PROXY STATEMENT

March 26, 2003

INTRODUCTION

This Proxy Statement is furnished to the stockholders of Landstar System, Inc. (the "Company") in connection with the solicitation of proxies on behalf of the Board of Directors of the Company (the "Board") to be voted at the Annual Meeting of Stockholders to be held on Thursday, May 15, 2003 at 10:00 a.m., local time (the "2003 Annual Meeting"). The 2002 Annual Report to Stockholders (which does not form a part of the proxy solicitation material), including the financial statements of the Company for fiscal year 2002, is enclosed herewith. The mailing address of the principal executive offices of the Company is 13410 Sutton Park Drive South, Jacksonville, Florida 32224. This Proxy Statement, accompanying form of proxy, Notice of Meeting and 2002 Annual Report are being mailed to the stockholders of the Company on or about March 26, 2003.

RECORD DATE

The Board has fixed the close of business on March 18, 2003 as the record date for the 2003 Annual Meeting. Only stockholders of record on that date will be entitled to vote at the meeting in person or by proxy.

PROXIES

Shares cannot be voted at the meeting unless the owner thereof is present in person or by proxy. The proxies named on the enclosed proxy card were appointed by the Board to vote the shares represented by the proxy card. If a stockholder does not return a signed proxy card, his or her shares cannot be voted by proxy. Stockholders are urged to mark the boxes on the proxy card to show how their shares are to be voted. All properly executed and unrevoked proxies in the accompanying form that are received in time for the meeting will be voted at the meeting or any adjournment thereof in accordance with any specification thereon, or if no specification is made, will be voted "FOR" each of the following proposals: (i) the election of the named nominees, (ii) the ratification of KPMG LLP as independent auditors for the Company, (iii) the approval of the Company's 2003 Directors Stock Compensation Plan, (iv) the approval of the amendment to Article IV of the Company's Restated Certificate of Incorporation (the "Certificate of Incorporation") to increase the number of authorized shares of Common Stock of the Company and (v) the approval of a separate amendment to Article IV of the Certificate of Incorporation to increase the number of authorized shares of Preferred Stock of the Company. Each of these five proposals is more fully described in this Notice of 2003 Annual Meeting. The proxy card also confers discretionary authority on the proxies to vote on any other matter not presently known to management that may properly come before the 2003 Annual Meeting.

Any proxy delivered pursuant to this solicitation is revocable at the option of the person(s) executing the same (i) upon receipt by the Company before the proxy is voted of a duly executed proxy bearing a later date, (ii) by written notice of revocation to the Secretary of the Company received before the proxy is voted or (iii) by such person(s) voting in person at the 2003 Annual Meeting.

The Board has selected The Bank of New York as Inspectors of Election (the "Inspectors") pursuant to Article I of the Company's Bylaws, as amended and restated (the "Bylaws"). The Inspectors shall ascertain the number of shares outstanding, determine the number of shares represented at the 2003 Annual Meeting by proxy or in person and count all votes and ballots. Each stockholder shall be entitled to one vote for each share of Common Stock (as defined hereafter) and such votes may be cast either in person or by written proxy.

1

PROXY SOLICITATION

The cost of the preparation of proxy materials and the solicitation of proxies will be paid by the Company. The Company has engaged Georgeson Shareholder Communications, Inc. as the proxy solicitor for the meeting for a fee of approximately \$6,500 plus reasonable expenses. In addition to the use of the mails, certain directors, officers or employees of the Company may solicit proxies by telephone or personal contact. Upon

request, the Company will reimburse brokers, dealers, banks and trustees, or their nominees, for reasonable expenses incurred by them in forwarding proxy materials to beneficial owners of shares.

VOTING SECURITIES

Shares of the Company's common stock, par value \$.01 per share (the "Common Stock") are the only class of voting securities of the Company which are outstanding. On March 18, 2003, shares of Common Stock were outstanding. At the 2003 Annual Meeting, each stockholder of record at the close of business on March 18, 2003 will be entitled to one vote for each share of Common Stock owned on that date as to each matter properly presented to the 2003 Annual Meeting. The holders of a majority of the total number of the issued and outstanding shares of Common Stock shall constitute a quorum for purposes of the 2003 Annual Meeting.

PROPOSAL NUMBER ONE -- ELECTION OF DIRECTORS

The Board is divided into three classes (Class I, Class II and Class III), with Directors in each class serving staggered three-year terms. At each annual meeting of stockholders, the terms of Directors in one of these three classes expire. At that annual meeting of stockholders, Directors are elected in a class to succeed the Directors whose terms expire, with the terms of that class of Directors so elected to expire at the third annual meeting of stockholders thereafter. Pursuant to the Company's Bylaws, new Directors elected by the remaining Board members to fill a vacancy on the Board shall hold office for a term expiring at the annual meeting of stockholders at which the term of office of the class of which they have been elected expires and until such Director's successors shall have been duly elected and qualified. There are seven members of the Board of Directors: two Class I Directors to be elected at the 2003 Annual Meeting of Stockholders (whose members' terms will expire at the 2006 Annual Meeting of Stockholders), three Class II Directors whose terms will expire at the 2004 Annual Meeting of Stockholders and two Class III Directors whose terms will expire at the 2005 Annual Meeting of Stockholders.

It is intended that the shares represented by the accompanying form of proxy will be voted at the 2003 Annual Meeting for the election of nominees Ronald W. Drucker and Henry H. Gerkens as Class I Directors, unless the proxy specifies otherwise. Each Class I Director's term will expire at the 2006 Annual Meeting of Stockholders. Each nominee has indicated his willingness to serve as a member of the Board, if elected.

If, for any reason not presently known, either or both of Ronald W. Drucker or Henry H. Gerkens are not available for election at the time of the 2003 Annual Meeting, the shares represented by the accompanying form of proxy may be voted for the election of substitute nominee(s) designated by the Board or a committee thereof, unless the proxy withholds authority to vote for all such substitute nominees.

Assuming the presence of a quorum, to be elected, a nominee must receive the affirmative vote of the holders of a majority of the Common Stock, present, in person or by proxy, at the 2003 Annual Meeting. Abstentions from voting and broker non-votes will have no effect on the outcome of this proposal.

THE BOARD RECOMMENDS A VOTE FOR THIS PROPOSAL

It also holds special meetings and acts by written consent when important matters require Board action between scheduled meetings.

Murphy is an "independent director", as defined in Rule 4200(a)(15) of the National Association of Securities Dealers ("NASD") listing standards (such Directors are, collectively, the "Independent Directors"). Each such Director also qualifies as an "independent director" under Section 301 of the Sarbanes-Oxley Act and the proposed new rules of the NASD regarding independent directors. The Independent Directors of the Board held two meetings during fiscal year 2002 without the presence of management or any inside directors.

COMMITTEES OF THE BOARD

The Board has established an Audit Committee, a Compensation Committee, a Nominating Committee, a Safety Committee and a Strategic Planning Committee to devote attention to specific subjects and to assist in the discharge of its responsibilities. The functions of those committees and the number of meetings held during 2002 are described below. The Board does not have an Executive

Committee. In addition, the Board has ratified the establishment of a Disclosure Committee comprised of members of management, including the two employee members of the Board, to formalize processes to ensure accurate and timely disclosure in the Company's periodic reports filed with the Securities and Exchange Commission and to implement certain disclosure controls and procedures.

The Audit Committee, Compensation Committee and Nominating Committee are each comprised of all of the Independent Directors. The Safety Committee and Strategic Planning Committee are each comprised of all members of the Board of Directors.

AUDIT COMMITTEE

The Audit Committee appoints the independent auditors for the Company and monitors the performance of such firm; reviews and approves the scope and results of the annual audit; and evaluates with the independent auditors the Company's annual audit and annual consolidated financial statements; reviews with management the status of internal accounting controls; and reviews problem areas having a potential financial impact on the Company which may be brought to its attention by management, the independent auditors or the Board. In addition, the Audit Committee pre approves all non-audit related services provided by the independent auditors and approves the independent auditors' fees for services rendered to the Company. During the 2002 fiscal year, the Audit Committee held three meetings, four telephonic meetings and did not act by written consent.

COMPENSATION COMMITTEE

The Compensation Committee functions include (i) reviewing and making determinations with respect to matters having to do with the compensation of senior executive officers and Directors of the Company and (ii) administering certain plans relating to the compensation of officers. During the 2002 fiscal year, the Compensation Committee held four meetings and did not act by written consent.

During the 2002 fiscal year, the Nominating Committee held one meeting and did not act by written consent. SAFETY COMMITTEE

The Safety Committee functions include the development and implementation of safety goals and strategies to be implemented by the Company. During the 2002 fiscal year, the Safety Committee held three meetings and did not act by written consent.

STRATEGIC PLANNING COMMITTEE

The Strategic Planning Committee functions include the development of strategic objectives and policies and procedures to achieve the strategic objectives of the Company. The Strategic Planning Committee solicits the views of the Company's senior management and determines strategic directions for implementation. During the 2002 fiscal year, the Strategic Planning Committee held three meetings and did not act by written consent.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board is responsible for providing independent, objective oversight of the Company's accounting functions and internal controls. The Audit Committee has the sole authority and responsibility to select, evaluate and, when appropriate, replace the Company's independent auditors. The Audit Committee is comprised of all of the Independent Directors. The Audit Committee operates under a written charter approved by the Board of Directors.

Management is responsible for the Company's internal controls and financial reporting process. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements in

accordance with generally accepted auditing standards accepted in the United States of America and to issue a report thereon. The Audit Committee's responsibility is to monitor these processes. The Audit Committee is not, however, professionally engaged in the practice of accounting or auditing and does not provide any expert or other special assurance as to such financial statements concerning compliance with laws, regulations or generally accepted accounting principles or as to auditor independence. The Audit Committee relies, without independent verification, on the information provided to it and on presentations and statements of fact made by management and the independent auditors.

In connection with these responsibilities, as discussed elsewhere in this Proxy, the Audit Committee held three meetings and four telephonic meetings during 2002. These meetings were designed, among other things, to facilitate and encourage communication among the Audit Committee, management and the independent auditors. The Audit Committee discussed with the independent auditors the overall scope and plans for their audit. The Audit Committee met with the independent auditors, with and without management present, to discuss the December 28, 2002 financial statements and their observations of the Company's internal controls. The Audit Committee also discussed with the independent auditors the matters required by Statement on Auditing Standards No. 61 (Communication with Audit Committees). The Audit Committee also received written disclosures from the independent auditors required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent auditors that firm's independence, including the new rules governing auditor independence promulgated under the Sarbanes-Oxley Act. The Audit Committee had discussions with management concerning the process used to support certifications by the Company's Chief Executive Officer and Chief Financial Officer that are required by the Securities and Exchange Commission and the Sarbanes-Oxley Act to accompany the Company's periodic filings with the Securities and Exchange Commission.

6

During 2002, the Audit Committee pre approved the continuation of all non-audit services to be rendered to the Company by the independent auditors in 2002 (which services are disclosed elsewhere in this Proxy Statement) and concluded that these services were compatible with maintaining the independence of these auditors. For each fiscal year commencing with fiscal 2003, the Audit Committee expects to pre approve all non-audit services rendered to the Company by the independent auditors, including all related fee arrangements. The Audit Committee also reviewed and discussed the December 28, 2002 financial statements with management.

Based upon the Audit Committee's discussions with management and the independent auditors, and the Audit Committee's review of the representations of management and the independent auditors, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 28, 2002, to be filed with the Securities and Exchange Commission. The Audit Committee has also selected KPMG LLP as the Company's independent auditors for the fiscal year ended December 27, 2003 and have recommended to the Board that this selection be presented to the stockholders for ratification.

Henry H. Gerkens.....	52	See previous description under "Directors of the Company."
Robert C. LaRose.....	48	Mr. LaRose has been Vice President, Chief Financial Officer and Secretary of the Company and LSHI since December 2001. He served as Vice President of Finance, Treasurer and Assistant Secretary of the Company and LSHI from September 2001 to December 2001. He served as Vice President of Finance and Treasurer of the Company and LSHI from October 1995 to September 2001. He served as Vice President and Controller of the Company from January 1993 to October 1995 and held the same positions at LSHI from March 1989 to October 1995. Mr. LaRose was Assistant Treasurer of the Company from May 1991 to January 1993. He is also an officer of each of the Subsidiaries.

COMPENSATION OF DIRECTORS AND EXECUTIVE OFFICERS

COMPENSATION OF DIRECTORS. During 2002, Directors who were not employees of the Company received an annual Director's fee of \$20,000, plus a fee of \$2,000 for each Board meeting attended and a fee of \$1,000 for each meeting of a committee attended if the committee meeting was held on a day other than a day on which a Board meeting was held. During 2003, Directors who are not employees of the Company will receive an annual Director's fee of \$25,000, plus a fee of \$2,000 for each Board meeting attended in person, plus a fee of \$1,000 for each telephonic Board meeting attended and a fee of \$1,000 for each in person or telephonic meeting of a committee attended if the committee meeting is held on a day other than a day on which a Board meeting is held. In addition commencing in 2003, each Director, upon election or re-election to the Board, will also receive a Director's retainer fee of \$25,000. Directors are also reimbursed for expenses incurred in connection with attending Board meetings. Pursuant to the Company's 1994 Directors Stock Option Plan, each Director who was an Eligible Director (as defined therein) on November 30, 1994 received an option to purchase 24,000 shares of the Company's Common Stock. Also, pursuant to the Company's 1994 Directors Stock Option Plan, commencing in 1996, on the first business day after each annual meeting of stockholders of the Company, each Eligible Director who was elected or re-elected as a Director at such annual meeting received an award of options (a "Term Award") to purchase an additional 24,000 shares of the Company's Common Stock. (All share information in this Proxy reflect a two for one stock split effected in the form of a 100% stock dividend distributed August 12, 2002.)

At a regularly scheduled meeting of the Board of Directors on December 9, 1998, the Board acted to approve a recommendation of the Compensation Committee to reduce the number of shares available for a Term Award on an annual basis from 24,000 options to 18,000 options to purchase shares of the Company's Common Stock. The 1994 Directors Stock Option Plan has been amended to reflect this reduction. All of such options have an exercise price equal to the fair market value of the Company's Common Stock on the date of grant and are subject to vesting requirements and other terms of the Company's 1994 Directors Stock Option Plan. Directors who are also officers of the Company do not receive any additional compensation for services as a Director or for services on committees of the Board or for meetings or attendance fees.

Subject to the requisite approval of the Company's stockholders at the 2003 Annual Meeting (see proposal number three below), the 1994 Directors Stock Option Plan will be replaced by a new Directors Stock Compensation Plan. Under the terms of the proposed plan, each non-employee Director, upon election or re-election to the Board, will receive 1,500 shares of the Company's Common Stock subject to certain restrictions on transfer. Under the proposed plan, Mr.

Drucker, a Director Nominee eligible for re-election at the annual meeting of stockholders scheduled to be held on May 15, 2003, will receive 1,500 shares pursuant to the Directors Stock Compensation Plan. However, if for any reason the requisite approval of stockholders of the Directors Stock Compensation Plan is not obtained at the 2003 Annual Meeting to which this Proxy Statement relates, the Company will revert to the 1994 Directors Stock Option Plan and Mr. Drucker will receive 18,000 stock options pursuant to the 1994 Directors Stock Option Plan.

COMPENSATION OF EXECUTIVE OFFICERS. The following table summarizes the compensation paid to the Chief Executive Officer and each of the Company's two other executive officers for services rendered to the Company and its Subsidiaries during the 2002, 2001 and 2000 fiscal years (collectively, the "Executive Officers"). The following table also includes such information with respect to Messrs. Hartter and Hertwig, who are the two most highly compensated non-executive officers of the Company (collectively, with the Executive Officers, the "Named Executives").

On May 1, 2002, the Company ceased making loans under the employee stock option loan program and terminated the program with respect to future stock option exercises and any related tax liability.

Key Executive Employment Protection Agreements and Other Arrangements

On January 23, 1998, the Board approved the execution of the Key Executive Employment Protection Agreements for Messrs. Crowe, Gerkens, LaRose, Hartter and Hertwig. On August 1, 2002, the Board approved certain amendments to these agreements. Each agreement, as amended, provides certain severance benefits in the event of a Change of Control of the Company (as defined in the agreements). Each agreement, as amended, provides, generally, that if a covered executive's employment is terminated by the Company without "cause" (as defined in the agreements) or by the executive for good reason (as so defined), in either such case, in connection with or within the two-year period following the Change of Control or if a covered executive terminates his employment for any reason six months following the Change in Control, such executive will be entitled to severance benefits consisting of a cash amount equal to three times for Messrs. Crowe and Gerkens, two times for Mr. LaRose and one time for Messrs. Hartter and Hertwig of the sum of (A) the executive's annual base salary; and (B) the amount that would have been payable to the executive as a target bonus for the year in which the Change of Control occurs. Each agreement also provides for continuation of medical benefits and for certain tax gross-ups to be made to a covered executive in the event payments to the executive are subject to the excise tax on "parachute payments" imposed under Section 4999 of the Internal Revenue Code of 1986. In addition, in July of 2002, the Compensation Committee of the Board of Directors exercised its discretionary authority under the Company's 1993 Stock Option Plan and its 2002 Executive Incentive Compensation Plan to determine that in the event Mr. Gerkens' employment with the Company is or is likely to be terminated for any reason in connection with a Change of Control (as such term is defined in the 1993 Stock Option Plan), (i) each vested and unexercised option granted to Mr. Gerkens prior to such Change of Control will be "cashed out" for an amount equal to the excess of the Change of Control Price (as such term is defined in the 1993 Stock Option Plan) over the price of such option and (ii) Mr. Gerkens will receive, with respect to any Change of Control occurring prior to the end of any calendar year, a pro-rated bonus for such year under the 2002 Executive Incentive Compensation Plan based on the bonus he would have received under such plan had he remained an employee of the Company through the end of the year in which such Change of Control occurs.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

Overall Policy

The Company's executive compensation philosophy is designed to attract and retain the best possible executive talent and to motivate these executives to develop and implement the Company's business strategy. These objectives are to be attained by tying a significant portion of each executive's compensation to

the Company's success in meeting specified corporate performance goals and, through the grant of stock options, to appreciation in the Company's stock price. Additionally, the Company also recognizes individual contributions as well as overall business results.

The executive compensation program is reviewed annually by the Compensation Committee. Periodically, at the Compensation Committee's sole discretion, an independent review of the executive compensation program may be performed by outside consultants.

The Compensation Committee is responsible for decisions regarding executive compensation, including a determination of the compensation awarded to those individuals whose compensation is detailed in this Proxy Statement, subject to review by the Board. The key elements of the Company's executive compensation consist of base salary, annual bonus and stock options. The Compensation Committee's policies with respect to each of these elements, including the basis for the compensation awarded to Mr. Crowe, the Company's chief executive officer, are discussed below.

13

Base Salaries

Base salaries for newly hired executive officers are initially determined by evaluating the responsibilities of the position held and the experience of the individual. Salary adjustments are determined by evaluating the performance of the Company and of each executive officer, and also take into account new responsibilities. In the case of executive officers with responsibility for an operating subsidiary, the financial results of such operating subsidiary are also considered.

Annual Bonus

The Company's executive officers were eligible to receive an annual bonus under the Company's 2002 Executive Incentive Compensation Plan (the "2002 EICP"). The 2002 EICP provided for bonus payments to be made to eligible executive officers upon achievement of a consolidated earnings per share target and to eligible subsidiary presidents upon the achievement of a consolidated earnings per share target or an operating income target or a combination thereof. These performance criteria were established at the beginning of 2002 by the Compensation Committee.

In February 2003, the executive officers and subsidiary presidents received bonuses pursuant to the 2002 EICP. The Compensation Committee, in awarding these bonus amounts, considered the overall Company's performance and the criteria established at the beginning of the year.

Stock Options

Under the Company's 1993 Stock Option Plan and the Company's 2002 Stock Option Plan, stock options are granted to the Company's executive officers and certain other key employees. The Compensation Committee determines the number of stock options to be granted pursuant to guidelines it develops based on an officer's, or other key employee's, job responsibilities and individual performance evaluation. Stock options are granted with an exercise price equal to the fair market value of the Common Stock on the date of grant and generally vest over three or five years. This approach is designed to encourage the creation of long-term stockholder value since no benefit can be realized from such options unless the stock price exceeds the exercise price.

As of March 6, 2003, Mr. Crowe held 80,000 shares of the Company's Common Stock and held options to purchase an additional 298,200 shares.

The Compensation Committee believes that significant equity interests held by management helps to align the interests of stockholders and management and maximizes stockholder returns over the long term.

Policy as to Section 162(m) of the Code

Section 162(m) of the Internal Revenue Code of 1986, as amended, generally denies a publicly traded company a federal income tax deduction for compensation in excess of \$1 million paid to certain of its executive officers unless the amount of such excess is payable based solely upon the attainment of objective performance criteria. The Company has undertaken to qualify substantial

components of the incentive compensation it makes available to its executive officers for the performance exception to nondeductibility. Stock option grants under the Company's 1993 Employee Stock Option Plan and the Company's 2002 Employee Stock Option Plan currently meet these requirements. At the 2002 Annual Meeting, the Company received stockholder approval for the 2002 EICP so that any annual awards payable thereunder would qualify for the performance exception under Section 162(m). The Compensation Committee believes that tax deductibility of compensation is an important factor, but not the sole factor, to be considered in setting executive compensation policy. Accordingly, the Compensation Committee generally intends to take such reasonable steps as are required to avoid the loss of a tax deduction due to Section 162(m), but reserves the right to pay amounts which are not deductible in appropriate circumstances.

14

Conclusion

Through the programs described above, a very significant portion of the Company's executive compensation is linked directly to significant thresholds of corporate performance and stock price appreciation. The Company's results did achieve the target criteria established in the 2002 EICP. As such, bonuses were paid under the 2002 EICP. The Committee will continue to review all executive compensation and benefit matters presented to it and will act based upon the best information available to it and in the best interests of the Company, its stockholders and employees.

COMPLIANCE WITH SECTION 16(a) OF THE SECURITIES EXCHANGE ACT OF 1934

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's executive officers and Directors, and persons who own more than ten percent of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange

Commission ("SEC"). Executive officers, Directors and greater than ten percent stockholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file.

There was an inadvertent failure to file Form 4, Statement of Changes in Beneficial Ownership, on a timely basis with the SEC on behalf of Ms. Diana Murphy, a Director, with respect to a sale of 100 shares of Common Stock in July 2002. This transaction was reported on Form 4 in February 2003 as soon as the oversight was discovered. Other than as set forth in this paragraph, based solely on review of the copies of such forms furnished to the Company, or written representations that no Form 5 was required, the Company believes that during the fiscal year ended December 28, 2002, all Section 16(a) filing requirements which are applicable to its executive officers, Directors and greater than ten percent beneficial owners were accomplished.

PROPOSAL NUMBER TWO --
RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The firm of KPMG LLP served as independent auditors for the Company for the fiscal year ended December 28, 2002. In addition to retaining KPMG LLP to audit the consolidated financial statements of the Company and its subsidiaries, KPMG LLP rendered certain tax and employee benefit audit services to the Company in fiscal year 2002 and expects to continue to do so in 2003. The aggregate fees billed for professional services by KPMG LLP in fiscal year 2002 for services consisted of the following:

AUDIT FEES: Fees for the audit of financial statements and quarterly reviews, \$487,000.

ALL OTHER FEES: Fees for assistance with tax compliance and tax audits, \$138,400, and fees for the audit of employee benefit plans, \$16,000.

The Audit Committee has appointed that firm to continue in that capacity for fiscal year 2003, and has recommended to the Board that a resolution be presented to stockholders at the 2003 Annual Meeting to ratify that appointment. A representative of KPMG LLP will be present at the 2003 Annual Meeting and will have an opportunity to make a statement and respond to appropriate questions from stockholders.

THE BOARD RECOMMENDS A VOTE FOR THIS PROPOSAL

PROPOSAL NUMBER THREE -- PROPOSAL TO APPROVE THE 2003
DIRECTORS STOCK COMPENSATION PLAN

The Board has adopted, subject to stockholder approval, the 2003 Directors Stock Compensation Plan, to replace the previously existing 1994 Directors Stock Option Plan. The Board believes that a change to the method of compensating the outside Board members will continue to attract, retain and motivate the best qualified directors and further enhance the long-term mutuality of interest between the Company's stockholders and the Directors of the Company. The material terms of the Directors Stock Compensation Plan are summarized below.

Subject to stockholder approval of the Directors Stock Compensation Plan, the maximum number of shares that may be issued under the Directors Stock Compensation Plan may not exceed 50,000 in the aggregate. If there is a stock split, stock dividend, recapitalization, or other relevant change affecting the Company's shares of Common Stock, appropriate adjustments will be made by the Board in the number of shares that may be issued in the future.

19

The Directors Stock Compensation Plan is administered by the Board. Each person who is a Director of the Company, and is not an officer or employee of the Company or any of its subsidiaries is eligible to participate in the Directors Stock Compensation Plan (an "Eligible Director"). Each of the provisions is described more fully below and in the full text of the Directors Stock Compensation Plan set forth in Appendix A.

Share Awards

Each Eligible Director shall be entitled to compensation for his or her participation on the Board. Compensation pursuant to the Directors Stock Compensation Plan shall be fixed at 1,500 shares of Common Stock, representing

one award. The Board has the authority to adjust the amount of compensation from time to time. One share award is to be issued on the first business day after each Annual Meeting of Stockholders (the "Meeting") to an Eligible Director who was, at the most recent Meeting, elected or re-elected to the Board.

Restrictions on Disposition

For the three-year period following the award of shares to an Eligible Director, neither such Eligible Director nor any of such Eligible Director's heirs or representatives has the right to sell, assign, transfer, pledge or otherwise directly or indirectly dispose of any such shares. These restrictions on transfer shall lapse upon the termination of an Eligible Director's services to the Company for any reason.

Other Information

The Board may terminate or suspend the Directors Stock Compensation Plan, and from time-to-time may amend or modify the Directors Stock Compensation Plan provided that without the requisite approval of the Company's stockholders, no amendment or modification may (i) materially increase the benefits accruing to Eligible Directors under the Directors Stock Compensation Plan, (ii) except as necessary to give effect to certain adjustments to the Company's capitalization structure, such as a stock split, materially increase the number of shares of Common Stock subject to the Plan, (iii) materially modify the requirements for participation in the Directors Stock Compensation Plan or (iv) make any other amendment or modification that would require the approval of the stockholders of the Company.

Approval

Approval of the proposal to implement the Directors Stock Compensation Plan requires the affirmative vote of a majority of all shares of Common Stock present in person or represented by proxy and entitled to vote at the 2003 Annual Meeting. Abstentions from voting on the proposal will have the same effect as voting against the proposal. Broker non-votes will have no effect on the outcome of the proposal.

THE BOARD RECOMMENDS A VOTE FOR THIS PROPOSAL

20

PROPOSAL NUMBER FOUR -- PROPOSAL TO AMEND COMPANY'S
CERTIFICATE OF INCORPORATION TO INCREASE
AUTHORIZED SHARES OF COMMON STOCK

The Board of Directors recommends that Article IV, Section 1 of the Certificate of Incorporation be amended so as to increase the authorized number of shares of Common Stock, par value \$.01 per share, from 20,000,000 to 50,000,000. Separately, as described in proposal number five (see below), the Board of Directors has recommended that the Certificate of Incorporation be amended so as to increase the authorized number of shares of Preferred Stock (the "Preferred Stock"), par value \$1.00 per share, from 2,000,000 to 5,000,000. The proposals to increase such authorized number of shares of Common Stock, on the one hand, and Preferred Stock, on the other, are being submitted to the Company's stockholders separately, as described further in proposal number five below.

The main text of the proposed amendment (giving effect to both this proposal and proposal number five) would read as follows:

"The aggregate number of shares of all classes of stock which the Company shall have authority to issue is 55,000,000, consisting of 50,000,000 shares of Common Stock, par value \$.01 per share, and 5,000,000 shares of Preferred Stock, par value \$1.00 per share."

In the event that the Company's stockholders approve proposal numbers four and five, the aggregate number of shares of capital stock which the Company would have the authority to issue would increase to 55,000,000. However, in the event that the Company's stockholders approve this proposal but do not approve proposal number five, the authorized number of shares of Common Stock would increase to 50,000,000 but the authorized number of shares of Preferred Stock would remain at 2,000,000. On the other hand, if the Company's stockholders do not approve this proposal but do approve proposal number five, the authorized number of shares of Common Stock would remain at 20,000,000 but the authorized

number of shares of Preferred Stock would increase to 5,000,000.

* * * *

The Company presently has authority to issue a total number of 22,000,000 shares, consisting of (a) 20,000,000 shares of Common Stock and (b) 2,000,000 shares of Preferred Stock.

As of the close of business on December 28, 2002, of the 20,000,000 shares of Common Stock presently authorized by the Certificate of Incorporation, 15,782,627 shares were issued and outstanding, 3,172,160 shares were reserved for issuance under the Company's employee stock option plans and 554,879 shares were held by the Company as treasury shares. Thus, assuming the Company were to use the treasury shares in connection with option exercises under the Company's employee stock option plans, the Company would have only 490,334 shares of Common Stock as of December 28, 2002 which were both unissued and not reserved for other purposes. The small number of unissued and unreserved shares of Common Stock reflects in part the impact of the Company's two-for-one stock split, effected in the form of a 100% stock dividend distributed on August 12, 2002. Adoption of this proposal would increase the number of authorized and unissued shares of Common Stock by 30,000,000.

The Board of Directors believes that the Company does not have a sufficient number of authorized and unissued shares of Common Stock to give it the ability to react quickly and in the best interests of its stockholders to the various corporate opportunities and other circumstances which might merit the issuance of additional shares of Common Stock in the future. For instance, the additional shares of Common Stock under this proposal would provide the Company with the ability, if it wished to do so, to effect a stock split or a stock dividend, such as the stock split referred to above. The additional shares would also facilitate the Company's ability to, among other things, structure financing transactions, mergers and acquisitions, employee stock plans and other corporate transactions in a timely fashion and without the expense and delay associated with calling a special stockholders' meeting to increase the authorized capital of the Company. In this regard, the Company notes that no further action or authorization by the Company's stockholders would be necessary prior to issuance of the additional shares of Common Stock contemplated by this proposal number four except as may be required by applicable law and the rules of the NASDAQ or any stock exchange on which the Company's securities may be listed in the future.

The Company has no current plans for the issuance of any shares of Common Stock, except with respect to issuances under the Company's stock option plans. However, since the Company has a sufficient number of existing authorized

21

and unissued shares of Common Stock and treasury shares for purposes of the Company's stock option plans, approval of proposal number four is not necessary to effect this use.

The terms of the additional shares of Common Stock will be identical to those of the currently outstanding shares of Common Stock. This amendment will not alter the current number of issued shares. The relative rights and limitations of the shares of Common Stock would remain unchanged under this proposal.

The Company is not proposing to increase its authorized shares of Common Stock in order to impede a change of control of the Company and the Company is not aware of any current efforts to acquire control of the Company. However, under certain circumstances, the additional shares of Common Stock could be issued by the Company to defend against, or otherwise respond to, a hostile takeover bid. For instance, the Company could issue shares of Common Stock to dilute the stock ownership of a person or entity seeking to obtain control of the Company under a "poison pill" or other similar arrangement, although since the Company's Shareholders Rights Plan expired on February 10, 2003, the Company does not currently have any such "poison pill" in place. The Company could also respond to an unsolicited takeover bid by issuing, in a private placement or otherwise, a significant portion of its securities with purchasers who might align with the Board of Directors in response to a specific change of control transaction affecting the Company. Moreover, the issuance of shares of Common Stock to persons friendly to the Board could make it more difficult to remove incumbent managers and directors from office even if such change could be considered favorable to stockholders generally. The Company also notes that certain provisions of its Certificate of Incorporation and By Laws, including

(i) its ability to issue "blank check" preferred stock, as described more fully in proposal number five below, (ii) its staggered board of directors and (iii) provisions in its By Laws limiting the ability of its stockholders to call special meetings and to propose business for consideration at annual meetings, could also under certain circumstances have the effect of discouraging attempts, or making it more difficult to gain control of the Company.

Nevertheless, while the issuance of shares of Common Stock may have anti-takeover ramifications, the Board believes that the financial flexibility offered by this proposed amendment to the Certificate of Incorporation outweighs any disadvantages. To the extent that the amendment may have anti-takeover effects, the amendment may encourage persons seeking to acquire the Company to negotiate directly with the Board enabling the Board to consider the proposed transaction in a manner that best serves the stockholders' interests.

The issuance of the additional shares of Common Stock contemplated by this proposal number four also could have the effect in certain circumstances of, among other things, diluting earnings per share, book value per share or voting power of the currently outstanding shares of Common Stock.

The affirmative vote of holders of a majority of the outstanding shares of Common Stock is required for approval of this proposal. Consequently, any shares not voted (whether by abstention, broker non-vote or otherwise) will have the same effect as votes against the proposed amendment to the Company's Certificate. If the amendment is approved by the stockholders, it will become effective upon the filing of a Certificate of Amendment in accordance with the General Corporation Law of Delaware.

THE BOARD RECOMMENDS A VOTE FOR THIS PROPOSAL

22

PROPOSAL NUMBER FIVE -- PROPOSAL TO AMEND COMPANY'S
CERTIFICATE OF INCORPORATION TO INCREASE
AUTHORIZED SHARES OF PREFERRED STOCK

The Board of Directors recommends that Article IV, Section 1 of the Certificate of Incorporation be amended so as to increase the authorized number of shares of Preferred Stock, par value \$1.00 per share, from 2,000,000 to 5,000,000. Separately, as described in proposal number four (see above), the Board of Directors has recommended that the Certificate of Incorporation be amended so as to increase the authorized number of shares of Common Stock (the "Common Stock"), par value \$.01 per share, from 20,000,000 to 50,000,000. The proposals to increase such authorized number of shares of Preferred Stock, on the one hand, and Common Stock, on the other, are being submitted to the Company's stockholders separately, as described further in proposal number four above.

The main text of the proposed amendment (giving effect to both this proposal and proposal number four) would read as follows:

"The aggregate number of shares of all classes of stock which the Company shall have authority to issue is 55,000,000, consisting of 50,000,000 shares of Common Stock, par value \$0.01 per share, and 5,000,000 shares of Preferred Stock, par value \$1.00 per share."

In the event that the Company's stockholders approve proposal numbers four and five, the aggregate number of shares of capital stock which the Company would have the authority to issue would increase to 55,000,000. However, in the event that the Company's stockholders approve this proposal but do not approve proposal number four, the authorized number of shares of Preferred Stock would increase to 5,000,000 but the authorized number of shares of Common Stock would remain at 20,000,000. On the other hand, if the Company's stockholders do not approve this proposal but do approve proposal number four, the authorized number of shares of Preferred Stock would remain at 2,000,000 but the authorized number of shares of Common Stock would increase to 50,000,000.

* * * *

The Company presently has authority to issue a total number of 22,000,000 shares, consisting of (a) 20,000,000 shares of Common Stock and (b) 2,000,000 shares of Preferred Stock.

As of the close of business on December 28, 2002, none of the Company's

authorized shares of Preferred Stock were issued or outstanding. Thus, as of the close of business on December 28, 2002, there were authorized and unissued and unreserved 2,000,000 shares of Preferred Stock. Adoption of this proposal would increase the number of authorized, unissued and unreserved shares of Preferred Stock by 3,000,000.

The Board of Directors believes that the Company does not have a sufficient number of authorized and unissued shares of Preferred Stock in order to serve the best interests of the Company and its stockholders with respect to the various opportunities and other circumstances which might merit the issuance of shares of Preferred Stock in the future. For instance, the additional shares of Preferred Stock under this proposal would provide the Company with increased financial flexibility to use shares of Preferred Stock for issuance from time to time and with such features as determined by the Board, to structure financing transactions, mergers and acquisitions and other corporate transactions in a timely fashion and without the expense and delay associated with calling a special stockholders' meeting to increase the authorized capital of the Company. In the event the Board elects at any time to adopt a Shareholder Rights Plan to replace the Shareholder Rights Plan of the Company which expired on February 10, 2003, the Board could also use shares of Preferred Stock in connection with the implementation thereof.

The Board may authorize and issue Preferred Stock from time to time and in one or more series on such terms and conditions as the Board deems to be in the best interests of the Company and its stockholders and without any action or authorization by the Company's stockholders, except as may be required by applicable law and the rules of the NASDAQ or any stock exchange on which the Company's securities may be listed in the future. The numbers, designations, rights, preferences, privileges and limitations of the Preferred Stock will be determined upon issuance by the Board. However, the Company has no current plans for the issuance of any shares of Preferred Stock.

23

It is not possible to state the effects of the proposed increase in the number of shares of Preferred Stock upon the rights of holders of the Common Stock until the Board determines the respective rights of the holders of one or more series of the Preferred Stock. Nevertheless, the issuance of shares of Preferred Stock pursuant to the Board's authority described above may adversely affect the rights of the holders of the Common Stock. Specifically, the effects of an issuance of Preferred Stock could include: (i) a reduction in the amount of cash otherwise available for payment of dividends on the Common Stock, if any, (ii) restrictions on dividends on the Common Stock, (iii) dilution of the earnings per share, book value per share or voting power of the Common Stock, and (iv) restrictions on the rights of holders of Common Stock to share in the Company's assets upon satisfaction of any liquidation preference granted to the holders of Preferred Stock. In addition, shares of Preferred Stock may be convertible into shares of Common Stock.

The Company is not proposing to increase its authorized shares of Preferred Stock in order to impede a change of control of the Company and the Company is not aware of any current efforts to acquire control of the Company. However, under certain circumstances, the additional shares of Preferred Stock could be issued by the Company to defend against, or otherwise respond to, a hostile takeover bid. For instance, the Company could issue shares of Preferred Stock to dilute the stock ownership of a person or entity seeking to obtain control of the Company under a "poison pill" or other similar arrangement, although since the Company's Shareholders Rights Plan expired on February 10, 2003, the Company does not currently have any such "poison pill" in place. The Company could also respond to an unwanted takeover bid by issuing, in a private placement or otherwise, securities representing a significant portion of its voting power to purchasers who might align with the Board of Directors in response to a specific change of control transaction affecting the Company. Moreover, the issuance of shares of Preferred Stock to persons friendly to the Board could make it more difficult to remove incumbent managers and directors from office even if such change could be considered favorable to stockholders generally.

In addition, the Company notes that, as described in proposal number four above, certain provisions of the Certificate of Incorporation and By Laws may have the effect under certain circumstances of discouraging or making it difficult to gain control of the Company.

Nevertheless, while the issuance of shares of Preferred Stock may have anti-takeover ramifications, the Board believes that the financial flexibility

offered by this proposed amendment to the Certificate of Incorporation outweighs any disadvantages. To the extent that the amendment may have anti-takeover effects, the amendment may encourage persons seeking to acquire the Company to negotiate directly with the Board enabling the Board to consider the proposed transaction in a manner that best serves the stockholders' interests.

The affirmative vote of holders of a majority of the outstanding shares of Common Stock is required for approval of this proposal. Consequently, any shares not voted (whether by abstention, broker non-vote or otherwise) will have the same effect as votes against the proposed amendment to the Company's Certificate. If the amendment is approved by the stockholders, it will become effective upon the filing of a Certificate of Amendment in accordance with the General Corporation Law of Delaware.

"THE SHARES REPRESENTED BY THIS CERTIFICATE ARE SUBJECT TO THE TERMS AND CONDITIONS (INCLUDING TRANSFER RESTRICTIONS) CONTAINED IN THE LANDSTAR SYSTEM, INC. DIRECTORS STOCK COMPENSATION PLAN AND NEITHER THIS CERTIFICATE NOR THE SHARES REPRESENTED BY IT ARE ASSIGNABLE OR

The Board at any time may terminate or suspend the Plan, and from time to time may amend or modify the Plan; provided that without the approval by a majority of the votes cast at a meeting of stockholders at which a quorum representing a majority of the Shares is present in person or by proxy, no amendment or modification may (i) materially increase the benefits accruing to Eligible Directors under the Plan, (ii) except as expressly provided in Section 6.2, materially increase the number of Shares subject to the Plan, (iii) materially modify the requirements for participation in the Plan, or (iv) make any other amendment or modification that would require the approval of the stockholders of the Company under applicable laws, rules or regulations.

ARTICLE VIII
GENERAL PROVISIONS

8.1 Requirements of Law. The Plan, the obligations of the Company hereunder and the compensation of Eligible Directors shall be subject to all applicable laws, rules and regulations, and to such approvals by any governmental agencies or national or foreign securities exchanges as may be appropriate or required, as determined by the Board. Notwithstanding any other provision of this Plan, no Shares shall be issued if the Board determines that such payment or issuance would result in a violation of applicable law, rule or regulation, including the federal securities laws and any applicable state or foreign securities laws. The Company shall not be obligated by virtue of any provision of the Plan to issue Common Stock in violation of any such laws, rules, or regulations, and neither the Company nor its directors or officers shall have any obligation or liability to any person because of such non-issuance.

8.2 Listing of Shares. If at any time the Board shall determine in its discretion that the listing, registration or qualification of the Shares covered by this Plan upon any national securities exchange or under any United States or non-United States federal, state or other law, or the consent or approval of any governmental regulatory body, is necessary or desirable as a condition of, or in connection with, the issuance of Shares under this Plan, no Shares will be issued unless and until such listing, registration, qualification, consent or approval shall have been effected or obtained, or otherwise provided for, free of any conditions not acceptable to the Board.

8.3 No Right to Remain as a Director. This Plan shall not impose any obligations on the Company to retain any Eligible Director as a director of the Company nor shall it impose any obligation on the part of any Eligible Director to remain in service to the Company.

8.4 No Rights as a Stockholder. Except as provided in the Plan, neither an Eligible Director nor any person or persons to whom such Eligible Director's Shares shall have passed by will or by the laws of descent and distribution, as the case may be, shall have any voting, dividend or other rights or privileges as a stockholder of the Company with respect to any Shares unless and until a certificate for Shares is issued in respect thereof.

28

8.5 Tax Withholding. The Company shall have the power to withhold, or require a Eligible Director to remit to the Company promptly upon notification of the amount due, an amount determined by the Company to be sufficient to satisfy all federal, state, local and foreign withholding tax requirements (if any) in respect of the issuance of Shares and the Company may defer the issuance of Shares until such requirements are satisfied. The Board may permit or require an Eligible Director to satisfy his tax withholding obligation hereunder in such other manner subject to such conditions, as the Board shall determine.

8.6 Beneficiary Designation. Each Eligible Director under this Plan may from time to time name any beneficiary or beneficiaries (who may be named contingently or successively) to whom any benefit under the Plan is to be paid or by whom any right under the Plan is to be exercised in case of his death. Each designation will revoke all prior designations by the same Eligible Director, shall be in a form prescribed by the Company, and will be effective only when filed by the Eligible Director in writing with the Company during his lifetime. In the absence of any such designation, benefits remaining unpaid at the Eligible Director's death shall be paid to or exercised by the Eligible Director's surviving spouse, if any, or otherwise to or by his estate.

8.7 Controlling Law. This Plan shall be construed and enforced according to the laws of the State of Delaware without regard to its conflicts of laws principles.

8.8 Freedom of Action. Subject to Article VII, nothing in the Plan shall be construed as limiting or preventing the Company or any of its subsidiaries from taking any action with respect to the operation or conduct of its business that it deems appropriate or in its best interest.

8.9 Non-Exclusivity. Subject to applicable laws, rules and regulations, neither the adoption of the Plan by the Board nor the submission of the Plan to the stockholders of the Company shall be construed as creating any limitations on the power of the Board to adopt such other compensatory arrangements for directors of the Company as it may deem desirable.

8.10 Effective Date. The Plan shall be effective upon its adoption by the Board and approval by a majority of the votes cast at a meeting of stockholders at which a quorum representing a majority of the Shares is present in person or by proxy. The Plan shall continue in effect, unless sooner terminated pursuant to Article VII, until the tenth anniversary of the date on which it is adopted by the Board.

8.11 Headings and Captions. The headings and captions herein are provided for reference and convenience only, shall not be considered part of this Plan, and shall not be employed for construction of the Plan.

8.12 Severability. In the event that one or more provisions of this Plan shall become invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not be affected thereby.

8.13 Savings Clause. If any provision of the Plan does not comply with Section 16(b) of the Securities Exchange Act of 1934 and the rules and regulations thereunder, such provision shall be deemed deleted from the Plan and the remaining provisions of the Plan shall not be affected thereby.

8.14 Notices. All notices and other communications required or permitted to be given by an Eligible Director to the Company in connection with this Plan shall be in writing and shall be deemed to have been given if delivered personally or sent by certified or express mail, return receipt requested, postage prepaid, by Federal Express, or by any recognized international equivalent of such delivery, to Robert C. LaRose, Vice President, Chief Financial Officer and Secretary, at 13410 Sutton Park Drive South, Jacksonville, FL, 32224, or to such other person or address as the Board
