; and (iv) "FOR" the approval of the Company's Executive Incentive Compensation Plan. Each of these proposals is more fully described in this Notice of 2012 Annual Meeting. The proxy card also confers discretionary authority on the proxies to vote on any other matter not presently known to management that may properly come before the 2012 Annual Meeting.

Any proxy delivered pursuant to this solicitation is revocable at the option of the person(s) executing the same (i) upon receipt by the Company before the proxy is voted of a duly executed proxy bearing a later date, (ii) by written notice of revocation to the Secretary of the Company received before the proxy is voted or (iii) by such person(s) voting in person at the 2012 Annual Meeting.

The Board has selected BNY Mellon Shareowner Services as Inspectors of Election (the "Inspectors") pursuant to Article I of the Company's Bylaws, as amended and restated (the "Bylaws"). The Inspectors shall ascertain the number of shares of Common Stock outstanding, determine the number of shares represented at the 2012 Annual Meeting by proxy or in person and count all votes and ballots. Each stockholder shall be entitled to one vote for each share of Common Stock and such votes may be cast either in person or by written proxy.

PROXY SOLICITATION

The cost of the preparation of proxy materials and the solicitation of proxies will be paid by the Company. The Company has engaged Georgeson Shareholder Communications, Inc. as the proxy solicitor for the 2012 Annual Meeting for a fee of approximately \$7,500 plus reasonable expenses. In addition to the use of the mails, certain directors, officers or employees of the Company may solicit proxies by telephone or personal contact. Upon request, the Company will reimburse brokers, dealers, banks and trustees, or their nominees, for reasonable expenses incurred by them in forwarding proxy materials to beneficial owners of shares.

STOCKHOLDER COMMUNICATIONS WITH THE BOARD OF DIRECTORS

A description of the procedures as to how stockholders may send communications to the Board or individual Board members is included on the Company's website at www.landstar.com under Investor Relations/Corporate Governance.

VOTING SECURITIES

Shares of the Company's Common Stock are the only class of voting securities of the Company which are outstanding. On March 29, 2012, 46,946,802 shares of Common Stock were outstanding. At the 2012 Annual Meeting, each stockholder of record at the close of business on March 29, 2012 will be entitled to one vote for each share of Common Stock owned on that date as to each matter properly presented to the 2012 Annual Meeting. The holders of a majority of the total number of the issued and outstanding shares of Common Stock on such date shall constitute a quorum for purposes of the 2012 Annual Meeting (a "Quorum").

PROPOSAL NUMBER ONE — ELECTION OF DIRECTORS

The Board is divided into three classes (Class I, Class II and Class III), with directors of the Board (collectively, "Directors") in each class serving staggered three-year terms. At each annual meeting of stockholders, the terms of Directors in one of these three classes expire. At that annual meeting of stockholders, Directors are elected to a Class to succeed the Directors whose terms are then expiring, with the terms of that Class of Directors so elected to expire at the third annual meeting of stockholders thereafter. Pursuant to the Bylaws, new Directors elected by the remaining Board members to fill a vacancy on the Board shall hold office for a term expiring at the annual meeting of stockholders at which the term of office of the Class of which they have been elected expires and until such Director's successors shall have been duly elected and qualified. There are currently six members of the Board: two Class I Directors whose terms will expire at the 2012 Annual Meeting, two Class II Directors whose terms will expire at the 2013 Annual Meeting of Stockholders and two Class III Directors whose terms will expire at the 2014 Annual Meeting of Stockholders. The Board may decide to expand the size of the Board and appoint a new director or directors in the future in accordance with the Bylaws.

The Board has nominated Jeffrey C. Crowe and Henry H. Gerkens for election as Class I Directors. It is intended that the shares represented by the accompanying form of proxy will be voted at the 2012 Annual Meeting for the election of nominees Jeffrey C. Crowe and Henry H. Gerkens as Class I Directors unless the proxy specifies otherwise. Each Class I Director's term will expire at the 2015 Annual Meeting of Stockholders. Each nominee has indicated his willingness to serve as a member of the Board, if elected.

If, for any reason not presently known, any of Jeffrey C. Crowe or Henry H. Gerkens is not available for election at the time of the 2012 Annual Meeting, the shares represented by the accompanying form of proxy may be voted for the election of one or more substitute nominee(s) designated by the Board or a committee thereof, unless the proxy withholds authority to vote for such substitute nominee(s).

Assuming the presence of a Quorum, to be elected, a nominee must receive the affirmative vote of a majority of the votes cast by the holders of the Common Stock with respect to that director's election at the 2012 Annual Meeting. Abstentions from voting and broker non-votes will have no effect on the outcome of this proposal.

THE BOARD RECOMMENDS A VOTE *FOR* THIS PROPOSAL

INFORMATION REGARDING BOARD OF DIRECTORS AND COMMITTEES

The business of the Company is managed under the direction of the Board. The Board meets on a regularly scheduled basis four times a year to review significant developments affecting the Company and to act on matters requiring Board approval. It also holds special meetings and acts by written consent when matters require Board action between scheduled meetings.

Attendance at Annual Meetings

Each member of the Board is required to attend all meetings (whether special or annual) of the stockholders of the Company. In the case where a Director is unable to attend a special or annual stockholders' meeting, such absence shall be publicly disclosed in the subsequent Proxy Statement on Schedule 14A filed by the Company with the Securities and Exchange Commission and an explanation for such absence shall be provided to the Company's Nominating and Corporate Governance Committee. Any consideration of additional Company action, as appropriate, with respect to such absence shall be solely within the discretion of the Nominating and Corporate Governance Committee. All Board members attended the Annual Meeting of Stockholders held on May 26, 2011 (the "2011 Annual Meeting"), with the exceptions of Mr. Henning and Ms. Murphy. Mr. Henning and Ms. Murphy were each unable to attend the 2011 Annual Meeting due to extremely adverse weather conditions that significantly disrupted air travel from the midwestern U.S. to the southeastern U.S. in advance of such meeting. Mr. Henning and Ms. Murphy were each available by phone during the 2011 Annual Meeting.

Attendance at Board Meetings

During the Company's 2011 fiscal year, the Board held four regularly scheduled meetings, seven telephonic meetings and did not act by unanimous written consent. During the Company's 2011 fiscal year, each Director attended 75% or more of the total number of meetings of the Board and all committees of the Board on which such Director serves.

Independent Directors

Each of David G. Bannister, William S. Elston, Michael A. Henning and Diana M. Murphy is an "independent director," as defined in Rule 5605(a)(2) of the Listing Rules of the NASDAQ Stock Market and meets the requirements of Rule 5605(c)(2)(A) of such rules (such Directors are, collectively, the "Independent Directors"). The Independent Directors of the Board held five meetings during fiscal year 2011 without the presence of management or any non-Independent Director.

Structure and Committees of the Board

The Board has established an Audit Committee, a Compensation Committee, a Nominating and Corporate Governance Committee, a Safety and Risk Committee and a Strategic Planning Committee to devote attention to specific subjects. The functions of these committees and the number of meetings held during 2011 are described below. The Board does not have an Executive Committee. In addition, the Board has established a Disclosure Committee comprised of members of management, including one employee member of the Board, to establish and maintain certain disclosure controls and procedures to ensure accurate and timely disclosure in the Company's periodic reports filed with the Securities and Exchange Commission.

Each of the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee consist of the Independent Directors, with a different Independent Director serving as the Chair for each such committee. In addition, Mr. Henning serves as the Chair of the two other committees of the Board, the Strategic Planning Committee and the Safety and Risk Committee, each of which is comprised of all six members of the Board. Moreover, the typical practice for each of the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee is to invite Messrs. Crowe and Gerkens, the two Directors who do not serve on those committees, to attend all regular meetings of these three committees, excluding, in the case of Mr. Gerkens, any meetings of the Compensation Committee concerning his executive compensation arrangements.

The Independent Directors previously elected William S. Elston to serve as the Lead Independent Director of the Board (the "Lead Independent Director") for such term as the Independent Directors may determine. The duties and responsibilities of the Lead Independent Director include: (i) to serve as a liaison between the Independent Directors and the other members of the Board; (ii) to preside as the chairperson at all meetings of the Independent Directors; (iii) to coordinate with the other Independent Directors of the Board to develop the agenda with respect to all meetings of the Independent Directors; (iv) to have the authority to call meetings of the Independent Directors; (v) to provide input to the Chairman of the Board on the preparation of meeting agendas and related materials for meetings of the Board; (vi) to approve the annual schedule of meetings of the Board; (vii) to ensure that the Independent Directors have adequate resources, including full, timely information necessary to enable them to perform their duties; and (viii) to communicate to management, as appropriate, the results of private discussions among the Independent Directors.

The leadership structure of the Board consists of: (i) a Chairman of the Board, who is also the Company's President and Chief Executive Officer; (ii) a Lead Independent Director; (iii) an Independent Director serving as Chair of the Audit Committee; (iv) an Independent Director serving as Chair of the Compensation Committee; (v) an Independent Director serving as Chair of the Nominating and Corporate Governance Committee; and (vi) an Independent Director serving as Chair of each of the other two committees of the Board, the Strategic Planning Committee and the Safety and Risk Committee. Each of the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee consist solely of Independent Directors.

The Board believes this leadership structure is appropriate for the Company as Mr. Gerkens is responsible for leading the overall strategic direction of the enterprise; however, the Independent Directors retain the decision making authority of the Board because the Independent Directors consist of a majority of the members of the Board. In addition, the Independent Directors constitute the sole members of the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee and a majority of members of the Strategic Planning Committee and the Safety and Risk Committee. The Board also believes that its leadership structure is supported by each of the Independent Directors serving as the Chair of at least one committee of the Board, as the Chair of each committee of the Board has responsibility for setting the agenda for each meeting of that committee. Mr. Elston, as Lead Independent Director, sets the agenda for the meetings of the Independent Directors. Further, the Company's internal audit function reports directly to the Audit Committee. Finally, there are no meetings of the Board or any committee of the Board at which each Independent Director is not an invited member, the Independent Directors meet regularly in executive session without Messrs. Crowe or Gerkens present, and the Independent Directors have significant input regarding the Board's agenda and information flow.

Audit Committee

The members of the Audit Committee are David G. Bannister, William S. Elston, Michael A. Henning and Diana M. Murphy, each an Independent Director.

The Charter of the Audit Committee was amended and restated by the Board at the May 26, 2011 Board meeting. The Charter of the Audit Committee more fully describes the purposes, membership, duties and responsibilities of the Audit Committee described herein. A copy of the Charter of the Audit Committee is available on the Company's website at www.landstar.com under Investor Relations/Corporate Governance.

The Audit Committee (i) appoints the independent registered public accounting firm for the Company and monitors the performance of such firm, (ii) reviews the scope and results of the annual audits, (iii) evaluates with the independent registered public accounting firm the Company's annual audit of the consolidated financial statements and audit of internal control over financial reporting, (iv) monitors the performance of the Company's internal audit function, (v) reviews with management the annual and quarterly financial statements, (vi) reviews with management and the internal auditors the status of internal control over financial reporting, (vii) reviews and maintains procedures for the anonymous submission of complaints concerning accounting and auditing irregularities and (viii) reviews problem areas having a potential financial impact on the Company which may be brought to its attention by management, the internal auditors, the independent registered public accounting firm, the Board or through an anonymous submission of complaints. In addition, the Audit Committee preapproves all non-audit related services provided by the independent registered public accounting firm and approves the independent registered public accounting firm's fees for services rendered to the Company. During the 2011 fiscal year, the Audit Committee held four meetings and six telephonic meetings.

Compensation Committee

The members of the Compensation Committee are David G. Bannister, William S. Elston, Michael A. Henning and Diana M. Murphy, each an Independent Director.

The Compensation Committee functions include (i) reviewing and making determinations with respect to matters having to do with the compensation of executive officers and Directors of the Company and (ii) administering certain plans relating to the compensation of officers and Directors. During the Company's 2011 fiscal year, the Compensation Committee held two meetings and one telephonic meeting.

The Charter of the Compensation Committee was approved and adopted by the Board at the August 1, 2007 Board meeting. The Charter of the Compensation Committee more fully describes the purposes, membership, duties and responsibilities of the Compensation Committee described herein. A copy of the Charter of the Compensation Committee is available on the Company's website at www.landstar.com under Investor Relations/Corporate Governance.

The Compensation Committee has full and complete discretion to establish the compensation payable to the Company's Chief Executive Officer and the other Executive Officers and oversees the compensation payable to other employees of the Company. With regard to the Executive Officers other than the Chief Executive Officer, the Compensation Committee considers the recommendations of the Chief Executive Officer. The Compensation Committee, following authorization by the Board, has delegated to the Company's Chief Executive Officer authority with respect to (i) management annual salary decisions up to \$150,000 per employee, (ii) the grant of up to 1,000 stock options per employee (other than Executive Officers) and (iii) the grant of up to 5,000 stock options per employee (other than Executive Officers) following consultation with the Chair of the Compensation Committee. The Compensation Committee has otherwise not delegated to management any of its responsibilities with respect to the compensation of the Executive Officers of the Company, except in respect to the day to day operations of the Company's compensation plans.

The Compensation Committee has the authority to hire and negotiate the terms of compensation for its advisers, including compensation consultants. The Compensation Committee periodically reviews the Company's compensation programs.

Compensation Committee Interlocks and Insider Participation

As noted above, the members of the Compensation Committee are David G. Bannister, William S. Elston, Michael A. Henning and Diana M. Murphy. All members of the Compensation Committee are Independent Directors, and no member is or has been an employee of the Company. During the Company's fiscal year 2011, no Executive Officer of the Company served as a member of the compensation committee (or its equivalent) or board of directors of another entity whose executive officer served on the Board or Compensation Committee.

Nominating and Corporate Governance Committee

The members of the Nominating and Corporate Governance Committee are David G. Bannister, William S. Elston, Michael A. Henning and Diana M. Murphy, each an Independent Director.

The Nominating and Corporate Governance Committee functions include identifying persons for future nomination for election to the Board. During the Company's 2011 fiscal year, the Nominating and Corporate Governance Committee held one meeting. Stockholders who wish to submit names to the Nominating and Corporate Governance Committee for consideration should do so in writing addressed to the Nominating and Corporate Governance Committee, c/o Corporate Secretary, Landstar System, Inc., 13410 Sutton Park Drive South, Jacksonville, Florida 32224.

The Charter of the Nominating and Corporate Governance Committee was approved and adopted by the Board at the February 27, 2004 board meeting. The Charter more fully describes the purposes, membership, duties and responsibilities of the Nominating and Corporate Governance Committee described herein. A copy of the Charter of the Nominating and Corporate Governance Committee is available on the Company's website at www.landstar.com under Investor Relations/Corporate Governance. Following the recommendation of the Nominating and Corporate Governance Committee, the Board approved revised Corporate Governance Guidelines at its December 2, 2009 meeting. The Corporate Governance Guidelines set forth, among other things, guidelines with respect to Director qualification standards and Board membership criteria, limitations on the number of public company boards on which a Director may serve, attendance of Directors at Board meetings, Director compensation, Director education, evaluation of the Company's Chief Executive Officer and Board self-assessment. A copy of the Corporate Governance Guidelines is available on the Company's website at www.landstar.com under Investor Relations/Corporate Governance.

The Nominating and Corporate Governance Committee oversees an annual self-evaluation conducted by the Board in order to determine whether the Board and its committees are functioning effectively. The Nominating and Corporate Governance Committee also oversees individual Director self-assessments in connection with the evaluation of such Director for purposes of making a recommendation to the Board as to the persons who should be nominated for election or re-election, as the case may be, at each upcoming annual meeting of stockholders.

The Nominating and Corporate Governance Committee considers candidates for the Board suggested by its members and other Board members, as well as management and stockholders. There are no differences in the manner in which the Nominating and Corporate Governance Committee evaluates nominees for the Board based on whether or not the nominee is recommended by one of its members, another Board member, management or a stockholder. The Nominating and Corporate Governance Committee evaluates prospective nominees against a number of minimum standards and qualifications, including business experience and financial literacy. The Nominating and Corporate Governance Committee also considers such other factors as it deems appropriate, including the current composition of the Board, the balance of management Directors and Independent Directors, the need for Audit Committee or other relevant expertise, the evaluations of other prospective nominees and other individual qualities and attributes that contribute to a broad spectrum of experience among members of the Board. The Nominating and Corporate Governance Committee then determines whether to interview the prospective nominees, and, if warranted, one or more of the members of the Nominating and Corporate Governance Committee, and others as appropriate, interview such prospective nominees whether in person or by telephone. After completing this evaluation and, if warranted, interview, the Nominating and Corporate Governance Committee makes a recommendation to the Board as to the persons who should be nominated by the Board. The Board then determines the nominees after considering the recommendation and report of the Nominating and Corporate Governance Committee.

COMPENSATION OF DIRECTORS

Each of the Independent Directors is paid an annual fee of \$75,000 with no additional fees payable for attendance at or participation in Board or committee meetings or service as a chair of a committee of the Board. Independent Directors are not paid a retainer fee upon election or re-election to the Board. Directors are reimbursed for expenses incurred in connection with attending Board meetings.

In addition, upon election or re-election to the Board for a three year term, a director who is neither an officer nor an employee of the Company, receives a grant, on the date immediately following the date of such Director's election or re-election to the Board, of such number of restricted shares of Common Stock equal to the quotient of \$225,000 divided by the fair market value of a share of Common Stock on the date of such grant. Each such grant of restricted stock vests in three equal annual installments on the first three anniversary dates of such Independent Director's election or re-election to the Board. The unvested shares of restricted stock are subject to forfeiture for the portion of the award that has not yet vested upon early departure of an Independent Director from the Board for any reason prior to the expiration of his or her three year term.

Messrs. Crowe and Gerkens, the two Directors who are not Independent Directors, did not receive any compensation for services as a Director, for services on committees of the Board or for attendance at meetings, but both were eligible for reimbursement of expenses incurred in their capacities as Directors.

During the period from June 30, 2004 to January 4, 2010, Mr. Crowe was an employee of the Company, received an annual base salary of \$250,000 and was entitled to participate in all of the Company's employee benefit plans, programs and arrangements. Effective January 4, 2010, Mr. Crowe retired from his employment with the Company and entered into a consulting agreement with the Company, dated as of December 18, 2009, a copy of which was attached as Exhibit 10.13 to the Company's Annual Report on Form 10-K for the fiscal year ending December 26, 2009. The consulting agreement provided, among other things, for the provision of consulting services by Mr. Crowe to the Company for two years from the date of his retirement as an employee of the Company for fees of \$250,000 per year. The Company had the right to terminate the consulting agreement in the event Mr. Crowe performed services for a competitor of the Company. Mr. Crowe's consulting agreement with the Company terminated on January 4, 2012 and he no longer participates in any of the Company's employee benefit plans, programs and arrangements available to employees of the Company.

Mr. Crowe received no compensation for services as a Director, for services on committees of the Board or for attendance at meetings of the Board through January 4, 2012, other than the compensation he received under the terms of his consulting agreement with the Company. Following the end of the term of Mr. Crowe's consulting services agreement with the Company on January 4, 2012, the Company began compensating Mr. Crowe for his services as a Director in an amount equal to the pro rata share of the annual \$75,000 fee paid to the other outside directors based on the number of days of service beginning as of January 5, 2012, the day after the end of Mr. Crowe's consulting services agreement with the Company, and ending on the date of the 2012 Annual Meeting of Stockholders. Mr. Crowe will receive the same grant of restricted stock, described above, granted to all Directors who are neither employees nor officers of the Company, should he be re-elected to the Board at the 2012 Annual Meeting.

The following table summarizes the compensation paid to Mr. Crowe and the Independent Directors during 2011.

- (1) Mr. Bannister and Mr. Henning each were granted 4,755 (the quotient of \$225,000 divided by the fair market value of a share of Common Stock of \$47.32 on May 27, 2011) restricted shares of the Company's Common Stock on May 27, 2011, the date immediately following the date of re-election to the Board. These share amounts represent the aggregate grant date fair value of the restricted shares computed in accordance with generally accepted accounting principles. At December 31, 2011, Mr. Elston and Ms. Murphy each had 3,335 unvested restricted shares outstanding and Mr. Bannister and Mr. Henning each had 4,755 unvested restricted shares outstanding. Mr. Elston and Ms. Murphy were each paid dividends on unvested restricted stock of \$782 in 2011. Mr. Bannister and Mr. Henning were each paid dividends on unvested restricted stock of \$523 in 2011. Dividends paid on shares of unvested restricted stock are included in All Other Compensation in the table above.

The Compensation Committee of the Board has established stock ownership guidelines for Directors that recommend that each Director hold a minimum of 15,000 shares of the Company's Common Stock within five years of such Director's initial election to the Board. At April 6, 2012, each current Director who has served five years on the Board was in compliance with the stock ownership guidelines.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board is responsible for providing independent, objective oversight of the Company's accounting functions and internal controls. The Audit Committee has the sole authority and responsibility to select, evaluate and, when appropriate, replace the Company's independent registered public accounting firm. The Audit Committee is comprised of all of the Independent Directors. The Audit Committee operates under a written charter approved by the Board.

Management is responsible for the Company's internal control over financial reporting. The independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and to issue a report thereon. The independent registered public accounting firm is also responsible for auditing the Company's internal control over financial reporting. The Audit Committee is responsible for monitoring these processes. The Audit Committee is not, however, professionally engaged in the practice of accounting or auditing and does not provide any expert or other special assurance as to such financial statements concerning compliance with laws, regulations or generally accepted accounting principles or as to the independent registered public accounting firm's independence. The Audit Committee relies, without independent verification, on the information provided to it and on presentations and statements of fact made by management, the internal auditors and the independent registered public accounting firm.

In connection with these responsibilities, as discussed elsewhere in this Proxy Statement, the Audit Committee held four meetings and six telephonic meetings during 2011. These meetings were designed, among other things, to facilitate and encourage communication among the Audit Committee, management, the internal auditors and the independent registered public accounting firm. The Audit Committee discussed with representatives of the independent registered public accounting firm the overall scope and plans for their audits. The Audit Committee also met with representatives of the independent registered public accounting firm, with and without management and the internal auditors present, to discuss the Company's fiscal 2011 financial statements and the Company's internal control over financial reporting. The Audit Committee also reviewed and discussed the December 31, 2011 financial statements with management and reviewed and discussed the status of the Company's internal control over financial reporting with management and the internal auditors. The Audit Committee also discussed with representatives of the independent registered public accounting firm the matters required to be discussed by the Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T and also received written disclosures and the letter from the independent registered public accounting firm required by the Public Company Accounting Oversight Board regarding KPMG LLP's independence from the Company. The Audit Committee had discussions with representatives of the independent registered public accounting firm concerning the independence of the independent registered public accounting firm under the rules and regulations governing auditor independence promulgated under the Sarbanes-Oxley Act. The Audit Committee had discussions with management and the internal auditors concerning the process used to support certifications by the Company's Chief Executive Officer and Chief Financial Officer that are required by the Securities and Exchange Commission ("SEC") and the Sarbanes-Oxley Act to accompany the Company's periodic filings with the SEC.

The Board has determined that Mr. Bannister and Mr. Henning, each an independent director under the NASDAQ and SEC audit committee structure and membership requirements, meet the SEC criteria of an "audit committee financial expert" under the standards established by Item 407(d) of Regulations S-K under the Securities Act. Mr. Bannister's background and experience includes serving as a Managing Director of Deutsche Bank Alex Brown Incorporated, a General Partner of Grotech Capital Group, and currently as Chairman of the North American Region of FTI Consulting, Inc., a global business consulting firm listed on the New York Stock Exchange. In addition, Mr. Bannister was a certified public accountant employed as an audit manager at the firm of Deloitte, Haskins and Sells. Mr. Henning's background and experience includes serving in various capacities with Ernst & Young from 1961 to 2000, including Deputy Chairman of Ernst & Young from December 1999 to October 2000 and Chief Executive Officer of Ernst & Young International from September 1993 to December 1999.

During 2011, the Audit Committee preapproved the continuation of all non-audit services to be rendered to the Company by the independent registered public accounting firm in 2011 (which services are disclosed elsewhere in this Proxy Statement) and concluded that these services were compatible with maintaining the independence of the registered public accounting firm.

Based upon the Audit Committee's discussions with management and the independent registered public accounting firm, and the Audit Committee's review of the representations of management and the independent registered public accounting firm, the Audit Committee recommended that the Board include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2011, filed with the SEC on February 24, 2012. The Audit Committee has also selected KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending December 29, 2012 and has recommended to the Board that this selection be presented to the stockholders for ratification.

Compensation Discussion and Analysis

Overall Policy

The Company's executive compensation philosophy is designed to attract and motivate executive talent best suited to develop and implement the Company's business strategy. These objectives are attained by tying a significant portion of each executive's compensation to the Company's success in meeting specified annual corporate financial performance goals and, through the grant of stock-based awards, to appreciation in the Company's stock price. The Company's philosophy is to recognize individual contributions while supporting a team approach in achieving overall business objectives and increasing shareholder value.

The key elements of the Company's executive compensation consist of base salary, annual incentive payments and stock-based awards. The Company's policies with respect to each of these elements, including the basis for the compensation awarded, are discussed below.

The Company's philosophy is to pay annual compensation generally in cash, with long-term incentive compensation paid in the form of stock-based awards. Base salary is intended to constitute a modest percentage of total compensation. The annual incentive compensation plan is designed to pay substantial compensation for superior performance. Stock options have historically accounted for a significant portion of each Executive Officer's total compensation. The Company awards stock options and restricted stock to its Executive Officers as a reward for the achievement of overall business objectives and to help align management's future interests with that of the Company's stockholders. The Company believes that its compensation practices align executive compensation with financial performance and, as such, executive compensation generally is consistent with the Company's variable cost business model.

The Compensation Committee of the Company's Board is solely responsible for decisions with respect to the compensation of the Company's President and Chief Executive Officer, Henry H. Gerken. The Compensation Committee is also responsible, taking into consideration recommendations of the President and Chief Executive Officer, for decisions with respect to the compensation awarded to the other individuals whose compensation is detailed below (such other officers, together with Mr. Gerken, collectively herein referred to as the "Named Executives"), subject to review by the entire Board.

The executive compensation program is reviewed annually by the Compensation Committee. Periodically, at the Compensation Committee's sole discretion, an independent review of the executive compensation program may be performed by outside consultants.

The Company provides its stockholders with the opportunity to cast an annual advisory vote on Named Executive compensation as described in its proxy statement (commonly known as a "say-on-pay" proposal). At the Company's annual meeting of stockholders held in May 2011, more than 90% of the votes cast on the say-on-pay proposal at that meeting were voted in favor of the proposal. The Compensation Committee believes this affirms stockholders' support of the Company's approach to executive compensation. As noted above, the say-on-pay vote is advisory and therefore not binding on the Compensation Committee. However, the Compensation Committee values the opinions of the Company's stockholders and, to the extent there is any significant vote against the Named Executive compensation as disclosed in this Proxy Statement, will consider the stockholders' concerns and evaluate whether any actions are necessary to address those concerns.

Base Salaries

Base salaries for Executive Officers are initially determined by evaluating the responsibilities of the position held and the experience of the individual. Salary adjustments are determined by evaluating the performance of the Company and of each Executive Officer, and also take into account the assumption of changes in responsibilities, if any. The financial results of the operating functions which report into an Executive Officer or for which an Executive Officer otherwise has responsibility are also considered. In connection with his appointment as Vice President and Chief Commercial and Marketing Officer, Mr. O'Malley's salary was increased from \$220,000 to \$230,000. The base salaries of the five Named Executives are detailed in the Summary Compensation Table that follows.

Annual Incentive Compensation

The Company's objective with respect to the Landstar System, Inc. Executive Compensation Plan, adopted by the Board and approved by the stockholders effective January 1, 2002 and re-approved January 1, 2007 (the "EICP") is to encourage the Company's Executive Officers to achieve various financial goals linked to operating objectives for the Company's upcoming fiscal year. These annual goals are developed as part of the Company's

budgeting process and in general are aligned with the Company's long-term objectives with respect to earnings growth. Prior to the beginning of each annual fiscal period, the Compensation Committee reviews and approves budgeted amounts for consolidated revenue, operating income and diluted earnings per share. In establishing the 2011 budgeted amounts for revenue, operating income, and diluted earnings per share, management considered a growth factor over 2010 operating results and forecasted 2011 U.S. economic factors such as industrial production, estimated freight demand and capacity availability. Once the annual budgeted goals are approved, the EICP is designed to incent management to meet and when possible to exceed their goals. An executive's incentive compensation payment continues to increase as actual results for the fiscal year exceed budgeted amounts. As further described below, actual payments under the EICP are calculated based upon how much actual results exceed budgeted amounts, using a predetermined formula, up to the maximum annual payment per eligible participant as per the Company's executive incentive compensation plan as approved by the Company's stockholders, all subject to the discretion of the Compensation Committee. For the 2011 fiscal year, the maximum annual payment per eligible participant was \$3 million.

The EICP targets for the 2011 fiscal year for Messrs. Gerkens, Gattoni, O'Malley and Kneller were set to a specific diluted earnings per share amount related to the Company's annual operating budget. With respect to Larry S. Thomas, Vice President and Chief Information Officer, one-half of his EICP payment was based upon the Company's achievement of budgeted diluted earnings per share. The other half of his EICP payment was based upon the achievement of budgeted consolidated operating income. The Company has met or exceeded the budgeted amount for diluted earnings per share in three of the preceding five fiscal years. The Company has met or exceeded the budgeted amount for consolidated operating income in three of the preceding five fiscal years.

As noted above, the EICP target for Messrs. Gerkens, Gattoni, O'Malley and Kneller for 2011 solely related to budgeted diluted earnings per share, whereas the EICP targets for Mr. Thomas for 2011 related to a specific diluted earnings per share amount and to budgeted consolidated operating income. This is because (1) Messrs. Gerkens, Gattoni, O'Malley and Kneller were in positions of responsibility with respect to all of the components that affect the Company's diluted earnings per share amounts, (2) the Compensation Committee believes that diluted earnings per share is the primary financial measure reflecting the performance of the Company's overall strategic direction and on that basis evaluates the performance of the Company's Chief Executive Officer, Chief Financial Officer, Chief Commercial and Marketing Officer and General Counsel, (3) consolidated operating income reflects the performance of the functions over which Mr. Thomas had responsibility and, as a result, achievement of budgeted consolidated operating income is considered an important component in the performance evaluation of Mr. Thomas and (4) the Compensation Committee believes it is appropriate to compensate the Named Executives upon achievement of Company-wide, rather than division or function specific, budgeted targets in order to focus executive management on Company-wide strategic and financial performance goals.

The EICP for the 2011 fiscal year was designed such that in the event the Company exceeded budgeted amounts of diluted earnings per share and operating income, the amount of compensation potentially payable for exceeding budgeted diluted earnings per share amounts would be greater as compared to the amount of compensation potentially payable for exceeding budgeted operating income, as further discussed herein. With respect to the portion of the EICP tied to diluted earnings per share, if the Company's actual diluted earnings per share amount for the fiscal year had equaled budgeted diluted earnings per share after giving effect to a one-time incentive payment (the "target"), the incentive payment would have equaled 100% of the executive's EICP percentage multiplied by such executive's base salary. If the Company's actual diluted earnings per share amount for the fiscal year would have been less than the "target" amount of diluted earnings per share, no incentive payment would have been made to the Named Executives under this portion of the EICP. As actual results exceeded the target, the EICP payment for each Named Executive was calculated by multiplying each such executive's base salary by such executive's EICP percentage multiplied by one plus a predetermined factor. This factor equaled 33 1/3 percent for each one percent by which actual diluted earnings per share (after giving effect to a one-time payout) exceeded target diluted earnings per share. For the Named Executive whose EICP payment was only partially based on diluted earnings per share (Mr. Thomas), the amount determined as described above

was multiplied by 50% to reflect the weighting of that objective. Under the operating income portion of the EICP, eligible employees are paid quarterly if certain operating income amounts are achieved. With respect to the portion of the EICP for the 2011 fiscal year tied to quarterly consolidated operating income, if actual consolidated operating income for a specific fiscal quarter was equal to or greater than budgeted consolidated operating income for that quarter, the executive's EICP quarterly payment would be calculated pursuant to a three-step formula: (1) the executive's base salary is multiplied by such executive's EICP percentage, (2) the resulting product is multiplied by the current quarter's budgeted operating income divided by total budgeted fiscal year operating income and (3) the resulting product is multiplied by 50% to reflect the weighting of that objective. The portion of the EICP for the 2011 fiscal year tied to quarterly consolidated operating income also includes a component tied to budgeted consolidated operating income for the fiscal year. If actual consolidated operating income for the fiscal year was equal to or greater than 90% of budgeted consolidated operating income for the fiscal year and greater than the actual consolidated operating income from the prior year, the executive's EICP payment would be calculated pursuant to a four-step formula: (1) actual consolidated operating income is divided by budgeted consolidated income, (2) this quotient is multiplied by the product of the executive's base salary multiplied by such executive's EICP percentage, (3) the resulting product is multiplied by 50% to reflect the weighting of that objective and (4) amounts previously paid to the executive under the EICP with respect to the results of a specific fiscal quarter(s) are deducted. Individual amounts calculated under the EICP may be adjusted at the discretion of the Compensation Committee in accordance with the Company's 162(m) shareholder-approved EICP.

The EICP percentages for the Named Executives in 2011 were as follows: Mr. Gerkens, 100%, Mr. Gattoni, 65%, Mr. Kneller, 40%, Mr. O'Malley, 40% and Mr. Thomas, 60%. The target amount of diluted earnings per share under the EICP with respect to the 2011 fiscal year was \$2.15, which represented a 21% increase from the actual diluted earnings per share for the 2010 fiscal year. The target amount of consolidated operating income under the ICP (i) with respect to the first, second, third and fourth quarters of the 2011 fiscal year were, respectively, \$34,705,000, \$45,635,000, \$46,096,000 and \$46,047,000 and (ii) with respect to the full 2011 fiscal year was \$172,483,000, which represented a 23% increase from the actual consolidated operating income for the 2010 fiscal year. Diluted earnings per share for the 2011 fiscal year exceeded target diluted earnings per share by 11%, or \$0.22 per share, and exceeded fiscal year 2010 diluted earnings per share by 34%, or \$0.61 per share. Operating income for the 2011 fiscal year exceeded targeted operating income by 6%, or \$10,762,000, and exceeded fiscal year 2010 operating income by 31%, or \$43,274,000. Therefore, bonus payments were made under the EICP for the 2011 fiscal year with respect to both the portion of the plan tied to diluted earnings per share and the portion of the plan tied to operating income.

Under the Company's sales incentive plan, Mr. O'Malley, as Chief Commercial and Marketing Officer with responsibility for the Company's field operations in support of its independent sales agents, was eligible for an additional incentive compensation payment based upon achievement of budgeted revenue goals. The budgeted revenue goal with respect to the 2011 fiscal year was \$2,503,368,000. Revenue in fiscal year 2011 exceeded the budgeted revenue goal and, accordingly, Mr. O'Malley received a bonus payment under the Company's sales incentive plan for the 2011 fiscal year.

Stock-based Awards

Under the Company's 2011 Landstar System, Inc. Equity Incentive Plan, equity awards may be granted to the Company's Executive Officers and certain other key employees. No further grants of equity awards can be made under the Amended and Restated 2002 Employee Stock Option and Stock Incentive Plan (together with the 2011 Equity Incentive Plan, the "Employee Equity Plans"). The Compensation Committee determines the type and number of equity awards to be granted to a Named Executive based on such Named Executive's job responsibilities, the individual performance evaluation of such Named Executive, including the achievement of certain specified performance related goals, and overall Company performance. Stock options are granted with an exercise price equal to the fair market value of the Common Stock on the date of grant. Stock options are typically granted to Named Executives once a year. In 2011, awards to Named Executives were made on

February 3, 2011. Stock option grants to Named Executives made in 2011 vest in five equal annual installments commencing on the first anniversary of the date of grant. Executive Officers have been granted stock options that vest 100% after a period that may range from three to five years from the date of grant or in three or five equal annual installments commencing on the first anniversary of the date of grant. Shares of restricted stock have also been granted to Named Executives under the Employee Equity Plans. Restricted stock has been granted that vests in three or five equal annual installments commencing on the first anniversary of the date of grant or 100% after a period that may range from three to five years from the date of grant. In 2011, 5,700 shares of restricted stock were issued in the aggregate to Named Executives that vest in three equal annual installments commencing on the first anniversary of the date of grant. In addition, in connection with his promotion to Vice President and Chief Commercial and Marketing Officer, 3,000 shares of restricted stock were issued in 2011 to Mr. O'Malley that vest 100% three years from the date of grant. The Company believes that the granting of stock awards in the form of stock options and restricted stock is designed to encourage the creation of long-term stockholder value as no benefit can be realized from stock options unless the stock price exceeds the exercise price over the vesting period and the benefit realized from restricted stock varies directly with the Company's stock price.

Stock Ownership Guidelines

The Company believes that equity interests held by management help to align the interests of stockholders and management and maximizes stockholder returns over the long term. To that end, the Compensation Committee of the Board has established stock ownership guidelines applicable to the Executive Officers of the Company. These guidelines recommend that the Chief Executive Officer of the Company hold a minimum of 50,000 shares of the Company's Common Stock and each of the other Executive Officers of the Company hold a minimum of 15,000 shares of the Company's Common Stock, in each case to be achieved within specified time periods.

Deferred Compensation

The Company maintains an Internal Revenue Service Code Section 401(k) Savings Plan (the "401(k) Plan") for all eligible employees. The Company maintains a Supplemental Executive Retirement Plan (the "SERP") for all officers, including the Named Executives, of the Company and its subsidiaries. The SERP is designed to provide officers with the option to receive the benefits — tax deferred investment of a certain percentage of the executive's salary and a Company matching contribution on a certain portion of the executive's contribution — that are offered under the Company's 401(k) Plan on the portion of the executive's salary that is not eligible to be included under the Company's 401(k) Plan, because it is above the various limitations established in the Internal Revenue Code. Except for the elimination of the maximum salary limitations, the benefits and the investment options of the SERP are the same as the 401(k) Plan. Messrs. Gerkens, Kneller, O'Malley and Thomas have elected to participate in the SERP.

Key Executive Employment Protection Agreements and Other Severance Arrangements

The Board has approved the execution of Key Executive Employment Protection Agreements for each of the Executive Officers, to assure that each of these officers will have a minimum level of personal financial security in the context of a change in control transaction to avoid undue distraction due to the risks of job security, and to enable such officer to act in the best interests of stockholders without being influenced by such officer's economic interests. Each agreement provides certain severance benefits in the event of a change in control of the Company. Generally, (i) if on or before the second anniversary of a "change in control" (x) the Company terminates the covered executive's employment for any reason other than for "cause" or "disability" or (y) the covered executive voluntarily terminates his employment for "good reason", (ii) if the covered executive voluntarily terminates his employment for any reason at any time within the 60-day period beginning on the 181st day following the "change in control" or (iii) if the covered executive's employment is terminated by the Company for any reason other than death, "disability" or "cause" or by the covered executive for "good reason", after the execution of a definitive agreement with respect to a change in control transaction but prior to the

consummation thereof and the transaction contemplated by such definitive agreement is subsequently consummated, such executive will be entitled to severance benefits consisting of a lump sum cash amount equal to a multiple of the sum of (A) the executive's annual base salary and (B) the amount that would have been payable to the executive as an annual incentive compensation bonus for the year in which the change in control occurs, determined by multiplying his annual base salary by his total "participant's percentage participation" established for such year under the EICP (or any successor plan thereto). The applicable multiples are: three times for Mr. Gerken, two times for Messrs. Gattoni and Kneller, and one time for Messrs. O'Malley and Thomas. We believe that the terms of our Key Executive Employment Protection Agreements are consistent with market practice and assist us in retaining the services of our Executive Officers. We set the severance multiples for our Executive Officers based on their position and the potential impact to their continued employment in the event of a change in control and to remain competitive within our industry. Each agreement also provides for continuation of medical benefits and for certain tax gross-ups to be made to a covered executive in the event payments to the executive are subject to the excise tax on "parachute payments" imposed under Section 4999 of the Internal Revenue Code of 1986.

The Company agreed, in a letter dated July 2, 2002, to provide Mr. Gerken with the right to receive a cash payment in settlement of his outstanding stock options in the event his employment is involuntarily or constructively terminated by the Company in connection with a change in control. The Company entered into this agreement with Mr. Gerken to provide Mr. Gerken with additional personal financial security in the event of a change in control of the Company which results in or is likely to result in a termination of his employment and his ability to influence the strategic direction of the Company. A copy of this letter was attached as Exhibit 10.17 to the Annual Report on Form 10-K for the Company's fiscal year ended December 28, 2002 and is incorporated by reference to the Company's Annual Report on Form 10-K for the year ending December 31, 2011 as Exhibit 10.10.

The Company has also entered into an agreement with Mr. Gerken, in various letters dated April 27, 2004, June 8, 2007, January 2, 2008, December 31, 2008 and January 3, 2012, to provide Mr. Gerken with certain compensation and benefits in the event of his termination of employment under certain specified circumstances.

Under his January 2, 2008 letter agreement, Mr. Gerken was granted 400,000 stock options on January 2, 2008 with an additional 100,000 granted on January 2, 2009. These stock options are intended to reward Mr. Gerken for his significant contributions to the Company and to provide an incentive to Mr. Gerken for his continued services to the Company. These 500,000 stock options vested or shall vest, as the case may be, subject to Mr. Gerken's continued employment with the Company, in three equal annual installments, on January 2, 2011, January 2, 2012 and January 2, 2013. Notwithstanding the foregoing, the unvested portion of the options shall become immediately vested and exercisable in the event that the Company appoints someone other than Mr. Gerken as its Chief Executive Officer at a time when Mr. Gerken is employed by the Company, Mr. Gerken resigns his employment for "good reason" (as defined in the letter agreement), or Mr. Gerken's employment is terminated by the Company for any reason other than for cause. Mr. Gerken has not received an additional equity compensation grant since the options granted to him under such January 2, 2008 letter.

The Company and Mr. Gerken determined to amend this letter agreement on December 31, 2008 to comply with Section 409A of the Internal Revenue Code and to clarify and fulfill the intent of certain compensation arrangements in light of such Section 409A changes. Specifically, to effect the original intent of the letter agreement, the Company modified the terms of the 400,000 stock options granted to Mr. Gerken on January 2, 2008, to provide that they may be exercised, in all events other than a cause termination, for two years following termination of Mr. Gerken's employment. The 100,000 stock options granted to Mr. Gerken on January 2, 2009 were granted inclusive of the two year exercise provision. The agreement also provided that in the event the Company terminated Mr. Gerken's employment other than for cause or disability or Mr. Gerken terminated his employment for good reason prior to January 2, 2013, in each case at any time that Mr. Gerken's right to receive severance is not governed by his Key Executive Employment Protection Agreement, the Company would pay

Mr. Gerkens a lump sum severance benefit equal to two times the sum of his annual base salary and the annual bonus that would have been payable to him for the relevant period under the EICP. In addition, Mr. Gerkens would be entitled to continue to receive health and welfare benefits. The agreement also provided that if Mr. Gerkens' employment with the Company ended due to his disability or death, he, or his beneficiary, would be entitled to receive a pro rata portion of the annual bonus that would have been payable to him for the relevant period under the EICP. Further, the agreement provided that in the event the Company appointed someone other than Mr. Gerkens as Chief Executive Officer prior to January 2, 2013 at a time when Mr. Gerkens is employed by the Company or in the event Mr. Gerkens' service to the Company as Chief Executive Officer ended on or after January 2, 2013 for any reason other than a termination as a result of which he is entitled to receive severance benefits under either his Key Executive Employment Protection Agreement or the letter agreement, a termination for cause or his death, he would provide the Company with certain consulting and advisory services during the two-year period following the end of his employment, for which he would be paid a lump sum of \$300,000 and would be entitled to continue to receive health and welfare benefits. The agreement further provided that Mr. Gerkens would work exclusively for the Company while in its employ and not compete with the Company or solicit or hire any of its employees for a two-year period following the end of his employment as Chief Executive Officer for any reason. A copy of the letter agreement between the Company and Mr. Gerkens, as in effect on December 31, 2011, was attached as Exhibit 99.1 to a Current Report on Form 8-K, filed by the Company on January 7, 2009.

The Company and Mr. Gerkens again determined to amend this letter agreement on January 3, 2012 in order to extend its term. Under the January 3, 2012 revision of the letter agreement, Mr. Gerkens will continue to serve as the Chief Executive Officer of the Company through January 3, 2015, and thereafter as the Executive Chairman of the Company until the end of his then current term as a Director of the Company. However, either Mr. Gerkens or the Company has the right to request his appointment as Executive Chairman of the Board during the period from the date of the Company's 2014 Annual Meeting of Stockholders through January 3, 2015. Upon his appointment as Executive Chairman of the Board, Mr. Gerkens will cease to serve as the Chief Executive Officer of the Company and his Key Executive Employment Protection Agreement will become null and void. In addition, upon any such appointment, Mr. Gerkens will continue to be compensated on the same terms and conditions as are currently applicable to him through January 3, 2015, including with respect to his current annual salary of \$500,000 and his target annual bonus, which will continue to be 100% of base salary. Following January 3, 2015, and until the end of his then current term as a Director of the Company (during his service as Executive Chairman), Mr. Gerkens will receive a salary at the annual rate of \$500,000 but he will not be eligible to receive a bonus. Following his termination of service as Executive Chairman of the Company (which is anticipated to be around May 2015) and until May 2018, Mr. Gerkens is expected to serve as a non-employee consultant to the Company, providing the Company consulting and other advisory services, for which he will be paid a single lump sum fee of \$600,000. As additional consideration for his agreement to extend the term of his employment and his commitment to provide such consulting services, the Company has agreed to make available to Mr. Gerkens continued participation in its health benefits plans (or, in certain circumstances, to assist him in obtaining alternative coverage) through November 2019.

In connection with the continued contributions expected to be made by Mr. Gerkens as Chief Executive Officer of the Company, the January 3, 2012 letter agreement also extends the term of Mr. Gerkens' rights to certain severance benefits through January 3, 2015. The agreement provides that in the event the Company terminates Mr. Gerkens' employment other than for cause or disability or Mr. Gerkens terminates his employment for good reason prior to January 3, 2015, in each case at any time that Mr. Gerkens' right to receive severance is not governed by his Key Executive Employment Protection Agreement, the Company would pay Mr. Gerkens a lump sum severance benefit equal to two times the sum of his annual base salary and the annual bonus that would have been payable to him for the relevant period under the Company's Executive Incentive Compensation Plan. In addition, Mr. Gerkens would be entitled to continue to receive health benefits for up to two years from the date of termination. The agreement also provides that if Mr. Gerkens' employment with the Company ends due to his disability or death, he, or his beneficiary, would be entitled to receive a pro rata portion of the annual bonus that would have been payable to him for the relevant period under the Company's Executive

Incentive Compensation Plan. The agreement further provides that Mr. Gerkens would work exclusively for the Company while in its employ and not compete with the Company or solicit or hire any of its employees for a two-year period following the end of his employment as Chief Executive Officer for any reason. A copy of the letter agreement between the Company and Mr. Gerkens, dated January 3, 2012, was attached as Exhibit 99.1 to a Current Report on Form 8-K, filed by the Company on January 3, 2012.

Other Benefits and Arrangements

The Company provides the Named Executives with certain other benefits and arrangements that the Company believes are reasonable and consistent with its overall compensation program to enable the Company to continue to attract and maintain highly qualified individuals in key positions. The Company pays the premium associated with term life insurance policies covering each of the Named Executives. The dollar value paid by the Company on behalf of each of the Named Executives with respect to these policies is included in the Summary Compensation Table below. The Board has approved and the Company has entered into indemnification agreements with each of the Named Executives providing each such Named Executive with a contractual obligation from the Company to indemnify such individual in connection with such individual's service as an employee of the Company (and in the case of Mr. Gerkens, his service as a member of the Board) to the fullest extent permitted by applicable law. The Company retains discretion to provide Named Executives with the use of certain equipment in connection with their job responsibilities, including cell phone, blackberry and other computer and communications equipment and maintenance of connectivity for such equipment in the Named Executive's home.

Tax Considerations

Section 162(m) of the Internal Revenue Code of 1986, as amended, generally denies a publicly traded company a federal income tax deduction for compensation in excess of \$1 million paid to certain of its Executive Officers unless the amount of such excess is payable based solely upon the attainment of objective performance criteria. The Company has undertaken to qualify substantial components of the incentive compensation it makes available to its Executive Officers for the performance exception to non-deductibility. Equity awards under the Company's Employee Equity Plans currently meet these requirements. At the 2007 Annual Meeting, the Company received stockholder approval for the EICP so that any annual awards payable thereunder (subject to certain limits) would qualify for the performance exception under Section 162(m). Under the EICP as approved, the maximum annual bonus payment per participant that could be awarded is \$3 million. The Company is seeking re-approval of this plan at the 2012 Annual Meeting. Under the EICP as presented for approval at the 2012 Annual Meeting, the maximum annual bonus payment that could be awarded would continue to be \$3 million. For further information, see Proposal Number Four set forth in this Proxy Statement. The Company believes that tax deductibility of compensation is an important factor, but not the sole factor, to be considered in setting executive compensation policy. Accordingly, the Company generally intends to take such reasonable steps as are required to avoid the loss of a tax deduction due to Section 162(m), but the Compensation Committee reserves the right to pay amounts which are not deductible in appropriate circumstances.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's Executive Officers and Directors, and persons who own more than ten percent of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission ("SEC"). Executive Officers, Directors and greater than ten percent stockholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on review of the copies of such forms furnished to the Company, or written representations that no Form 5 was required, the Company believes that during the fiscal year ended December 31, 2011, all reports required by Section 16(a) which are applicable to its Executive Officers, Directors and greater than ten percent beneficial owners were filed on a timely basis.

**PROPOSAL NUMBER TWO —
RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM**

The firm of KPMG LLP served as the independent registered public accounting firm for the Company for the fiscal year ended December 31, 2011. In addition to retaining KPMG LLP to audit the consolidated financial statements and internal control over financial reporting of the Company and its subsidiary, the Company engaged KPMG LLP to render certain employee benefit audit services to the Company in fiscal year 2011 and expects to continue to do so in fiscal 2012. The aggregate fees billed for professional services by KPMG LLP in fiscal years 2011 and 2010 for services consisted of the following:

AUDIT FEES: Fees for the audits of the financial statements and internal control over financial reporting and quarterly reviews were \$850,000 for fiscal 2011 and \$830,000 for fiscal 2010.

AUDIT RELATED FEES: Fees for audits of the Company's 401(k) plan and subsidiary audit were \$27,000 and \$42,000 for fiscal 2011 and 2010, respectively.

The Audit Committee has approved all of the fees above.

The Audit Committee has appointed KPMG LLP to continue in that capacity for the Company's fiscal year 2012, and has recommended to the Board that a resolution be presented to stockholders at the 2012 Annual Meeting to ratify that appointment. The Board has adopted such resolutions and hereby presents it to the Company's stockholders. A representative of KPMG LLP will be present at the 2012 Annual Meeting and will have an opportunity to make a statement and respond to questions from stockholders as appropriate.

Assuming the presence of a Quorum, to be approved, this proposal must receive the affirmative vote of the holders of a majority of the Common Stock, present, in person or by proxy, at the 2012 Annual Meeting. Abstentions from voting and broker non-votes will have no effect on the outcome of this proposal.

THE BOARD RECOMMENDS A VOTE *FOR* THIS PROPOSAL

**PROPOSAL NUMBER THREE —
ADVISORY VOTE ON EXECUTIVE COMPENSATION**

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, or the Dodd-Frank Act, enables the Company's stockholders to vote to approve, on an advisory (nonbinding) basis, the compensation of the Named Executives as disclosed in this Proxy Statement.

As described in detail under the heading "*Executive Compensation — Compensation Discussion and Analysis*," the executive compensation programs are designed to attract, motivate, and retain the Named Executives, who are critical to the Company's success. Under these programs, the Named Executives are rewarded for the achievement of specific annual, long-term and strategic goals, corporate goals, and the realization of increased stockholder value. Please read the "*Compensation Discussion and Analysis*" included in this Proxy Statement for additional details about the executive compensation programs, including information about the fiscal year 2011 compensation of the Named Executives.

The Compensation Committee continually reviews the compensation programs for the Named Executives to ensure they achieve the desired goals of aligning the Company's executive compensation structure with current market practices and the stockholders' interests. While the Compensation Committee determines the compensation of the Named Executives in the manner described in the "*Compensation Discussion and Analysis*", the Company understands that the stockholders may be particularly interested in the connection between our Chief Executive Officer's compensation and the Company's performance, as well as the long-term trend of the Chief Executive Officer's total compensation relative to the stockholders' return. For 2011, 80% of the Chief Executive Officer's total direct compensation was "performance-based" (as discussed in "*Compensation Discussion and Analysis*") and determined based on the Company's actual diluted earnings per share as compared to the budgeted amount for this financial metric.

We are asking the stockholders to indicate their support for the Named Executive compensation as described in this Proxy Statement. This proposal, commonly known as a "say-on-pay" proposal, gives the stockholders the opportunity to express their views on the Named Executives' compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the Named Executives and the philosophy, policies and practices described in this Proxy Statement. Accordingly, we will ask the stockholders to vote "FOR" the following resolution at the Company's 2012 Annual Meeting:

"RESOLVED, that the Company's stockholders approve, on an advisory basis, the compensation of the Named Executives, as disclosed in the Company's Proxy Statement for the 2012 Annual Meeting pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the 2011 Summary Compensation Table and the other related tables and disclosure."

The say-on-pay vote is advisory, and therefore not binding on the Company, the Compensation Committee or the Board of Directors. The Board of Directors and the Compensation Committee value the opinions of the Company's stockholders and to the extent there is any significant vote against the Named Executive compensation as disclosed in this Proxy Statement, we will consider the stockholders' concerns and the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

Approval of Proposal No. 3 requires the affirmative vote of a majority of the votes cast at the 2012 Annual Meeting, provided a Quorum is present. **Unless you instruct us to vote differently, we will vote valid proxies FOR the approval of the compensation paid by the Company to its Named Executives as discussed in this Proxy Statement.**

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THIS PROPOSAL.

**PROPOSAL NUMBER FOUR —
PROPOSAL TO APPROVE THE LANDSTAR SYSTEM, INC. EXECUTIVE INCENTIVE COMPENSATION PLAN**

INTRODUCTION

To further the policy of providing the Company's key employees the opportunity to earn competitive levels of incentive compensation based primarily on the performance of the Company, the Board adopted and the stockholders approved the EICP. The EICP has been designed to assure that any amounts paid to Executive Officers will not fail to be deductible by the Company for federal income tax purposes because of the limitations imposed by Section 162(m) of the Internal Revenue Code of 1986, as amended ("Section 162(m)").

The Board has re-adopted the EICP, effective January 1, 2012, subject to the approval of the Company's stockholders.

The proposed EICP is set forth in Exhibit A. A summary of the EICP is set forth below and is qualified in its entirety by reference to the full text of the EICP.

EXECUTIVE INCENTIVE COMPENSATION PLAN

ELIGIBILITY. The EICP authorizes the Compensation Committee of the Board or any subcommittee thereof (the "Committee") to award annual incentive compensation to officers and other key employees of the Company and its subsidiaries, including all of the Company's Executive Officers. The number of eligible participants in the EICP will vary from year to year at the discretion of the Committee. It is expected that approximately 12 employees (including all of the Company's current Executive Officers) will be eligible to receive incentive compensation under the EICP for 2012.

PERFORMANCE CRITERIA. On or before April 1 of each year (or such other date as may be required or permitted under Section 162(m)), the Committee will set performance objectives that must be attained in order for the Company to pay bonuses under the EICP. The performance objectives will be based upon one or more of the following criteria:

- earnings per share and/or diluted earnings per share;
- budgeted earnings per share;
- return on equity;
- total shareholder return;
- revenue;
- cash flows, revenue and/or earnings relative to other parameters (e.g., net or gross assets);
- operating income;
- return on investment;
- return on assets;
- return on invested capital;
- net revenue (defined as revenue less purchased transportation);
- net revenue percentage (defined as net revenue divided by revenue);
- gross profit (defined as revenue less purchased transportation and agent commissions);

-
- gross profit margin (defined as gross profit divided by revenue);
 - operating margin (defined as operating income divided by gross profit); and
 - certain costs (which may include other operating costs, insurance and claims costs, selling, general and administrative costs and/or depreciation and amortization costs) in gross dollars and/or as a percentage of revenue, net revenue, gross profit or operating income.

Performance objectives may be established on a Company-wide basis or with respect to one or more business units, divisions, subsidiaries, products or services; and, in either absolute terms or relative to the performance of one or more comparable companies or an index covering multiple companies.

PAYMENT OF ANNUAL AWARDS. If any of the performance criteria established by the Committee is satisfied, the Committee may award an annual bonus to an eligible participant in an amount equal to a maximum of \$3,000,000. The Committee has the discretion to pay amounts which are less than the maximum amount payable under the EICP based on individual performance or such other criteria as the Committee shall deem relevant and, annually, may establish rules or procedures that will limit the amounts payable to each participant to a level which is below the maximum amount authorized. The Committee, in its discretion, may pay up to 50% of a bonus award in Common Stock, the number of shares of Common Stock so paid to be determined by dividing the dollar value of the portion of the award to be paid in Common Stock by the Fair Market Value (as defined in the EICP) of a share of Common Stock on the date of grant. In no event shall the aggregate market value of the Common Stock awarded under the EICP with respect to any calendar year exceed \$1,000,000. The distribution of Common Stock shall be subject to such terms and conditions as the Committee shall determine, including such requirements as continued services for the vesting of such award. A participant who is not an employee of the Company or one of its subsidiaries on the last day of the calendar year for which the award is payable shall receive a pro-rated award, based on the full year's performance, unless the Committee determines that the participant will not receive such an award.

Notwithstanding anything else in the EICP to the contrary, the Committee shall also have the authority, in its discretion, (i) to pay annual bonuses for any calendar year to eligible participants whose compensation is not subject to the restrictions of Section 162(m) for that calendar year and (ii) to provide for a minimum bonus amount for any calendar year in connection with the hiring of any person who is or becomes subject to the restrictions of Section 162(m).

ADMINISTRATION. The Committee, which shall at all times be comprised of at least two directors, each of whom is an "outside director" for purposes of Section 162(m), shall administer and interpret the EICP. In all events, the EICP shall be interpreted in a manner which is consistent with the requirements to qualify the payments made thereunder as performance based compensation under Section 162(m). Subject to the express provisions of the EICP, the Committee shall have the authority to select officers and key employees eligible to participate in the EICP, to establish the performance objectives for each calendar year, and to reduce the amount that may be paid to any participant from the maximum amount otherwise payable pursuant to the EICP. Prior to making any payment to any Executive Officer pursuant to the EICP, the Committee shall be required to certify that the performance objectives have been attained and the amount payable to such Executive Officer.

AMENDMENT AND TERMINATION. The Board or the Committee may at any time amend, terminate or suspend the EICP, except that (i) no such action shall, without the consent of such participant, adversely affect the rights of any participant with respect to any award with respect to any calendar year which already commenced and (ii) no such action shall be effective without approval by stockholders of the Company to the extent that such approval is required to continue to qualify the payments under the EICP for treatment as performance based compensation under Section 162(m). Notwithstanding anything else in the EICP to the contrary, the EICP will not be effective with respect to calendar years ending after December 31, 2016, unless otherwise extended by action of the Board.

FEDERAL INCOME TAX CONSEQUENCES. Cash payments made under the EICP will be taxable to the recipients thereof when paid and the Company will generally be entitled to a federal income tax deduction in the calendar year for which the amount is paid. Any portion of a bonus award which is to be paid in Common Stock will be taxable to the recipient in an amount equal to the fair market value of such Common Stock on the date when such Common Stock is no longer subject to any restrictions. The Company will generally be entitled to a deduction in the calendar year in which the participant recognizes such income.

NEW PLAN AWARDS. Because payment of any award will be contingent on the attainment of performance objectives established for such year by the Committee, the amounts payable to eligible participants under the EICP for any calendar year during which the EICP is in effect cannot be determined. The Company expects that in operation the EICP, as it relates to the Company's current Executive Officers, will produce results substantially similar to the predecessor plan that was adopted by stockholders in 2007. The following table presents the payments authorized under the EICP for services in 2011, based on the terms of that plan as in effect in 2011.

LANDSTAR SYSTEM, INC.
EXECUTIVE INCENTIVE COMPENSATION PLAN
(EFFECTIVE AS OF JANUARY 1, 2012)

1. PURPOSE.

The purposes of the Plan are to enable the Company and its Subsidiaries to attract, retain, motivate and reward the best qualified executive officers and key employees by providing them with the opportunity to earn competitive compensation directly linked to the Company's performance. The Plan is designed to assure that amounts paid to certain executive officers of the Company will not fail to be deductible by the Company for Federal income tax purposes because of the limitations imposed by Section 162(m).

2. DEFINITIONS.

Unless the context requires otherwise, the following words as used in the Plan shall have the meanings ascribed to each below, it being understood that masculine, feminine and neuter pronouns are used interchangeably and that each comprehends the others.

(a) "*Board*" shall mean the Board of Directors of the Company.

(b) "*Committee*" shall mean the Compensation Committee of the Board (or such other committee of the Board that the Board shall designate from time to time) or any subcommittee thereof comprised of two or more directors each of whom is an "outside director" within the meaning of Section 162(m).

(c) "*Common Stock*" shall mean the common stock of the Company, par value \$.01, any common stock into which such common stock may be changed, and any common stock resulting from any reclassification of such common stock.

(d) "*Company*" shall mean Landstar System, Inc.

(e) "*Covered Employee*" shall have the meaning set forth in Section 162(m).

(f) "*Fair Market Value*" shall mean, on any date, the average of the high and low bid and asked for price of a share of Common Stock as reported on the NASDAQ Global Market System ("NASDAQ") (or on such other recognized market or quotation system on which the trading prices of the Common Stock are traded or quoted at the relevant time) on such date. In the event that there are no Common Stock transactions reported on NASDAQ (or such other system) on such date, Fair Market Value shall mean the closing price on the immediately preceding date on which Common Stock transactions were so reported.

(g) "*Grant Date*" shall mean, with respect to any shares of Common Stock awarded pursuant to the Plan, the date on which the Committee determines the portion, if any, of a Participant's bonus which is payable in Common Stock.

(h) "*Participant*" shall mean (i) each executive officer of the Company and (ii) each other key employee of the Company or a Subsidiary who the Committee designates as a participant under the Plan.

(i) "*Plan*" shall mean the Landstar System, Inc. Executive Incentive Compensation Plan, as set forth herein and as may be amended from time to time.

(j) "Section 162(m)" shall mean Section 162(m) of the Internal Revenue Code of 1986, as amended, and any regulations promulgated thereunder (including any proposed regulations).

(k) "Subsidiary" shall mean any corporation in which the Company owns, directly or indirectly, stock representing more than 50% of the voting power of all classes of stock entitled to vote.

3. ADMINISTRATION.

The Committee shall administer and interpret the Plan, provided that, in no event, shall the Plan be interpreted in a manner which would cause any amount payable under the Plan to any Covered Employee to fail to qualify as performance-based compensation under Section 162(m). The Committee shall establish the performance objectives for any calendar year in accordance with Section 4 and certify whether such performance objectives have been obtained. Any determination made by the Committee under the Plan shall be final and conclusive. The Committee may employ such legal counsel, consultants and agents (including counsel or agents who are employees of the Company or a Subsidiary) as it may deem desirable for the administration of the Plan and may rely upon any opinion received from any such counsel or consultant or agent and any computation received from such consultant or agent. All expenses incurred in the administration of the Plan, including, without limitation, for the engagement of any counsel, consultant or agent, shall be paid by the Company. No member or former member of the Board or the Committee shall be liable for any act, omission, interpretation, construction or determination made in connection with the Plan other than as a result of such individual's willful misconduct.

4. BONUSES.

(a) *Performance Criteria.* On or before April 1 of each year (or such other date as may be required or permitted under Section 162(m)), the Committee shall establish the performance objective or objectives that must be satisfied in order for a Participant to receive a bonus for such year. Any such performance objectives will be based upon the relative or comparative achievement of one or more of the following criteria, as determined by the Committee:

- earnings per share and/or diluted earnings per share;
- budgeted earnings per share;
- return on equity;
- total shareholder return;
- revenue;
- cash flows, revenue and/or earnings relative to other parameters (e.g., net or gross assets);
- operating income;
- return on investment;
- return on assets;
- return on invested capital;
- net revenue (defined as revenue less purchased transportation);
- net revenue percentage (defined as net revenue divided by revenue);
- gross profit (defined as revenue less purchased transportation and agent commissions);
- gross profit margin (defined as gross profit divided by revenue);

-
- operating margin (defined as operating income divided by gross profit); and
 - certain costs (which may include other operating costs, insurance and claims costs, selling, general and administrative costs and/or depreciation and amortization costs) in gross dollars and/or as a percentage of revenue, net revenue, gross profit or operating income.

Performance objectives may be established on a Company-wide basis or with respect to one or more business units, divisions, subsidiaries, products or services; and, in either absolute terms or relative to the performance of one or more comparable companies or an index covering multiple companies.

(b) *Maximum Amount Payable.* If the Committee certifies in writing that any of the performance objectives established for the relevant year under Section 4(a) has been satisfied, each Participant who is employed by the Company or one of its Subsidiaries on the last day of the calendar year for which the bonus is payable shall be entitled to receive an annual bonus equal to a maximum of \$3,000,000. Unless the Committee shall otherwise determine, if a Participant's employment terminates for any reason (including, without limitation, his death, disability or retirement under the terms of any retirement plan maintained by the Company or a Subsidiary) prior to the last day of the calendar year for which the bonus is payable, such Participant shall receive an annual bonus equal to the amount the Participant would have received as an annual bonus award if such Participant had remained an employee through the end of the year multiplied by a fraction, the numerator of which is the number of days that elapsed during the calendar year in which the termination occurs prior to and including the date of the Participant's termination of employment and the denominator of which is 365.

(c) *Negative Discretion.* Notwithstanding anything else contained in Section 4(b) to the contrary, the Committee shall have the right, in its absolute discretion, (i) to reduce or eliminate the amount otherwise payable to any Participant under Section 4(b) based on individual performance or any other factors that the Committee, in its discretion, shall deem appropriate and (ii) to establish rules or procedures that have the effect of limiting the amount payable to each Participant to an amount that is less than the maximum amount otherwise authorized under Section 4(b).

(d) *Affirmative Discretion.* Notwithstanding any other provision in the Plan to the contrary, (i) the Committee shall have the right, in its discretion, to pay to any Participant who is not a Covered Employee an annual bonus for such year in an amount up to the maximum bonus payable under Section 4(b), based on individual performance or any other criteria that the Committee deems appropriate and (ii) in connection with the hiring of any person who is or becomes a Covered Employee, the Committee may provide for a minimum bonus amount in any calendar year, regardless of whether performance objectives are attained.

(e) *Awards of Common Stock.* The Committee in its discretion may determine that up to 50% of a Participant's bonus shall be payable in Common Stock. The number of shares of Common Stock to be awarded shall be determined by dividing the dollar value of the portion of a Participant's bonus which is payable in Common Stock by the Fair Market Value of a share of Common Stock on the Grant Date, provided, however, that in no event shall the aggregate Fair Market Value of Common Stock awarded under the Plan with respect to any calendar year exceed \$1,000,000. The distribution of Common Stock shall be subject to such terms and conditions as the Committee shall determine, including such requirements as continued services for the vesting of such award.

5. PAYMENT.

Except as may be determined pursuant to the terms of Section 4(e) or as otherwise provided hereunder, payment of any bonus amount determined under Section 4 shall be made to each Participant as soon as practicable after the Committee certifies that one or more of the applicable performance objectives have been attained (or, in the case of any bonus payable under the provisions of Section 4(d), after the Committee determines the amount of any such bonus), but in no event later than March 15 of the year immediately following the year in which such bonus amount is earned.

6. GENERAL PROVISIONS.

(a) *Effectiveness of the Plan.* Subject to the approval by the holders of the Common Stock at the 2012 Annual Meeting of Stockholders, the Plan shall be effective with respect to calendar years beginning on or after January 1, 2012 and ending on or before December 31, 2016 unless the term hereof is extended by action of the Board.

(b) *Amendment and Termination.* Notwithstanding Section 6(a), the Board or the Committee may at any time amend, suspend, discontinue or terminate the Plan; provided, however, that no such amendment, suspension, discontinuance or termination shall adversely affect the rights of any Participant in respect of any calendar year which has already commenced and no such action shall be effective without approval by the shareholders of the Company to the extent necessary to continue to qualify the amounts payable hereunder to Covered Employees as performance-based compensation under Section 162(m).

(c) *Designation of Beneficiary.* Each Participant may designate a beneficiary or beneficiaries (which beneficiary may be an entity other than a natural person) to receive any payments which may be made following the Participant's death. Such designation may be changed or canceled at any time without the consent of any such beneficiary. Any such designation, change or cancellation must be made in a form approved by the Committee and shall not be effective until received by the Committee. If no beneficiary has been named, or the designated beneficiary or beneficiaries shall have predeceased the Participant, the beneficiary shall be the Participant's spouse or, if no spouse survives the Participant, the Participant's estate. If a Participant designates more than one beneficiary, the rights of such beneficiaries shall be payable in equal shares, unless the Participant has designated otherwise.

(d) *No Right of Continued Employment.* Nothing in this Plan shall be construed as conferring upon any Participant any right to continue in the employment of the Company or any of its Subsidiaries.

(e) *No Limitation on Corporate Actions.* Nothing contained in the Plan shall be construed to prevent the Company or any Subsidiary from taking any corporate action which is deemed by it to be appropriate or in its best interest, whether or not such action would have an adverse effect on any awards made under the Plan. No employee, beneficiary or other person shall have any claim against the Company or any Subsidiary as a result of any such action.

(f) *Nonalienation of Benefits.* Except as expressly provided herein, no Participant or beneficiary shall have the power or right to transfer, anticipate, or otherwise encumber the Participant's interest under the Plan. The Company's obligations under this Plan are not assignable or transferable except to (i) a corporation which acquires all or substantially all of the Company's assets or (ii) any corporation into which the Company may be merged or consolidated. The provisions of the Plan shall inure to the benefit of each Participant and the Participant's beneficiaries, heirs, executors, administrators or successors in interest.

(g) *Withholding.* Any amount payable to a Participant or a beneficiary under this Plan shall be subject to any applicable federal, state and local income and employment taxes and any other amounts that the Company or a Subsidiary is required at law to deduct and withhold from such payment.

(h) *Severability.* If any provision of this Plan is held unenforceable, the remainder of the Plan shall continue in full force and effect without regard to such unenforceable provision and shall be applied as though the unenforceable provision were not contained in the Plan.

(i) *Governing Law.* The Plan shall be construed in accordance with and governed by the laws of the State of Delaware, without reference to the principles of conflict of laws.

(j) *Headings.* Headings are inserted in this Plan for convenience of reference only and are to be ignored in a construction of the provisions of the Plan.
